Project Director For Aging Council Named

By DALE SANDUSKY

Mrs. Thelma Bertrand has been appointed Project Director for the new South-Central Council for the Aging and Aged.

New Albany Mayor Warren Nash and Jeffersonville Mayor Richard Vissing said Mrs. Bertrand's duties will be planning a Title VII Nutritional Program for the elderly of both cities. The program is expected to later extend planning to areas throughout Floyd and Clark Counties.

Mrs. Bertrand's initial duties will be establishing an office for the program. After a program has been set up for the needs of the aged of Floyd and Clark Counties, similar planning will be extended on a regional basis to include Harrison, Crawford, Scott, Orange and Washington Counties.

Mrs. Bertrand is a former sales manager for the Robinson-Nugent Co., vice president of the New Albany Harvest Homecoming, member of the Salvation Army Advisory Board and 1972 Chamber of Commerce Tourist Committee Chairman.

THELMA BERTRAND
...New Director

TARGET PLANS

While early planning will target on needs in the nutritional area, later attention will be focused on other needs of the elderly including transportation, recreation, entertainment and health resources. Local government, organizations, churches, clubs and individuals will be asked to assist the planning program.

The Rev. W. Richard Welker, executive director of the Floyd Economic Opportunity Corp., heads the council's steering committee. It is charged with developing a non-profit corporation status for the council and setting up a board of directors.

Funding has been secured by the Rev. Welker and Mayors Nash and Vissing through a grant from the Division of Social Services Rehabilitation, U.S. Department of Health, Education and Welfare. It was received through an "Area Wide Model Project Planning Program" deriving $18,032 from Federal sources and $6,010 from in-kind services. The Cities of New Albany and Jeffersonville will share the in-kind services by providing such items as office space, furniture, supplies and a minimum of cash.

Other program officials will include Charles Walte Jr., who will serve as chairman of the membership committee, and William Tischendorf, director of the Clark County Chapter, American Red Cross, who will be chairman of the by-laws and constitution committee.

The program will attempt to enlist a task force composed of at least 50 per cent future recipients of the program and 50 per cent other persons.

'People don't want to have things done for them, but to do things for others'

Head of new project aims to enrich lives of elderly

By JOE HOLWAGER
Courier-Journal & Times Staff Writer

Mrs. Thelma Bertrand of New Albany believes very strongly that a person aged 60 is "young."

Perhaps it is this thinking that best qualifies her for the task of preparing a comprehensive plan for better enriching the lives of persons over 60 in Floyd and Clark counties, primarily through a nutritional program.

Mrs. Bertrand was named earlier this month as project director for the new South Central Council for the Aging and Aged. The job was made possible by an $18,032 planning grant from the Indiana Commission on the Aging and Aged. The grant pays her salary, that of a secretary and other expenses.

The money is from the Social Services Rehabilitation Division of the U.S. Department of Health, Education and Welfare. Mrs. Bertrand and others who processed the planning grant application six months ago expect more agency money will be made available to fund a nutritional program later this year.

The program would be modeled primarily to accommodate persons 60 or older in New Albany and Jeffersonville who cannot afford to eat adequately; lack the skills and knowledge, or both, to select and prepare nourishing, well-balanced meals; have limited mobility that may impair their capacity to shop and cook for themselves; have feelings of rejection and loneliness that obliterate the incentive needed to prepare and eat a meal alone.

If the program is implemented, 75 per cent of the grant money would go to improving nutrition for the elderly who need it, while 25 per cent could be spent on projects to enrich the cultural lives of persons over 60.

Mrs. Bertrand said in an interview that the latter category could involve any type of project, including casual social gatherings, handicrafts, community help programs and others.

"I would like to make music, crafts lessons available to them and bring them in some outside entertainment," Mrs. Bertrand said. "I really think transportation is a problem, but hope through volunteer assistance they can be taken places where they ordinarily would be restricted.

"Also, knowing that a lot of times people don't want to have things done for them, but do things for others . . . I would like to see a means of establishing something for this."

MRS. THELMA BERTRAND
'People at 60 are young—really they are'

An attractive, middle-aged mother of two college-aged daughters, Mrs. Bertrand said convincingly: "People at 60 are young—really they are."

Mrs. Bertrand's main offices will be located in the Ekin Avenue Recreation Center in New Albany. She also will have an office in the Red Cross building on Spring Street in Jeffersonville.

As part of the planning grant requirement, the cities of New Albany and Jeffersonville will pay for or provide office space and other in-kind services, representing a local share contribution of

- Determining the number of potential recipients. She expects to accomplish this by contacting welfare and anti-poverty, agencies and other organizations in the two counties, such as the Red Cross and Salvation Army.

- Determine the potential number of feeding centers that can be made available for the nutritional program.

- Determine the number of churches, service organizations and agencies willing to donate time or money.

- Determine the number of staff and salaries required for such a program, as well as projecting over-all expenses.

The information will have to be wrapped up into a grant application by June 30, when more money is expected to become available in Indiana for such programs.

If money is allocated and the program prospers, Mrs. Bertrand hopes to extend services to Crawford, Harrison, Orange, Scott and Washington counties.

According to 1970 census statistics, more than 26,000 persons aged 62 or older live in the seven-county area, while about 14,500 of the total live in Floyd and Clark counties. Persons in this category represent 12.4 per cent of the total population in the seven-county area.

Mrs. Bertrand said one quality, nutritious meal would be served at lunchtime five days a week as part of the nutritional program.

There would be no low-income level requirement for participating, only the age requirement, Mrs. Bertrand said. The meals would be free.

Mrs. Bertrand said the meals should not be thought of as a "handout," because this would keep a lot of proud persons away. She said the meals should be viewed as something the elderly are entitled to, like Social Security.

Mrs. Bertrand is working for a steering committee headed by the Rev. W. Richard Welker, executive director of the Floyd Economic Opportunity Corporation, until an areawide task force composed of an equal number of program recipients and other persons can be formed.

Others on the steering committee by county are: Floyd—Charles Walte, New Albany city plan director; Mrs. Mary C. Green, George Dannenfelser and Sister Loyola Bender; Clark—Robert E. Summers, Mrs. Pat Shannon, William Tischendorf and Mrs. Nina Hooker.

Mrs. Bertrand officially began work Jan. 1 at an annual salary of $10,500. She formerly was a sales manager for 13 years for the Robinson-Nugent Co. in New Albany. She also has been active in church activities, and as a member of the advisory board of the Salvation Army.

'Meal centers' for elderly proposed for Clark and Floyd

By HENRY HAMMAN
Courier-Journal & Times Staff Writer

Imagine you are elderly, perhaps living alone. When mealtime comes, somehow it is just too much effort to prepare a nutritious meal.

Or perhaps you don't have transportation to get to a grocery store to do your shopping.

As you persist in poor nutrition, mental and physical deterioration begin to set in.

The South Central Council for the Aging and Aged, based in New Albany, wants to establish a program to aid elderly people who find themselves in such circumstances. To do so, the council is preparing a request for a federal grant to establish a nutrition program under the provisions of the Older Americans Act.

Under the proposal, the council, or some other agency it designates, would operate "congregate meal centers" or dining halls that would serve meals to groups of elderly people who choose to participate in the nutrition program.

The council, which started major operations earlier this year with the selection of a director, has selected nutrition as its first priority. Project Director Mrs. Thelma Bertrand is now collecting data on the nutritional needs of the elderly in Clark and Floyd counties to support the grant application.

In the search for information, she has contacted over 1,200 elderly people, 156 religious institutions and 246 civic and social organizations in the two counties. She has also been traveling around the area and talking with the elderly to discover their particular desires and needs.

At a meeting last week of the council's steering committee, two consultants provided through the federal Department of Health, Education and Welfare (HEW) discussed the steps needed to finish work on the grant request.

The two men, Lawrence Ambrose and Arnold Panitch, told the committee the biggest need is to develop a specific plan statement, including selection of sites for meal service, methods of reaching those who need the program and solutions to problems of transportation and food preparation.

The grant request, which is due to be completed by May 30, will be forwarded to the Indiana Commission on the Aging and Aged, which will select the nutrition programs in the state to be financed.

As yet, there is no money available for the program, even though the nutrition program was set up last year in an amendment to the Older Americans Act of 1962.

Congress voted money for the program in a bill pocket-vetoed by President Nixon last Oct. 30.

However, new legislation to finance the program passed the U.S. Senate Feb. 20 and a similar bill is now awaiting action in the House of Representatives.

Officials locally and at the state commission seem optimistic about prospects for passage of the legislation and its approval by the President.

The program would operate meal-service centers at a number of sites in Floyd and Clark counties. If the initial program is successful, it would be expanded to other counties served by the South Central Council. The council also covers Harrison, Washington, Orange and Scott counties.

Initial planning for the nutrition program is being financed through a planning grant awarded by HEW last year.

Panitch and Ambrose, in comments after last week's meeting, emphasized the social aspects of the program, in addition to the nutritional benefits.

Panitch, a professor at the University of Illinois, said the program is designed to break through the loneliness and isolation of some elderly people, and to bring them into contact with others.

He said the meal centers can serve also as locations for programs in crafts and locations for counseling. He stressed the use of meal service as a catalyst for other activities.

Under the provisions of the federal legislation setting up the nutrition program, eligible individuals are persons aged 60 or over who:

- "Cannot afford to eat adequately;
- "Lack the skills and/or knowledge to select and prepare nourishing and well-balanced meals;
- "Have limited mobility which may impair their capacity to shop and cook for themselves; or
- "Have feelings of rejection and loneliness which obliterate the incentive necessary to prepare and eat a meal alone."

The spouses of such individuals are also eligible.

Under provisions of the law, meals would be available to any person who meets the guidelines, regardless of whether he is of low income or not. Those who could afford to pay for the meals would do so, while they would be provided free or at reduced cost to those who could not afford the full price.

Mrs. Ora Lea Wann, nutrition specialist with the state commission said in a telephone interview that it is hoped the nutrition program will be fully financed by September, with the possibility of interim financing prior to that date.

Senior Citizens' Program Planned

Thelma Bertrand, project director for the South Central Council for the Aging and Aged. and Mrs. Pat Shannon, Sister Mary Loyola Bender and Charles Walte, members of the steering committee, have just returned from South Bend, where they visited the various programs now being offered senior citizens by R.E.A.L. services.

"Our hope is to bring to the people 60 years old and older in Clark and Floyd Counties, similar types of service, such as hot nutritious meals, transportation, and other activities that will enrich their lives," remarked Mrs. Bertrand.

This program is in the planning stage. With federal funding and the support of the communities, it could become reality this year.

The services are to be offered to people in all income brackets. Many people, despite an adequate income, do not prepare nutritious food for themselves, sometimes due to lack of knowledge or, due to loneliness, they have lost interest in preparing food. Some are confined to their homes and need meals brought in to them.

People over 60 years of age may wish to volunteer their services. They could be a volunteer or a recipient. If they can drive a car, serve food, visit nursing homes, knit, sew, or perform other civic services, they will be needed. Any questions concerning the program may be directed to the South Central Council for the Aging and Aged, 1721 Ekin Avenue, 9161.

Churches, clubs, civic and social organizations are urged to lend their support. Federal funding is contingent upon the backing of the communities. The Council would welcome the opportunity to explain the program and answer pertinent questions at any group meetings.

Church Women United District Officers' Workshop Is Held

The Harrison County Church Women United recently hosted a district officers' workshop at the Corydon Christian Church. Twenty-four ladies attended, including some from Salem, New Albany, Jeffersonville and Corydon with five denominations represented.

The leaders for the workshop were Mrs. Karl Dickerson, state present, and Mrs. Verne Quinn, area two chairman. The morning was spent in talking about the areas of work for the officers and projects which Church Women United could be involved in. Following lunch, which was prepared by the area chairman and the ladies of the Corydon unit, more discussion groups were formed.

Mrs. Mary Green, Floyd County home economist, and Mrs. Thelma Bertrand, who is with the South Central Council for the Aging and Aged, spoke to the group. The topic of Mrs. Bertrand's talk concerned centers for the aged and aging, a program designed to work with the aging and aged and to provide needed services.

The workshop was closed by Mrs. Quinn with the friendship circle of prayer.

Church Women United of Harrison County held a board meeting in the St. Joseph's School cafeteria. The meeting was held to plan for the May fellowship breakfast and other activities.

Senior Citizens Volunteer Project In Area Funded

A federal grant of almost $27,000 has been awarded to operate a retired senior citizens volunteer program in Clark and Floyd Counties, Ninth District Congressman Lee H. Hamilton announced today.

Hamilton stated that the South Central Council for the Aging and Aged, Inc., in New Albany has been awarded a $26,787 action grant to operate the program.

The funds will be used to establish a program for senior citizens in the two counties to volunteer in community organizations including libraries, schools, and nursing homes and in Boy Scout and Red Cross work, the congressman said.

Federal grant approved

Program for elderly looking for director

By HENRY HAMMAN
Courier-Journal & Times Staff Writer

The South Central Council for the Aging and the Aged is looking for a director for its Retired Senior Volunteer Program (RSVP) for Clark and Floyd counties.

Council director Thelma Bertrand said today she hopes to hire someone for the $7,800-a-year post within the next three weeks.

Mrs. Bertrand said she expects RSVP to be in operation sometime in August. Federal approval of $26,787 for the program was announced earlier this week by Rep. Lee Hamilton, 9th District congressman.

RSVP will establish a clearing house for community services and elderly volunteers to provide the services. Part of the federal grant will be used to provide meals and transportation for the volunteers.

Besides the RSVP director, the program will also be staffed with a secretary. The main office will be in the American Red Cross building in Jeffersonville, with a branch in New Albany.

Mrs. Bertrand said she already has requests for volunteers from two school systems, nursing homes, the Floyd County Museum, the Jeffersonville Township Public Library and a variety of service organizations.

New Albany Floyd County public schools have requested up to 40 volunteers to serve as tutors, clerical aides and teacher aides.

Mrs. Bertrand said the biggest problem may be finding enough volunteers to fill the requests.

She said she doesn't expect the program to "go off with a tremendous bang" among potential volunteers. But she said all the volunteer jobs will be meaningful ones rather than make-work projects.

Mrs. Bertrand also said she expects to be notified within the next two weeks about whether or not a council request for federal money to establish a nutrition program for the elderly has been approved. Approval of the request had been held up pending congressional action to provide an appropriation for the nationwide program.

Council For Aging Needs RSV Program Director

"We are really excited about the RSVP, Retired Senior Volunteer Program which will be initiated within the next few weeks in Floyd and Clark Counties" stated Thelma Bertrand, executive director of the South Central Indiana Council for the Aging and Aged, Inc.

"We are now looking for an RSVP director to develop this excellent program. The annual salary for the director is $7,800 and applications are being accepted, by mail, in the form of a resume. Those interested may forward their application to 1721 Ekin Avenue, New Albany or 332 Spring St., Jeffersonville'.

"RSVP will also compliment and strengthen the Title VII Nutrition Program for the elderly which should be in effect by September or October of this year'.

Action, the citizens service corps, awarded $26,787 to the South Central Indiana Council for the Aging and Aged, Inc. to operate that Program.

The grant to the private, non - profit agency was announced in Washington by Action Director Mike Balzano.

RSVP is a national program to develop significant volunteer service in local communities for men and women age 60 and over.

The one - year grant will enable the group to start an RSVP in Floyd and Clark Counties, placing 125 senior volunteers in service the first year, and as many as 600 in the next five. More than 15 percent of the two counties is age 60 and over.

The RSVP will place volunteers in cooperating public and private social service agencies throughout the two counties. Senior volunteers may serve with a library, Boy Scout office, nursing homes, schools and the Red Cross.

This grant is a result of President Nixon's request to Congress, following the 1971 White House Conference on the Aging, to greatly expand opportunities for meaningful volunteer services for older Americans.

RSVP was started in 1969 by the U.S. Department of Health, Education and Welfare and became operational in July, 1971 when it became part of Action.

RSVP is planned, organized and operated on the local level. It is developed under the auspices of an established community - service organization or agency. Any retired person age 60 and over can become a RSVP volunteer; there are no education, income or experience requirements.

Volunteers serve in a variety of organizations, agencies and institutions such as courts, schools, libraries, day care centers, hospitals, nursing home, court offices, economic development agencies and other community service centers.

RSVP volunteers serve without compensation, although they may be reimbursed for such costs as transportation.

Other Action programs are the Peace Corps, Volunteers in Service to America (VISTA), Foster Grandparent Program, Service Corps of Retired Executives (SCORE), Action Corps of Executives (ACE) and University Year for Action.

Meals On Wheels Program Planned

Wheels were set in motion yesterday as a new program, similar to "meals on wheels", received funding to provide one hot meal each of five days per week this fall to elderly persons over the age of 60 in Floyd, Clark and Harrison Counties.

Thelma Bertrand, director of the program, announced that the six meal sites, called Hospitality Centers, in the tri - county area will be (1) Culbertson Ave. Baptist Church, (2) Parkview Towers, (3) Gilt Edge Baptist Church in Clark County, (4) Wall Street United Methodist Church in Clark County, (5) the Community Building in Charlestown and (6) the Christian Church in Corydon.

Food will be catered by Tommy Lancaster's of New Albany. Volunteers are sought for transportation to the recipients needing it. Church groups and some social organizations have already offered their services to the program.

The Hospitality Center program is not an OEO program, but will pick up those eligible when OEO is phased out.

Other services of the Hospitality Center will be Outreach, personal escort, information and referral, health and welfare counseling, nutrition education, shopping assistance and recreation.

Additional Hospitality Centers will be opened during the year.

Ten percent of the Hospitality Center's meals can be delivered to the recipient's home, but the recipient must be incapacitated. Recipients may, but are not required to pay any or all of the $1.15 meal cost, since funding has been obtained for the statewide program.

Nutrition program for aged in Indiana is awarded funds

By HENRY HAMMAN
Courier-Journal & Times Staff Writer

Indiana has been awarded more than $2.25 million by the federal government to establish nutrition programs for elderly people.

The money is the state's share of funds authorized earlier this year by Congress to pay the cost of serving hot meals to people over age 60 who are for some reason unable to feed themselves properly.

State officials expect to be serving a daily meal to 6,000 Indiana elderly by the end of the program's first year. Included in that total are plans to serve about 250 elderly residents of Clark, Floyd and Harrison counties.

Mrs. Ora Lea Wann, project coordinator for the Indiana Commission on the Aging and the Aged, said yesterday that the local program will probably be in operation by Oct. 1.

The three-county program will be operatel by the South Central Council for the Aging and Aged.

Mrs. Wann said the local program is one of eight expected to be in operation within two months.

She said final review of the local projects is expected to be completed in the near future.

Legislation approved last year

The nutrition program is authorized under Title VII of the Older Americans Act. The legislation authorizing the program was passed last year, but Congress only recently provided money to pay for it.

Under the program, local sponsoring agencies undertake to provide a hot meal to elderly persons five days a week. Participation in the program will be open to any person over 60 who could benefit from it by improved nutrition.

Under the federal rules, there is no maximum income for eligibility for the program. Persons with sufficient income to cover all or part of the cost of the meal will be encouraged to pay.

Most of the meals will be served in dining halls, also known as "hospitality centers." At the centers, participants will be offered a number of auxiliary services, including recreation and counselling.

The program is also to provide transportation to and from the centers and transportation for the elderly to grocery stores.

Up to 10 per cent of the meals may be delivered to homes of the infirm.

Mrs. Thelma Bertrand, executive director of the local sponsors, the South Central Council, said yesterday she has been told to expect roughly $90,000 in federal money for the program's first year. She said she has secured about $50,000 worth of local donations for the program.

Mrs. Bertrand said she is now looking for a nutrition director to head up the program. She said the council has also begun accepting applications from prospective participants.

She said six meal sites have been set up to serve the program.

They are:

Clark County — Gilt Edge Baptist Church, Jeffersonville; Wall Street United Methodist Church, Jeffersonville, and Community Building, Charlestown.

Floyd County — Culbertson Avenue Baptist Church, New Albany, and Parkview Towers, New Albany.

Harrison County — Christian Church, Corydon.

Among the other projects expected to be in operation by Oct. 1 are two in Southern Indiana.

One of the regional programs will serve Vanderburgh, Gibson, Posey, Warrick, Spencer and Perry counties. The other is to include Knox, Daviess, Martin, Dubois and Pike counties.

New Festival Contest

A Senior Queen Contest is one of the new events of the Harvest Homecoming this year. In addition to the trophy, she will ride on a beautiful float, in the Harvest Homecoming parade, Oct. 11. She will wear the traditional crown and a lovely red velvet robe. Following the parade, the Senior Queen will attend the reception. She will also be a guest at many of the other Harvest Homecoming Events.

To qualify as a contestant, she must be a resident of Southern Indiana and be 65 years old or older.

Judging will be based on personality, active membership in one or more worthwhile organizations, such as church groups, Red Cross, etc., neatness in appearance, and will be requested to answer a question asked by the Master of Ceremonies. The question will be given to the contestant in advance so she will have sufficient time to think of an answer.

Judging will be October 6, at the American Bank Plaza, at 1 p.m. The contestant is to wear street clothes.

The number of entries will be limited to 15; the first 15 received will be the contestants. Applications must be received on or before Sept. 21.

Entry blanks will be available at the Keen Ages Convention, Saturday, Aug. 11 at Binford Park, at the Harvest Homecoming office, 320 E. Spring St., and the Providence Retirement Home, 701 E. Spring St.

Sister Mary Loyola Bender is Chairman of the Senior Queen Committee. The float is being sponsored by Clarence Ettel, and Elaine McGraq is in charge of the decorations.

Uplifting Program For The Elderly

One of the most difficult problems facing your elderly people is to develop an interest in food and nutrition. As age develops, it becomes a task to cook daily meals, develop an appetite and in some instances, to find company for mealtime.

Floyd, Clark and Harrison Counties have come up with an important answer to this problem and that is a special hot meal program for those over 60.

Six sites have been chosen in the three counties and the food will be catered by one of the best restauranteurs in this part of the country.

The hospitality center will enlist the aid of local churches and benevolent groups and provide escorts, information on health and welfare counseling, and even recreation.

About 10 percent of the meals will be delivered to those who are homebound, the rest will be at the six centers.

We believe this to be one of the most important steps ever taken to give fair, uplifting assistance to the elderly who find themselves abandoned in the onrush of modern times.

We shall be looking forward to the continuation of the program this fall and we hope the community will give its full support.

Dear Thelma —

As you have probably heard, I will be leaving Greenville soon and I am requesting people to return books from my library within this next week. Could you possibly return the books I loaned to you a few months ago? We want to pack them all as soon as possible.

God bless you in your ministry to our elder citizens. We need more people josh like you.

God Bless —

Jim

Dear Mrs. Bertrand,

It looks as if the Council for the Aging & Aged is off to a good start and I commend you and the Steering Committee for your efforts. If circumstances permitted, I would very much like to do my part. Unfortunately, I am not in a position to do so at this time.

There are so many worthwhile projects in the community and I have become committed to a few of them. There is just not enough time for me to take on another one.

However, I want to assure you of my support for the work you are doing, and I am grateful for the invitation to join you. This may be more feasible at some time in the future.

Sincerely,

W. Fred Hale

We are most fortunate that our government is deeply concerned about the needs and problems of its people as they grow older, and is implementing many programs across the country because of this concern. A part of this Grant specifies that this program will be funded only in areas showing an interest in the welfare of others - thus a strong community support is absolutely required.

Many, many volunteers are needed to perform the much-needed supportive services listed by Mrs. Bertrand. Some of you have already volunteered in various capacities, and we are confident that a large number of you, as church women of these three counties, will welcome this new and exciting opportunity to serve the needs of others, in addition to those many acts of love and service now being performed in each community.

I am sure that we will all agree that this new challenge for service presents an enormous task that will require our united efforts to give of ourselves and our time with loving hearts, helping hands and sharing of Christ's love with others. This task would seem impossible of achievement except as we remember that when we "attempt great things for God", we may "expect great things from God". We believe that the potential for enriching many lives through this new program is also enormous, and that each one participating as a volunteer will find it most rewarding (Luke 9:23,24; 1 Peter 2:21; John 13:34,35; Gal. 6:2; Matt. 25:31-40; John 17:21; Eph. 3:20,21).

It will be most helpful if you will make these needs known to your congregation, and encourage their participation in whatever capacity they may wish to volunteer. Some individuals and groups have pledged their support, waiting for the plans to be finalized. (I am assisting Mrs. Bertrand in recruiting volunteers to serve in any one of the supportive services listed by her.) Perhaps some one would act as "recruiter" in your congregation and report to us.

has developed (see enclosed copy of [illegible] 12th), and Mrs. Bertrand has personally presented this project to many of your church groups and other organizations in recent months.

You will note that this program is designed to enrich the lives of people in our community (60 years of age and older) as they share together in a hot, nutritious meal, enjoy fellowship and entertainment, and perhaps learn some crafts. We are most fortunate that our government is deeply concerned about the needs and problems of its people as they grow older, and is implementing many programs across the country because of this concern. A part of this Grant specifies that this program will be funded only in areas showing an interest in the welfare of others - thus a strong community support is absolutely required.

Many, many volunteers are needed to perform the much-needed supportive services listed by Mrs. Bertrand. Some of you have already volunteered in various capacities, and we are confident that a large number of you, as church women of these three counties, will welcome this new and exciting opportunity to serve the needs of others, in addition to those many acts of love and service now being performed in each community.

I am sure that we will all agree that this new challenge for service presents an enormous task that will require our united efforts to give of ourselves and our time with loving hearts, helping hands and sharing of Christ's love with others. This task would seem impossible of achievement except as we remember that when we "attempt great things for God", we may "expect great things from God". We believe that the potential for enriching many lives through this new program is also enormous, and that each one participating as a volunteer will find it most rewarding (Luke 9:23,24; 1 Peter 2:21; John 13:34,35; Gal. 6:2; Matt. 25:31-40; John 17:21; Eph. 3:20,21).

It will be most helpful if you will make these needs known to your congregation, and encourage their participation in whatever capacity they may wish to volunteer. Some individuals and groups have pledged their support, waiting for the plans to be finalized. (I am assisting Mrs. Bertrand in recruiting volunteers to serve in any one of the supportive services listed by her.) Perhaps some one would act as "recruiter" in your congregation and report to us.

<u>Volunteers are asked to call any of the people on the attached list as soon as possible</u>, <u>and we would stress the urgent need at this time for transportation volunteers</u>

We realize that there are many demands upon your time and energies, and will be most grateful for your support and prayers. Thank you and God bless you.

AN URGENT APPEAL -
TO ALL CHURCH WOMEN IN
CLARK, FLOYD and HARRISON COUNTIES -
ALL PRESIDENTS, REPRESENTATIVES and MEMBERS OF WOMEN'S GROUPS:

Enclosed is detailed information from Mrs. Thelma Bertrand, Executive Director of the South Central Indiana Council for the Aging and Aged, Inc., explaining the new and challenging program soon to be implemented in centers in Clark, Floyd and Harrison counties through a grant from the Title VII Nutrition program. Many of you are familiar with this project which has been well publicized as it has developed (see enclosed copy of editorial from New Albany Tribune of August 12th), and Mrs. Bertrand has personally presented this project to many of your church groups and other organizations in recent months.

You will note that this program is designed to enrich the lives of people in our community (60 years of age and older) as they share together in a hot, nutritious meal, enjoy fellowship and entertainment, and perhaps learn some crafts. Some of you have already volunteered in various capacities, and we are confident that a large number of you, as church women of these three counties, will welcome this new and exciting opportunity to serve the needs of others, in addition to those many acts of love and service now being performed in each community.

I am sure that we will all agree that this new challenge for service presents an enormous task that will require our united efforts to give of ourselves and our time with loving hearts, helping hands and sharing of Christ's love with others. This task would seem impossible of achievement except as we remember that when we "attempt great things for God", we may "expect great things from God". Those of us who shared in the Celebration of World Day of Prayer will recall the challenge to be "Alert in our Time" to the needs of those around us; we remember the inspiring challenge of our May Fellowship Celebration to "go with outstretched and useful hands as neighbors, as volunteers, as partners, as servants" in our community "As Hand Touches Hand" reaching out in love and concern. In our World Community Celebration on November 2nd, we will be asking "Where in the World is My Neighbor?", and again be challenged to share Christ's love with others, beginning in "Judea and Samaria" - our own communities.

I am happy to have this opportunity to commend the fine ecumenical witness, fellowship and service of your respective Units under the splendid leadership of Mrs. Frank Hoffman (Clark); Mrs. Kenneth Tuttle (Floyd), and Mrs. A. B. Haggard (Harrison), and they join with me in this appeal for volunteer service. The success of this new program will depend, of course, not only on our united efforts, but on strong united efforts on the part of many people - in our churches, service clubs, and other organizations - to help fill these special needs.

Please enlist the help of as many volunteers as possible among your church group. (We are assisting Mrs. Bertrand in recruiting volunteers to serve in any one of the supportive services listed by her - there is something everyone in your church can do to help - and we will be most grateful for your support and prayers.) Perhaps some one from your group will act as "recruiter" and report to us. Volunteers are asked to call any one on the attached list as soon as possible - and there is an immediate need for transportation volunteers.

As Church Women United "We come together to witness to our faith in Jesus Christ - We go out together to be instruments of His Reconciling Love - We are on our way TOGETHER". May God bless our efforts as only He can do, as we respond to this new challenge to share with others through our Saviour's love and concern.

Sincerely, in His Love and Service,

Frances Quinn

AN URGENT APPEAL -

TO ALL PASTORS in Clark, Floyd and Harrison counties:

Enclosed is detailed information from Mrs. Thelma Bertrand, Project Director of the South Central Indiana Council for the Aging and Aged, Inc., explaining the new and challenging program soon to be implemented in Centers in Clark, Floyd and Harrison counties through a grant from the Title VII Nutrition program. You are no doubt familiar with this project which has been well publicized as it has developed (see enclosed copy of editorial from last Sunday's New Albany Tribune), and Mrs. Bertrand has presented this project to many church groups and other organizations in recent months.

A part of this Grant specified that this program will be funded only in areas showing an interest in the welfare of others - thus, a strong and dedicated community support is absolutely necessary.

We are confident that this support will be forthcoming from many individuals and groups dedicated to service for others who welcome this new opportunity to serve in our community, in addition to those many acts of love and service now in action. Many, many volunteers are needed to implement these much-needed services, and the success of this program depends, not on any one group, but on strong combined efforts on the part of many people - in our churches, service clubs, Church Women United and other organizations - to help fill the needs of this age group.

We all agree that this is an enormous task requiring the concerted efforts of many volunteers to give of themselves and their time with loving hearts, helping hands and sharing Christ's love with others. This task would seem impossible of achievement except as we remember that when we "attempt great things for God", we may "expect great things from God". We believe that the potential for enriching many lives is also enormous and that those participating as volunteers will find it most rewarding. UPLIFTING PROGRAM FOR THE ELDERLY

One of the most difficult problems facing your elderly people is to develop an interest in food and nutrition. As age develops, it becomes a task to cook daily meals, develop an appetite and in some instances, to find company for mealtime.

Floyd, Clark and Harrison Counties have come up with an important answer to this problem and that is a special hot meal program for those over 60.

Six sites have been chosen in the three counties and the food will be catered by one of the best restauranteurs in this part of the country.

The hospitality center will enlist the aid of local churches and benevolent groups and provide escorts, information on health and welfare counseling, and even recreation.

About 10 percent of the meals will be delivered to those who are homebound, the rest will be at the six centers.

We believe this to be one of the most important steps ever taken to give fair, uplifting assistance to the elderly who find themselves abandoned in the onrush of modern times.

We shall be looking forward to the continuation of the program this fall and we hope the community will give its full support.

SOUTH CENTRAL INDIANA COUNCIL FOR THE AGING AND AGED, INC.
1721 Ekin Avenue - New Albany, Indiana 47150
Mrs. Thelma Bertrand, Executive Director (948-9161)

Through a grant from the Title VII Nutrition program, the South Central Indiana Council for the Aging and Aged, Inc., will be serving a hot nutritious meal, once a day, five (5) days a week, to people 60 years old and older, in Hospitality Centers in Clark, Floyd and Harrison Counties.

This is not a welfare program. It is a program designed to enrich the lives of people 60 years old and older, to work WITH the Aging and Aged, and provide needed services. Income is not the determining factor - the income of the people participating will not be questioned.

This is not the "Meals on Wheels" program currently administered by OEO. However, if and when the OEO funding expires, the Council will pick up as many of these recipients as possible. The Council has invited members of the "Meals on Wheels" committee to serve on the Council's Advisory Committee in order to insure a smooth transition from one program to the other.

(COST OF MEAL WOULD DEPEND ON THE ABILITY TO PAY. NO ONE WOULD ASK ABOUT YOUR INCOME. MEAL WOULD BE AVAILABLE TO YOU IF YOU ARE ABLE TO PAY ONLY A PART OR NONE OF THE COST. THIS INFORMATION WILL BE KEPT CONFIDENTIAL)

SERVICES THAT VOLUNTEERS MAY PERFORM:

1 - Transport recipients to and from meal sites (Hospitality Centers)
Take to Center - around 11:00 AM
Take home - around 2:00 PM (Some may want to go home following meal)

2 - Help - set up and remove tables and chairs - serve food - wash dishes

3 - Assist in tabulating number of people, and money received

4 - Help to provide entertainment and/or teach crafts

5 - Provide escort service - to groceries, doctor's offices, etc.

MEALS WILL BE SERVED AT NOON, 5 days a week (catered by Lancasters)

WHEN: We anticipate starting this program early in October

Special nutrition program for the elderly to begin at the Corydon Christian Church

Are you over 60 and would like a hot nutricious meal every day at noon cooked and served to you by someone else? Then the new program for the elderly which begins October 8 is for you.

Judge Eugene Feller announced this week that "A special nutrition program for the elderly will begin on that date at the Corydon Christian Church."

The hot meals will be served every day at 12 noon, five days a week. People 60 years of age and older are invited to participate in the program. Income will not be a factor. If the recipient is able to pay for all or any part of the meal this money will be used to expand the program, explains Judge Feller.

If the 60 year or older is not able to pay, they are the most eligible and encouraged to come.

A hot cooked meal isn't all those who take part will receive with the meal. They will be offered the opportunity for such things as outreach, transportation, personal escort, information and referral, health and welfare counseling, nutrition education, shopping assistance and recreation.

The meals program is part of a Title Seven Grant to the South Central Indiana Council for the Aging and Aged, Inc. which includes the counties of Harrison, Clark and Floyd. Mrs. Thelma Bertrand is Executive Director. The main office is located at 1721 Ekin Avenue in New Albany.

Harrison County is represented on the Board of Directors by Mrs. Judy Fieock of the OEO office. Mrs. Velda Wolfe, Welfare Director Allan Finkbiner and Mrs. Katherine Brandenburg are members of the Advisory Committee. The Title Seven Advisory Committee is represented in Harrison County by Mrs. Sam Byerly, Mrs. Helen Haggard, Jack Washburn, Rev. Ellis Cowling and Lt. Col. Aillene Ehalt (USA Ret.).

The idea of providing a hot nutricious meal to those who have difficulty in preparing their own meals either because of health or may be they just don't know how to cook or peraps their income restricts them, came as a result of a survey relating to the needs of older people.

As the program develops 10 percent of the meals allotted to Harrison County can be served in the homes, for those who can not travel to the Corydon Christian Church.

All meals will be prepared by Tommy Lancaster's Catering Service in New Albany and brought to Corydon in special containers that will keep the food hot until it reaches its destination.

ANYONE SIXTY YEARS OR AGE OR OLDER who wishes to participate in the "hot meal program" is asked to contact Mrs. Fieock (Fee-ock) at the Community Action Center, phone 738-4291. (Listed in the phone directly under Government—U.S. Lincoln Hills Development Corp.)

Volunteers of all ages are also needed to aid the success of the program. Food servers, transportation for those wanting to come out to dinner, and assistance in the supporting services, are needed. Volunteers should contact Mrs. Fieock or any member of the Advisory Boards listed above.

Reservations for dinner must be phoned into the Caterer by 2 p.m. the day preceding the meal, so if you are 60 or older, and would like to eat out with many other friends contact local council members, names listed in preceding paragraphs, before 2 p.m. Friday, October 5.

At the present time 51 people will be offered the hot meal service. "However," says Executive Director Bertrand, "for every 2.5 people that pay or donate to the dinners another can be added to the food program."

To have a meal out each day is not obligatory, said Mrs. Bertrand. A person can come one or two days and miss the rest if they like; no one has to come every day. No one has to remain and join in the various programs that will be offered after the meal, says the Executive Director. "We are interested in providing older people with the opportunity for a well balanced nourishing meal at a price and place they can afford. We have already found it is a great way to help stretch the older person's income and to chase loneliness and the feelings of rejection from their lives."

The community is urged to help develop the program. The Title Seven guidelines stress that if the community is interested in helping residents in their own area, the government is willing to lend a helping hand in starting the program.

Mrs. Bertrand also says that as the program develops one or two telephone numbers will be designated (according to who volunteers) as Reservation Phones so that wanting to have dinner out will have only those numbers to remember.

Over 60's are urged to make their reservations for dinner now. +

To Discuss The Aged

Thelma Bertrand, project director for South Central Indiana Council for the Aging and Aged, Inc., will address the American Baptist Women at 11:30 a.m. Thursday, Sept. 13, at Culbertson Ave Baptist Church.

The meeting will include a covered dish luncheon and a period of discussion on aging.

Mrs. Bertrand a New Albany resident and mother of two, has held her present post since January. She was previously director of public relations and advertising for Weight Watchers, Inc. Mrs. Bertrand has been a Harvest Homecoming vice president each year since 1969 and is on the advisory board of the Salvation Army here. She is the wife of Paul Bertrand.

The Golden Knights, with an average of over 1,000 jumps per man, are among the finest parachutists in the world. The nine officers and 44 enlisted men on the team are first and foremost professional soldiers. Most team members began their jumping careers in the Army. Many began their military careers by contacting an Army representative.

GOLDEN KNIGHTS AT A GLANCE

— Formed in 1959 at Fort Bragg, N. C., "Home of the Airborne," as the Strategic Army Corps Sport Parachute Team with 13 members.

— Renamed the U. S. Army Parachute Team and designated the Army's official demonstration unit two years later.

— Adopted the nickname, "Golden Knights," in 1962.

— Enlarged to a strength of 46 men in 1963 and to its approximate current authorized strength of 53 in 1972.

— Team is organized into two demonstration units, a competition squad, a research and development section, an aviation section (with three aircraft, plus pilots and crew), and other support elements performing administrative, operations, supply, public information and photographic duties.

— Team missions are to promote Army prestige, reenlistment, community relations and recruiting in support of a Modern Volunteer Army, to provide a nucleus of highly skilled free-fall parachutists for demonstrations and national and international competition, and to conduct research and development in new parachuting techniques and equipment.

— Only the finest parachutists and soldiers in the Army are selected for the team. To be considered for an assignment, an applicant must be a volunteer, be a member of the Regular Army, be a qualified military parachutist, hold a Class D international parachuting license (requiring a minimum of 200 free-fall jumps), have an outstanding record, personal and military, and successfully complete a 90-day tryout period.

— The road to the free-fall world of the Golden Knights can begin with a visit to an Army representative. Some of the team members started jumping in the Army while attending Airborne Training School. All have experienced the pride of serving with an Airborne unit. Military sport parachute clubs provide the facilities necessary for both fun and advanced jumping. The Golden Knights represent the very best of the many parachutists in the Modern Army.

RESEARCH and DEVELOPMENT

The Golden Knights, with skill acquired through more than 100,000 jumps, are called on to test new parachuting techniques and equipment. Several sophisticated parachutes and other types of airborne equipment owe their development in part to the Golden Knights, as do numerous other pieces of parachuting equipment. The para-foil (upper photo), newest of the revolutionary canopies is actually more of a glider than a parachute in the conventional sense. It has a forward speed of up to 25 m.p.h. or more and is highly maneuverable. The para-wing (lower photo) is a glider-type canopy whereas the Para-Commander is a highly modified conventional design. Both are highly maneuverable. The para-wing has a forward speed of up to 15 m.p.h., the Para-Commander, up to 12 m.p.h.

The Golden Knights assisted in the adaptation of free-fall techniques to the military operational tactic of aerial infiltration of small units from aircraft flying so high they can be neither seen nor heard from the ground.

Council for the Aging gets $112,320 for a three-county nutrition program

The South Central Council for the Aging and the Aged has been awarded $112,320 to establish a nutrition program for elderly people in Clark, Floyd and Harrison counties.

The grant represents the council's share of $2.5 million in federal money alloted to Indiana for programs to feed people over 60 who are for some reason unable to feed themselves properly.

Mrs. Thelma Bertrand, council executive director, said today the three-county program will begin meal service at six sites on Oct. 8.

Mrs. Bertrand also announced the appointment of Mrs. Mary Lukemeier as nutrition director for the program.

Mrs. Lukemeier, of Jeffersonville, is a graduate of the University of Louisville. She holds a bachelor degree in home economics.

The grant for the nutrition program specifies the local program must serve a minimum of 288 hot meals daily. Mrs. Bertrand said about 200 persons have already signed up to participate. Applications for the program are still being accepted, she added.

Under the program, the council will undertake to provide a hot meal five days a week to elderly folk.

The meals will be served at meal sites, also known as hospitality centers. Up to 10 per cent of the meals may be delivered to shut-ins.

Mrs. Bertrand said, there will be no charge imposed for the meals. however, she said, there will be a suggested fee of 50 cents for meals.

The cost of each meal is estimated at $1.15.

Under the federal rules, there is no maximum income for eligibility under the program.

The program will offer transportation to and from the meal sites.

Locations of the meal sites are:

Clark County—Gilt Edge Baptist Church, Jeffersonville; Wall St. United Methodist Church, Jeffersonville, and Community Building, Charlestown.

FLOYD COUNTY—Culbertson Avenue Baptist Church, New Albany, and Parkview Towers, New Albany.

Harrison County—Christian Church, Corydon.

Mary Lukemeier named Title Seven Nutrition Director

"We are delighted to have Mrs. Mary Lukemeier as our Title Seven Nutrition Director," said Thelma Bertrand, executive director of the South Central Indiana Council for the Aging and Aged, Inc.

Mrs. Lukemeier assumed her new job Friday in New Albany. She and her husband, Louis, and their small boy live in Clarksville.

The council announced plans last week for a hot meal program for the elderly which will start Oct. 8 at the Corydon Christian Church. Meals will be served at noon each weekday.

Elderly persons who have indicated they wish to participate in the program will be contacted this week. Those who want to participate can contact Mrs. Lukemeier at 1-948-8873. She is in charge of the six meal sites in Harrison, Clark and Floyd counties. The total number of people to be served must be known by 2 p. m. the day before the meals are served.

Reservations for the first day, Oct. 8, must be turned in by Oct. 5, due to the weekend. The meals will be catered by the Tommy Lancaster Catering Service of New Albany.

Cost of the meal will be determined by each recipient. Recipients will be given envelopes and they will pay what they can afford.

Mrs. Bertrand explained that this is not a poverty program. People in all income brackets are encouraged to come and enjoy the fellowship of eating together and the other "supporting" services. The only stipulation is that participants must be 60 or older.

Transportation to and from meal sites will be provided whenever necessary.

Also included in the service will be trips to groceries, shopping center and other points of mutual interest. Entertainment and crafts will be provided. Participants will help plan programs.

Church Women United in the three-county area has volunteered to assist with transportation. Some church buses may be used. Mrs. Frances Quinn, chairwoman of Area Two Church Women United, is chairwoman of the volunteer services for the nutrition program. Those who would like to volunteer as drivers or assist in serving meals should call Mrs. Quinn at 1-945-7566, or in Harrison County, Mrs. Helen Haggard, 738-3139; Lt. Col. Alliene Ehalt at 738-4679 or Mrs. Hazel Zenor 738-2491.

Workshop Scheduled For Oct. 4

Robert Maze is the director of the Retired Senior Volunteer Program (R.S.V.P.) at 1721 Ekin Avenue, New Albany. One of the program's many projects is to start a workshop at the First Church of God, Jeffersonville, on October 4. The purpose of the workshop is to give people 60 years of age and older an opportunity to get together and share their interests and hobbies.

"The first Jeffersonville workshop for the Retired Senior Volunteer Program will start on Thursday, October 4 at the First Church of God, 999 East Ninth Street, Jeffersonville," stated Bob Maze, R.S.V.P. director. The workshop will start at 10:00 a.m. and continue until 3:00 p.m.

"These workshops will be operated throughout Clark and Floyd Counties and we hope to include all of the towns, such as Charlestown, Sellersburg, Speed, Georgetown, Greenville and others within the next two months."

The purpose of these workshops is to give people 60 years old and older an opportunity to get together, socialize and share their interests and hobbies. Favors for hospitals and nursing homes, walker bags, lap robes, pictures and other items will be the major thrust of this program.

The community will have an opportunity to be a part of this program, Maze explained. Scraps of polyester material to be used for patch work pillows and lap robes will be needed. Old sheet blankets for linings of the lap robes, pieces of backing and yarn for tacking will also be needed. Christmas and greeting cards and other craft materials could be utilized.

Seniors, both men and women, interested in enjoying the fellowship of the program should call Bob Maze at the R.S.V.P. office, 948-8330.

Anyone who has supplies which can be used may call the same number and arrangements will be made for pick-up.

"The RSVP program is one of the many programs Southern Indiana plans to bring to the Senior Citizens in an effort to enrich their lives and also give others the benefit of their experience and talents," states Maze.

Senior-citizen activities to highlight New Albany Harvest Homecoming

By WILLIE RIDDLE
Courier-Journal & Times Staff Writer

This year's sixth annual Harvest Homecoming in New Albany will feature new activities for senior citizens as well as the traditional pumpkin-judging contest, the pumpkin-baking contest, and a horse show.

Included in this year's annual celebration, which begins tomorrow and runs through Oct. 14, will be a senior queen contest and a senior citizens amateur hour.

"We tried to add more things to include our senior citizens. We did this to make the homecoming enjoyable to everyone from the kids on up," said Karen Howell, vice-president of Harvest Homecoming executive board.

Ms. Howell said that the homecoming committee has received a good response from senior citizens in the area and she added that 17 persons had already signed up for senior queen contest.

According to Ms. Howell, they are expecting more than 225,000 people from New Albany and the metropolitan Louisville area to attend the week-long harvest festival.

The festival will include several new events, including a junior jump tower for youths 6 to 16 years old that will allow them to simulate the effect of jumping from an aircraft and opening the parachute, she said.

Other attractions include a parade, a beauty pageant, tours, a haunted house, a car rally and a kids' dog show.

The schedule for the homecoming follows:

Tomorrow: Grand opening ceremonies, 10 a.m. and pumpkin-judging contest, 10:30 a.m., both at the American Bank parking lot, Pearl and Spring; horse show, 4-H Fairgrounds, 9 a.m.; senior queen contest, 1 p.m. at American Bank parking lot; twirling contest, 2 p.m., Union National Bank, 400 State St.

The festival committee said the schedule is subject to changes and additions.

THAT'S THE CROWN—Contestants in the Senior Queen contest for Harvest Homecoming got a sneak preview of the winner's crown recently. Displaying the tiara was Sister Mary Loyola Bender, SP, director of Providence Retirement Home and chairman of the contest. By this printing, the queen will have been named. Contestants were required to be 65 years or older, residents of southern Indiana and involved in one or more "worthwhile" organizations.

Senior Citizens To Enjoy Homecoming

Special plans have been made in this year's Harvest Homecoming to include the Senior Citizens of Floyd County in a big way. According to Thelma Bertrand, vice - president of this festival, a wide variety of activities will recognize and involve the older citizens of our community. Four main events have been designed for the Senior Citizens. These include a Senior Queen Contest, and outing to the Golden Knights free fall parachute demonstration, the Senior Citizens Amateur Hours and the Senior Photo Contest.

Some 17 lovely senior ladies will vie for the title of Senior Queen Saturday, Oct. 6 at 1 p.m. on the stage at the American Bank parking lot. The lady chosen queen will take home a trophy and a crown. The queen and the two runners up will ride a float in Thursday night's parade and reign over the senior activities during the nine-day festival.

A caravan of seniors will travel to Community Park Wednesday, Oct. 10, for a noontime picnic provided by Famous Recipe Chicken. Following lunch, they will have front row seats for the Golden Knights free fall parachute demonstration. Transportation will be provided. To make sure they have a ride and lunch, they should please call The Council for the Aging, 948-8330.

Photos of great-grandchildren taken by the proud great-grandparents will be on display at Russell's Camera Shop, 216 Pearl St., during the celebration days. Judges will award trophies for the best color and the best black and white photographs. First, second, and third place ribbons will be given to all other entries.

Fun and frolic will be he theme on Saturday, Oct. 13 from 1 to 4 p.m. when the Senior Citizens Amateur Hours will take place on the American Bank lot. These hours will be filled with music and entertainment by a variety of bands, square dancers, The Keenage Choir, The Senior House Band from Louisville, some Old Fashioned Fiddlin', and Harry Stocksdale at the piano. There's plenty of time for others who migh be interested in hsaring their talents. Call Mr. and Mrs. Edgar Murphy at 944-2588 if you'd like to get in on the fun.

Celebration in fourth day

Two queens rule at Harvest Festival

With two queens to reign over festivities, New Albany's sixth annual Harvest Homecoming celebration moves into its fourth day today.

Miss BeLinda Orsburn of the Old Town Village Apartments, Clarksville, was selected Harvest Homecoming Queen. Miss Orsburn is a service station attendant in New Albany.

First runner-up in the contest was Miss Debra Ford, of Floyds Knobs. Tied for second runner-up were Miss Vickie Heeb, 84 University Woods Dr., New Albany, and Miss Deena Walts, 606 Mills Lane, New Albany.

Mrs. Flora Brown, 70, of 1611 Shelby Place, New Albany, was named senior Harvest Homecoming queen on Saturday.

Both queens will ride floats in the Harvest Homecoming parade through downtown New Albany on Thursday.

The parade starts at 6 p.m. This year's theme is "Education A to Z."

Other highlights of the week include:

Today: Free-fall parachute demonstration by the Gold Knights team of the U.S. Army at 6 p.m. in Community Park.

Tomorrow: Parachute demonstration at 1 p.m. in Community Park. Celebrity concert, featuring Ray Stevens, at 8 p.m. in the New Albany High School gymnasium.

Thursday: Parade at 6 p.m.

Friday: Businessman's luncheon and style show at noon at the Robert E. Lee Inn. Blue Grass Music Night featuring the Bluegrass Alliance at 8 p.m. on the stage in the American Bank parking lot.

Saturday: Harvest Costume Ball at 9 p.m., in the Robert E. Lee Inn ballroom.

Sunday: Hymn sing from noon to 3 p.m. on the stage of the American Bank parking lot.

Throughout the week a midway is operating in downtown streets. The midway is open from 5 p.m. to 10 p.m. every day except Friday and Saturday when it opens at 9 a.m. and closes at 10 p.m. and Sunday, when it opens at noon and closes at 5 p.m.

THE SENIOR HARVEST HOMECOMING QUEEN AND HER COURT pictured, from left, are Lilly Speier, second runner-up, Louise Gibson, first runner-up, Flora Brown, 1973 Senior Queen, and Jerry Fordyce, master of ceremonies who presented the ladies at the competition held in New Albany on Saturday.

THE SENIOR HARVEST HOMECOMING QUEEN is Flora Brown, left, of New Albany being presented her trophy by Jerry Fordyce, master of ceremonies. The contest is a new attraction this year for all Southern Indiana ladies 65 years of age or older. The queen was crowned during ceremonies held in New Albany on Saturday afternoon.

A large crowd gathered to watch the Senior Harvest Homecoming competition held in New Albany. The event was one of many scheduled for the week-long festivities at the annual Harvest Homecoming celebration.

find out what you think of the church; find out what you like about it; find out what you hope it will do in the future. All this is going to be painless. Fun, in fact. We are going to find out all these things by eating together. And by singing fun songs, led by Gary. And by talking together, not all at once, but all in small groups. Brainstorming, and like that. o you be here, Sunday evening at six, and you have fun, and you will help.

HEY, THE SENIOR HIGH will share in a bonfire party at Cook Memorial, October 20. Thing to do is to come to church at 7 in the P.M. and go over there together. (And don't forget there's no regular meeting on the 14th. It's to the Congregational Dinner instead.)

DID YOU REMEMBER about the Nice Lady who has the room for rent? Well, you let the church office know the name of any prospective renter. Or let the renter know, and have him call the Office. Or figure out some other way to get us together.

ANOTHER ADV. says Please save your Campbell Soup labels. These may be used to get free audio-visual aids for elementary schools. The offer is good until December 1. So bale 'em up, and send them to Mrs. Mary Elaine Shean, 630 Kewanna Drive, here in Jeff.

DID YOU KNOW THAT the Feeding has begun? You remember, the serving of meals to folks: folks older than they used to be, older than 60; folks who maybe aren't in as big families as they used to be, like maybe folks living alone; folks who would enjoy a good, hot, noontime, catered meal; folks who maybe can pay 50¢ more or less for that meal; folks who would like to put their money in an envelope and it's nobody's business how much they pay for that good, hot, etc. meal. Five meals a week, Mon-Fri meals, and you need to call the office a day or so ahead if you want to come eat, and you need to call the office if you need transportation, and you need to call the office if you can help with transportation, and you need to call the office if you can't make sense out of what you have just read. Nonetheless, the Feeding is a great thing, and if you qualify age-wise, you can Get In On It.

Program opens to provide meals for the aged in three counties

By HENRY HAMMAN
Courier-Journal & Times Staff Writer

A three-county program aimed at improving nutrition among elderly people got under way yesterday, and while there were some opening-day hitches, officials of the sponsoring agency said they were pleased with results.

The program, sponsored by the South Central Council on the Aging and the Aged, provides a hot noon meal to people aged 60 and over who are unable to feed themselves properly.

The meals are provided at six different locations in Clark, Floyd and Harrison counties.

Financing for the program is supplied by a $112,320 federal grant from the Department of Health, Education and Welfare.

The local program is one of the first in Indiana to start operation.

Mary Lukemeier, the program's nutrition director, said today she is pleased with yesterday's start.

"For the first day, it went beautifully," she said.

She estimated that from 160 to 180 meals were served in the six meal centers. Additionally, about 30 meals were delivered to persons who are unable to travel to the centers.

Within three months, the program has a goal of serving 288 meals daily, with about 10 per cent of the total delivered to homes.

Mrs. Lukemeier said she anticipates no problems in reaching, and possibly exceeding the goal.

She said within the next week she hopes to begin social programs in conjunction with the meals, as well as providing weekly trips to grocery stores for participants.

Mrs. Lukemeier said there were some minor problems with the first day's operation, including a mixup at one meal center about the cost of the meals.

There are no financial requirements for participation in the program, but participants who can do so are asked to contribute to the cost of the meals.

Volunteer drivers are used to transport participants to the meal centers. Thelma Bertrand, council director, said about 10 volunteers aided in transportation yesterday.

FIRST IN STATE — Monday, The Floyd County Council for the Aging became the first in the state to serve a hot meal to Floyd, Clark and Harrison County elderly. The hot meal program is funded in four areas of the state, but the tri-county area is the first to actually serve the meal. Enjoying their first hot meal from left are Gertrude Scharf, Gertie Sloan, executive director of the New Albany Housing Authority Don Willis, Lena Mallory, Luta Elmore, and Harlan Mayfield, tenant service director for New Albany Housing Authority. The meal was served at Parkview Towers and Culbertson Ave. Baptist Church yesterday and every day, along with several other sites. An estimated 206 meals were served in the tri-county area. The South Central Indiana Council for the Aging and the Aged held its first daily luncheon series at the Wall Street United Methodist Church, Jeffersonville. It is one of six locations in Clark, Floyd and Harrison Counties and the second location in Jeffersonville; the other is at the Gilt Edge Baptist Church. The Wall Street Church plans to feed fifty people per day. Pictured, from left, first row, are Ann Morris and Agnes Deuser; second row, Rev. Emerson Abts, pastor, Ann Akhurst, site director, Mary E. Shannon, secretary of the council, and Rep. Richard Wathen.

Aging and Aged may now receive hot meals daily

The first serving of the not meals for the Aging and Aged was served Monday, October 9 at the McCampbell St. Community Building.

These meals will be served daily at this location and are catered by Tommy Lancaster Catering Service.

The recipient of the meal determines their own ability as to what to pay. They may pay all of the cost or part or none. No one else will know what they have paid for their meal.

This is not a poverty program, the Title VII Nutrition Director, Mark Lukemeier, is aware that many elderly people do not prepare themselves an adequate meal each day; therefore these means have been established to provide them a balanced meal.

Transportation is provided and it is hoped that all citizens 60 years of age and over will take advantage of this opportunity for food and fellowship.

If you wish to be served at these meals call Mrs. Lukemeier, 948-8873. +

Serve First Week Of Hot Meals For Elders

The Hospitality Centers at Culbertson Avenue Baptist Church and Parkview Towers have successfully completed their first week of furnishing hot meals and social services to persons 60 years old and older.

The federal government is offering the program as a result of a survey on the needs of older people. Results indicate that some do not eat adequately because they lack the knowledge or skills to select and prepare nourishing and well balanced meals, have limited mobility, have feelings of rejection, or a restricted income

This is not a poverty program but rather an enrichment program for people 60 and older. People in all income brackets are encouraged to come and enjoy the fellowship of eating together and the other supporting services.

Lancaster Catering Service is charging $1.15 for each meal; however, the cost to the recipients is determined by their ability to pay. They may pay all, any part of $1.15 or none, if they are unable to do so. The income received for the meals will be used to increase the number of recipients that can be served. For example, for every two people who pay, another person can be added to the program. Each recipient will be given envelopes in which to put the amount they can afford to pay.

A schedule of social activities is planned from ideas submitted by the recipients. Included in the service will be trips to groceries, shopping centers and points of interest. Entertainment and crafts will be provided. One paid Hospitality Hostess will coordinate all activities, but the participants will plan their own programs.

Anyone 60 years old or older who would like to join in the fellowship of eating with friends and acquaintances may call the Hospitality Hostess or the Church before 12 noon the day before they wish to be served. The Hospitality Hostess for Culbertson Avenue Baptist Church (944-2738) is Mrs. Florence Baker (945-2852) and for Parkview Towers (945-6653) is Mrs. Newkirk (945-9074).

Transportation will be provided to and from the meal sites whenever necessary.

Church Women United have volunteered to assist in the transportation as well as churches through donation of the use of their buses .Frances Quinn, Chairman of Area 2 Church Women United in Indiana is chairman of volunteer services for the Title VII nutrition program.

Those wishing to volunteer as drivers or to assist in serving at the sites are requested to call Mrs. Quinn (945-7566) or Velsie Tyler 944-6231, Betty Tuttle 944-3315. Volunteers for transportation, serving meals, entertainment and crafts are needed.

Hospitality Centers Serve Elderly Persons

The Hospitality Centers at Gilt Edge Baptist Church and Wall Street United Methodist Church have completed their first week of furnishing hot, nutritious meals and social services to persons in the area 60 years of age and older.

The federal government is offering the program as a result of a survey on the needs of the elderly, according to Mrs. Caroline Wells and Mrs. Ann Akhurst, hospitality hostesses of the two churches. Results of the survey indicated that some persons do not eat adequately because of the lack of knowledge or skills to select and prepare nourishing and well-balanced meals, the hostesses pointed out. "Other reasons include limited mobility, feelings of rejection or restricted incomes," they noted.

A catering service charges a nominal fee for the meals but the cost to the recipients is determined by their ability to pay. In some instances, the recipient pays the full charge and in others they pay no money at all if they are unable to do so.

"Any person 60 years of age or older who would like to join in the fellowship of eating with friends may call the hospitality hostess or the church before noon the day before they wish to be served," Mrs. Wells stated.

Church Women United have volunteered to assist in the transportation in addition to churches which are offering the use of their buses. Volunteers are needed for transportation, serving meals, entertainment and crafts, according to the hostesses.

Volunteers are asked to contact any of the following: Frances Quinn, Catherine Richardson, Alberta Graves, Mary Sanders, or Norma Roth.

The menu schedule for the remainder of the week is as follows: Thursday—Spaghetti with meatballs, green beans, tossed salad, fruit gelatin and milk; Friday— Breaded fish with tartar sauce, brown potatoes, cole slaw, cake and milk.

Hot lunch program for elderly begins despite holiday mix-up

Bob Maze said, "The first days of everything. . .they can be kind of rough."

Maze, program director of the Retired Senior Volunteer Program (RSVP), in Clark and Floyd counties, made the comment Monday at noon when about 27 elderly persons were waiting quietly for the first hot meal to be served at the Corydon Christian Church.

The meal was about 20 minutes late in coming and not all the volunteers were there to help serve at the first day of the new program sponsored by the South Central Indiana Council for the Aging and Aged.

The mix-up developed when the fellows driving the van to Tommy Lancaster's Restaurant in New Albany miscalculated on how much time it would take to bring the food here and because Monday was officially Discovery Day, a holiday for some organizations and officials.

Enjoyed socializing

But none of the people over 60 who showed up were unhappy or upset. Everyone enjoyed the chance to socialize and Maze entertained the group with pleasant chatter.

Mrs. Jewell Conrad, the meal site hostess, said some volunteers responded immediately when she called them on the telephone.

The meal Monday consisted of green beans, carrots and goulash (macaroni, beef and tomatoes). Asked how the food tasted, the folks said, "Wonderful!" "Everything is delicious." "Just fine. Just delicious."

Each meal costs $1.25, but those who participate in the new program operating in Harrison, Floyd and Clark counties, are encouraged to pay according to their financial ability. The suggested fee, which was posted on the wall, was 50 cents.

Another reason why things didn't operate as smoothly as possible on the first day is that "No one has been involved in this program before," Maze said. It's a new program, the first nutrition program in the state, authorized only last summer when President Nixon signed a bill for a Title Seven grant. Mrs. Mary Lukemeier of Clarksville is the nutrition director in the three-county district.

Maze said the nutrition program was accepted unchanged by the federal government because of the "tremendous community support" shown in Harrison, Floyd and Clark counties.

Those interested in participating can call Mrs. Helen Haggard at 738-3139, Lt. Col. Alliene Ehalt at 738-4679, or Mrs. Hazel Zenor at 738-2491. Meals are served at noon Monday through Friday. Transportation can be arranged.

NEW HOT MEAL PROGRAM HITS THE SPOT....

HOT MEAL PROGRAM . . . . The hospitality Center at Charlestown Community Center has successfully completed their first exciting week of serving hot nutritious meals and social services to persons 60 years old and older. This is not a poverty program but rather an enrichment program for people 60 and older. People in all income brackets are encouraged to come and enjoy the fellowship of eating together and the other supporting services. Lancaster Catering Service is charging $1.15 for each meal; however the cost to the recipients is determined by their ability to pay. They may pay all, any part of the $1.15, or none, if they are unable to do so. The income received for meals will be used to increase the number of recipients that can be served. For example, for every two people who pay, another person can be added to the program. Each recipient will be given envelopes in which to put the amount they can afford to pay. A schedule of social activities will be planned from ideas submitted by the participating recipients. Included in the service will be trips to groceries, shopping centers and points of interest. Entertainment and crafts will be provided. One paid Hospitality Hostess will coordinate all activities, but the participants will plan their own programs. Anyone 60 years old or older who would like to join in the fellowship of eating with friends and others may call the Hospitality Hostess or the community center before 12 NOON the day before they wish to be served. The Hospitality Hostess for the community center (256-3261) is Mrs. Kathy Calhoun (256-5423). Transportation will be provided to and from the meal sites whenever necessary. Church Women United have volunteered to assist in the transportation as well as churches through donation of the use of their busses. These churches are Charlestown Church of God, First Baptist Church, Pleasant Ridge Baptist Church, North Charlestown Church of God and the First Christian Church. Pleasant Grove United Methodist Church is assisting by providing coffee, an item not provided in the budget. Shown above enjoying their lunch are L.B. Voice Of The People

Dear Editor,

I read your editorials daily and I have one I think you can use. It's the wonderful work the people of the Culbertson Ave. Church is doing by having one hot meal per day, served by women who make you feel at home.

Few know how hard it is to prepare a hot meal for one and to eat it alone until it hits home. I'm sorry my church turned this wonderful thing down when they had a chance to do it. Hats off to the Culbertson Avenue Church.

Senior Volunteer Program Expands

The Retired Senior Volunteer Program (RSVP) is continuing to expand its service to the New Albany area. Working under anACTION grant through the South Central Indiana Council for the Aging and the Aged, RSVP has nearly 20. senior volunteers serving in four volunteer stations in the community.

The Downtown Neighborhood Council Kindergarten enlisted the help of one volunteer this past Friday. Mrs. Helen Pearson offered her sévices to enhance the music program of the kindergarten. Mrs. Jo Davis, Director of the DNC Program said, "This is a tremendous help to the work with our children." Other senior citizens can be used to help in the kindergarten program.

The Title VII Nutrition Program uses the help of many senior volunteers. RSVP volunteers are serving at the Parkview Towers and Culbertson Avenue Baptist Church meal sites. Their help includes registering meal recipients, setting tables, serving meals,and clearing tables.

A workshop at the Ekin Avenue Recreation Center held its second session Friday. At these workshops, senior volunteers make items to be shared with local nursinghomes, shut - ins, and other places of need.

Anyone 60 years old or older may become anRSVP volunteer There are many areas of service where the talents of senior citizens may be used. For information, contact Bob Maze, RSVP director at the RSVP office, 948-8330.

Senior Citizens hold monthly luncheon meeting at the Speed Memorial Church

There were 84 senior citizens seated around the luncheon tables for their meeting on October 24.

This was a near record crowd and it taxed the capacity of the room in the Speed Memorial Church where the group has been meeting since its organization over ten years ago.

Twelve members were on the October birthday list but only seven were present to celebrate. They were Mrs. Wilma Girt, Mrs. Florence Couch, Mrs. Ola Vincent, Mrs. Mary Emma Van Pelt, Mrs. Flora Schafer, Mrs. Kate Amos and Mr. George Briner.

Their ages ranged from 69 to 84 and averaged 79.

Mr. Briner had his two sisters with him as guests. They are Mrs. Edna Briner Montgomery of California and Mrs. Doris Briner Dean of Jeffersonville. Mrs. Doris Ambron was a visitor from Louisville. William Jones, now living in Clarksville, was visiting for his second or third time and will be a new member. He is a cousin of Raymond Dougherty, a regular member of the group.

In addition to the 84 members there were three guests seated at the table. They were Rev. Aloysius A. Barthel, pastor of the St. Paul Catholic Church; Rev. Raymond C. Kuhlenschmidt, pastor of the host church and Mr. Richard Akers, Director of Business Affairs for the Better Business Bureau of Greater Louisville.

Father Barthels led in the period of devotion following the birthday celebrations.

He read from the 12th chapter of Acts the interesting story of Peter's deliverence from prison and certain execution and how he surprised his many friends gathered to pray for his release. He took for his subject, "Friendship and Joy in Service".

Peter had joy in service despite the terrible persecution he had to face and he had friends who were not afraid to stand by him in the face of Herod's determination to destroy him. Mr. Akers was the speaker for the afternoon session which followed the luncheon break.

He talked about the many pitfalls that await the unsuspecting citizens, especially the older citizens.

He delt especially with the problems that come at this season of the year when there are many unscrupulous, itinerant repair men who come to your door and offer a free inspection of your furnace or your chimney. Inspections that are not free because they always lead to a big, unnecessary and costly repair job. He talked about the misleading and often times dishonest magazine sales people.

The strangers that come to your door seeking contributions for some charity. He said some of these off beat charity drives are designed pirmarily to line the pockets of the people running the drive.

He said frequently the drive promoters get as much as 75 percent of the take and in one case that was called to the attention of the B.B.C. the promoters took 95 percent.

In speaking to the Senior citizens he said, "The Better Business Bureau is your bureau and we welcome your call for information." He urged his hearers to call the Bureau before they sign a contract or close a deal and ask for a report on the people seeking their business.

He said nine out of ten of the 250 to 300 calls they get every day are from people seeking information before they buy.

He said they also try and help people that either think they have been, or have been gypped by some unscrupulous deal. And they are successful in about seven out of ten cases.

The Bureau is a non-profit organization supported by 1457 business people who are anxious to keep the reputation of merchandising and charitable solicitation above reproach.

In addition to those already mentioned the following were in attendance at the meeting:

Mrs. Emma Riggle, Mrs. Lena Waiz, Mrs. Minnie Broady, Mrs. Ruby Kuhns, Mrs. Esther M. Stouffer, Mrs. May McBride, Mrs. Maggie M. Tobin, Mrs. Gladys Harris, Mrs. Bertha Walker, Mrs. Martha A. Vest, Mrs. Goldie Osborne, Mrs. Dora Gray, Mrs. Margaret Mayfield, Mrs. Alberta Harrell, Mrs. Martha Vandevert,

Mrs. Myrtle Amos, Mrs. Blanche Rogers, Mrs. Maude Halme, Mrs. Mollie J. Crouse, Mrs. Erma Amos, Mrs. Emma C. Kranz, Mrs. Georgia Phillips, Mrs. Margaret I. Murphy, Mrs. Rose Ashabranner, Mrs. Mona Merry, Mrs. Hazel M. Hecker, Mrs. Alice Beck, Mrs. Mary Bedell, Mrs. Emma Weibel, Mrs. Lizzie Richardson, Mrs. Ethel Swartz, Mrs. Mae Smith,

Mrs. Odessa Seibel, Mrs. Rosa Doughty, Mrs. Myrtle Thomas, Mrs. Mabel Hinton, Mrs. Lillie Couch, Mrs. Maude Riley, Mabel Pinckley, Mrs. Bessie Kahl, Mrs. Pearl Hostettler, Mrs. Rosa Dunlevy, Mrs. Mary Frederick, Mrs. Leona Carter, Mrs. Ruby McCammon,

Mrs Geraldine McCullough, Mrs. Irene Printy and Mrs. Jeannette Smith; Miss Lillian Rogers and Carrie Renz; Mr. Charles Schafer, Chris Henderzahs, Edward H. Johnson, Ralph Stoner, Jesse G. Dorsey and Victor Stockdell; Mr. and Mrs. Margaret Leap, Mr. and Mrs. Everitt Couch,

Mr. and Mrs. Roy B. Jackson, Mr. and Mrs. James T. Mathley, Mr. and Mrs. Norman Dreyer, Mr. and Mrs. Charles Weber, Mr. and Mrs. Floyd Himebaugh and Mr. and Mrs. Allen McPherson.

The young women from the church that prepared and served the luncheon and assist with the program were:

Jean Applegate, Bea Popp, Betty Riggle, Emma Laura Pope, Helen Cowling, Janice Cowling, Beulah Rogers, Rita Caldwell, Avis Schilling, Shirley Popp, Eunice Mae Brassill, Margaret Snodgrass and Margaret Briner.

The next meeting of the Senior Citizens will be moved from the fourth Wednesday in November to the second, November 14. The change is because of the Thanksgiving season. +

Hospitality Center provides lot more than just a hot meal

The smell of fresh bread fills the kitchen and is joined by the flavorful aroma of the ham and beans simmering of the front burner.

The table is set with plate, coffee cup, fork and knife in place. The cook has worked for the past two hours and more in preparing this delicious meal. All is ready to be enjoyed, the cook removers her apron and becomes the diner.

As she fills here single plat and pours an aromatic cup of coffee the realization takes hold, that she and she alone is going to enjoy this meal. There are no children to vie for a second helping of fresh bread, no strong male voice to tell her how good the beans taste, no one to exchange and idea with.

The anticipation of enjoyment now turns to sour — she picks at her food and sips a bit of the coffee; "there's no joy in eating alone," says her mental voice, "I'll feel better at supper."

The delicious meal goes into storage of the refrigerator and the new bread into the bread box. Supper, breakfast, dinner will come again. Warmed over food loses its flavor, the bread gets moldy. The nutritious meal now becomes garbage and an expense she could not afford.

He pops a piece of bread in the toaster, turns on the radio or TV, and plugs in the coffee. That's breakfast. Dinner time comes and he again pops a piece of bread in the toaster, pours a cup of the long perked coffee, adds a slice of lunch meat to the menu and maybe an apple or a can of fruit.

Supper time comes and he pops a peice of bread into the toaster. The little heater begins to glow when he reaches for the plug and yanks it from its socket — Not another meal alone!"

He puts on his coat and hat, lsams the door after him and heads for the downtown restaurant. He finds a table, and gives his order, "a piece of toast, fruit cup, and a cup of coffee."

Both of these events occur in Harrison County daily for its over 60 citizens. It is happening in homes of those under 60, but the opportunity of those over 60 to stop "eating at least one meal alone" and to save grocery money from being thrown out is now here.

Each day at noon the Hospitality Center at the Corydon Christian Church becomes a home dining room where people over 60 can enjoy a hot nutritious meal among friends (old and new ones) and not have to worry about washing the dishes or having to eat the leftovers warmed up again and again.

The federal government is offering the program as a result of a survey made on the needs of older people. This is not a poverty program! The facts show that life for the majority of people slows down after 60; death and children growing up turn these people's lives into lonely hours especially at the time when the family once was together; meal time.

The Hot Meal program offers an opportunity for all people in all brackets of income to enjoy a "meal out" with others and aid in enriching the hours of a neighbor.

Also available at the Hospitality Center are other services for the over 60's. Transportation to shopping spots, tours to points of interest, entertainment and craft work.

The daily meal served at noon is prepared by a caterer for $1.15. The cost to each over 60 is determined by their own ability to pay. They may pay all, any part of the $1.15 or nothing. Income received for the meals will be used to increase the number of recipients that can be served. For example, every two people who pay the full amount provides for another who cannot pay.

Diners are given an envelope at each meal and into it place the amount they can afford to pay or simply leave it empty. The main purpose of the program is to provide at least one nutritious hot meal for a group of citizens who neglect doing so themsleves for various reasons.

Reservations must be Made

Anyone 60 years old or older who would like to join in the fellowship of eating with friends and acquaintances must call the Hospitality Hostess before 12 noon on the day before they wish to have dinner at the Center.

Numbers to call are; Jewel Conrad. 738-3334 or Lincoln Hills Community Action 738-4291.

Transportation will be provided to and from the meal site whenever necessary.

Church Women United have volunteered to assist in the transportation as well as churches through donation of the use of church buses.

Others wishing to volunteer to assist in the local program services should contact Helen Haggard (Mrs. B.) 738-3139, Lt. Col. Alliene Ehalt 738-4679 or Mrs. Hazel Zenor 738-2491.

Sponsored through a federal grant, the hot meal program is under the direction of The South Central Indian Council for the Aging and Aged.

Next week October 29 through November 2, (no meals are served on weekends) the menu offers such main dishes as ham, roast beef, veal cutlet, spaghetti and meatballs, and fish.

The hostess will tell each caller the next days full menu and these will also be found posted at the Center.

Making a reservation does not obligate one to eat all five days, however; reservations can be made for the whole week, but they must be made by 12 noon on the day before the meal.

If you desire to eat Monday a call to the Hostess must be made before 12 noon Friday, or they may be made at the Center. +

Aging Council Seeks Seniors For Meals

"We can continue to accept reservations for meals at our hospitality centers," reported Mary Lukemeier, project director of the title VII nutrition program. "The meals are delicious and the people are enjoying socializing with each other and the entertainment and programs."

"Everyone 60 years old and older is urged to come and join us. This is not a poverty program; everyone pays according to his ability," stated Mrs. Lukemeier.

According to the guidelines of this nutrition program, 10 per cent of the meals may be home-delivered. These people must be 60 years old or older, disabled and-or ill and unable to come to a meal site.

The need for home-delivered meals far exceeds the 10 per cent which, in this instance, would be 28 people, divided among the three-county area.

To continue serving the elderly that cannot come to the sites, community support is needed. The containers are 12½ cents each and the meals cost the Council $1.15 each. If churches, civic and social organizations and individuals can assist in offsetting the cost, the Council will serve asm an ype p3oleas will serve as many people as possible.

One of the volunteer drivers remarked, "I wish the public could see the need for the home-delivered meals. The hot meal and knowing someone cares is so appreciated by the sick and lonely."

R.S.V.P. Workshop Set

The Retired Senior Volunteer Program, sponsored by the South Central Indiana Council for the Aging and the Aged, will hold a Clarksville area workshop on Thursday, November 15 at 10:00 a.m. to 2:00 p.m. at the First Southern Baptist Church, 215 E. Ettles Lane, Clarksville.

The workshop is open to any person sixty years of age and older who has a desire to serve others. The purpose of the workshop is to make items which will be used in local nursing homes and children's homes. Thanksgiving tray favors, lap robes, patchwork pillows, and Christmas gift items will be the order of the day at this first Clarksville area workshop.

The Retired Senior Volunteer Program, or R.S.V.P., is an ACTION program of our federal government. R.S.V.P. is one of many programs designed to help older persons find meaningful community involvement.

Anyone interested in attending this workshop may come.

Workshop For Senior Citizens

The third New Albany Retired Senior Volunteer Program Workshop will be Friday, Nov. 16, from 10 a.m. to 3 p.m. at the Recreation Center, 1721 Ekin Ave. This workshop is open to any person 60 years of age or older who is interested in serving others in our community.

R S V P, sponsored by the South Central Indiana Council for the Aging and the Aged, is a program designed to give Senior Citizens meaningful community involvement.

This month's workshop will emphasize Thanksgiving tray favors for nursing homes, envelope addressing for the Area Extension Agent, Floyd County Home Economics office, identification tags for the Salvation Army Bell Ringers, as well as our continuing need for lap robes and Christmas gift items.

Any Senior Citizen interested in attending this workshp may call the R S V P Office, 948-8330, for further information or transportation.

Voice Of The People

Dear Editor:

We the people here at Parkview Towers and the staff of the Title VII Nutrition Program at 1721 Ekin Ave. want to give special tanks to the New Albany Kiwanis Club and Lance Carver who have done so much for our program here. Through the clubs generosity and Mr. Carver's willingness to give at least three hours of his time each day and the use of his car, we have been able to get the program off to a good start.

Within two weeks after Carver learned of our need for a dishwasher, he with the help of the Kiwanis Club, put one in operation for us.

Credit is due also to the people at the Towers who helped in so many ways and also the many very dependable volunteers who gave so willingly of their time. The success of the program means good volunteers.

Mr. Mayfield of the New Albany Housing Authority has also helped us in many ways. Our special thanks go to all of them for their quick action when they heard of our needs.

This program provides a hot meal each day for the Aging and Aged. Tommy Lancaster's Catering Service prepares the meal and from the reports of the recipients, the food is great. I understand the coffee, made by Oren Wilson is very good.

New Albany is the first district in Indiana to actually have the program in operation. Thanks again to the staff of the program who have worked so hard to put this district in first place.

Besides drivers and the use of their time and cars we need volunteers to give about 2½ hours of their time each day at the Centers. We need those who can work 5-days a week on a regular basis or those who can give one or more days. These need to be volunteers who are dependable unless an emergency arises.

If you could go with one of the volunteers who deliver to the homes and see the smiles on the recipients' faces you would be well rewarded in just knowing you made some one so happy.

I am sure there are others who have something to offer as our needs are great and we must depend on you to help us make this program a success.

This is a list of the items we need desperately and have to depend on you, the public, to supply: Coffee, drip - grind napkins, placemats, paper towels, rubber bands, sundae cups, ice-cream to serve the last Friday in the month to the recipients who have had birthdays in that month. We also need baking soda or a coffee-urn cleanser and Cascade detergent for dishwasher. Sugar for the coffee is needed and we can use birthday cards or favors for the tables. If anyone has a desk or table with a drawer, we could certainly use it as a lot of paperwork has to be done. If you don't have any of the needed items may-be you know some business or friend who does and would like to help. Some centers have pledges of monthly donations in cash to take care of their needs.

Parkview Towers Center No. 5 needs all the above items so won't you call 945-9974 - Esther Newkirk and help with this worthy project.

Thanks again to all who have shown that they do care. Drivers for transportation are desperately needed.

Esther Newkirk Hospitality Hostess

Dear Thelma:

May I express my personal thanks to you for taking time from your busy schedule to cooperate with the Survey to Determine the Unmet Needs in the Criminal Justice Field. It was enlightening to hear of your programs, and to share thoughts and ideas with you and Mr. Bob Maze, Director of the Retired Senior Volunteer Program.

I know that Dr. John Fox, Executive Director, and Bill Hatchel, Program Director of P-A-C-E will share my excitement at the possibility of working with you and your programs. Your suggestion that Bob, through his program, could recruit and furnish the volunteers to work with various programs, particularly at the Clark County Youth Camp, is just tremendous. I will discuss your question as to whether P-A-C-E can provide some of the funds for gas for the bus to transport the volunteers with Mr. Hatchel when he arrives in Clark County tomorrow, and hope to have an answer before you present your proposal in Indianapolis on November 20. Your suggestion that ex-offenders might be provided with free meals, if unable to pay, at the Hot Meal at Noon Centers is appreciated; and your offer to share some of your equipment with me (ditto machine, etc.) is most generous. I am particularly happy to share your viewpoint that an agency such as P-A-C-E could provide a great service to the community by developing a public education/awareness program.

Again, your enthusiasm and cooperation is much appreciated. I look forward to our continued fine spirit of friendship and cooperation.

Dear Mrs. Bertrand:

Thank you, Thank you for the very special hospitality with all attendant courtesies extended to me in my visit to New Albany last week. I am compelled to say that our conferences, consultations and discussions were most helpful in bringing understanding as to what the Clark-Floyd-Harrison Area Council is doing. All in all, Thanks to Thelma Bertrand, it was a rare opportunity to see and hear what is being done with and for the Older Americans in your section of southern Hoosierland.

As to the question of a Certificate for your Area Council, Mr. Endwright assures me that we will have one printed. It should be ready in the next two weeks or so. Set your date and we will try to work with you. If there are other problems or needs, please do not hesitate to write or call.

Warmest best wishes to Mr. Bertrand. I was happy also to meet and talk with Mr. Tishendorf. What a fine community and area you have to live and work in!

Mrs. Charles Manley, Church Secretary

folks who can't drive the Winnebago to Rough River may drive the Vega to Wall Street. If it happens, it'll be nice, won't it?

Will it? I remember that the Village Magistrate once sentenced a man and wife who had been fighting. Sentenced them to attend my church for six months. As I remember, they came once, were surly, and I told them I didn't blame them for their resentment. And they never came back. It could be that substitute attenders might be surly too. They might decide that even staying home is better than church. And you, Weekly Reader, might be the reason for their decision.

My final point: I have a great responsibility to help people in their worship. You do too. So, next Sunday when you're enjoying the worship, let that niggling thought stay back there in your mind: How can I help somebody else who is here - help that somebody to be welcome and wanted and glad that she/he came? And because you will succeed in making that stranger/friend glad to be present, church for her/him is going to become a must in the week. Not just a substitute.

-- Emerson Abts

SPEAKING OF THE NUTRITION PROGRAM, it's going well. Ann Akhurst, everybody's friend, has things in good shape and fine fettle. There are regulars coming, here almost every day for that hot lunch and trimmings. Now and then there are whole groups of Seniors, here to eat and observe. And on occasion there are guest speakers and visiting firemen.

Only, there's this thing: they could use More Volunteers. And especially, they could use a Driver for Mondays. The drivers usually deliver meals to shut-in eaters, and they usually have a Hopper, who carries the meal to the house from the car. The drivers, in short, drive. Care to be a Monday Driver?

Or how about just being a Volunteer Helper? Most any day, to come in and help serve, or help with dishwashing. It's easy - you just call the office, and you say what day (days) you'll be here, and then you do it.

New programs planned for the elderly

Thelma Bertrand, Executive Director of the South Central Indiana Council for the Aging and Aged, and Mary Lukemeier, Project Director of Title VII Nutrition Project, have just returned from a Seminar, relating to programs for the elderly. The Seminar was sponsored by the University of Nebraska, in Omaha. Mrs. Ora Lee Wann, Administrator of Title VII funding of the Commission on Aging, in Indianapolis, also attended.

New programs for the elderly under consideration are transportation, and the development of multi-purpose Senior Citizens Centers.

The South Central Indiana Council for the Aging intends to direct its efforts toward providing transportation and Centers for the elderly in Clark, Floyd and Harrison Counties, and will be working with other agencies to avoid duplicating any similar programs now in existence.

Evaluates Hot Meals For Elderly

Southern Indiana residents 60 years or older are still being sought to take advantage of their hot noon meals served at several local "hospitality centers."

South Central Indiana Council for the Aging & Aged, Inc., sponsors the nutritional program for the elderly under the auspices of the federal government's Title VII provision.

The program was evaluated this week by Buck Rice, a state official from Indianapolis, who toured the centers and observed their operation. He lunched at Parkview Towers, then met in executive session with local officials of the program.

Rice will make a recommendation to the government pertaining to the degree of success of the southern Indiana project.

Thelma Bertrand is executive director of the council and Mary Lukemeier is director of the nutrition project.

The meals are served five days a week and transportation is arranged for those who need it. Older citizens who are ill can have the meal delivered to their homes.

Income is not a determining factor for participation in the program; age is.

The suggested fee for the meal is 50 cents, but those attending the centers pay what they can afford.

Companionship and even entertainment are stressed as accompaniments to the carefully planned menus.

Made a two-day evaluation of Title VII operations. Visited two of the six sites: Parkview Towers (where I ate) and the Culbertson Avenue Baptist Church. From the participants evaluation stating "wonderful, good food, lots of it, hot and always on time." There were no complaints from anyone.

There are six sites in this project and they are averaging 50¢ per person per meal. They are trying every known means to reach other eligibles and especially the males as they are now serving a 90 - 10 ratio of women to men.

My only suggestion to the director was that she should bond everyone who handles cash. This she will do at once. She also feels confident that she can feed her 288 meals per day by the end of the 90 days.

I'll bet you're thinking: "How can I go to the workshop and the recognition both?"

Well, we think we have the solution! Let's come to the workshop from 10:00 - 12:00 then go over to Culbertson Avenue for a good, nutritious 50¢ lunch at the Meal Site. That still gives you enough time to go make preparations for the recognition party!

To Honor Volunteers

The volunteers for the Title VII Nutrition Program and the Retired Senior Volunteer Program will be honored at a recognition party Friday, Dec. 28, from 3 to 4:30 p.m. at the St. John United Presbyterian Church, 13th and Elm, New Albany. The recognition will be sponsored by the South Central Indiana Council for the Aging and the Aged, Inc., the parent organization for the two programs.

The Retired Senior Volunteer Program has 80 volunteers in Clark and Floyd Counties. Each volunteer will receive the RSVP pin at Friday's Recognition program. RSVP volunteers have given over 1300 hours of service since since the program began.

The Nutrition program has 150 volunteers serving at the six meal sites. These volunteers help with various aspects of the daily meal served to persons 60 and over.

Mayors Warren Nash, Richard Vissing and John Bowen will be present to make the presentations to these volunteers.

The Gilt Edge Baptist Church in Jeffersonville was the site of a recent meeting of area senior citizens. Meals are served there daily as a part of the South Central Council for the Aging and Aged nutrition program. A program of arts and crafts is taught by a special instructor. Games, recreation and fellowship is also a feature of the daily program. Santa Claus visits Senior Citizens Center

The Senior Citizens participating in the Title VII Nutrition Program enjoyed a Christmas party and gift exchange Friday. Santa paid a special visit to the Center on High Street.

Many people are enjoying the delicious, nutritious food and warm family atmosphere at the Center. The program has received wide community support both in volunteer services and contributions.

At this time the Title VII Nutrition Program would like to extend a special thanks to the many people who have helped to make the program such a success. The following people have donated many hours of service to the nutrition program:

Pauline Johnson, Hazel Stewart, Anita Gregory, Mary Barry, Edith Masingo, Helen Carver, Francis Spencer, Lill Doss, Genny Gregory, Rose Jackson, Janet Jones, Garnett Reed, Ruth Peake, Shirley Givans, Bobbie Anderson, Dana Ison, Bernice Hover, Lois Smith, Myrtle Caudill, Sylvia Roseberry, Alita Casey, Evelyn Dishon, Linda Johnson, Lois Janes, Barry Carver, Annette Carver, Peggy Truelock, Marie Broughton.

A special thanks goes to Pauline Johnson and Rev. James Casey who has helped in organizing the volunteers. Through the efforts of each of the volunteers the program has been run smoothly and efficiently.

Craft supplies and other items needed for activities are not provided in the budget. We would like to thank the following merchants for supplies and cash donations that have greatly enriched the nutrition program:

United Methodist Church, Dr. Jones and Voskuhl, Mayor John Bowen, Key Market, Lowe & Tull, First Bank of Charlestown, B&T Drugs, Western Auto Store, Charlestown Seafood, Larry's Sweet Shoppe, Tastee Freeze Restaurant, B&O Liquors, Blanton Young Furniture, Ann's Department Store, Lyver's Gift Shop, Ray's Jewelers, Whisman Pool Room, Radio Shack, Doug's Produce Market, Jim's Meat Market, Hall's Auto Service, Garry's Mill End Shop, Goodman's Drug Store, Renaker's 5 & 10, Community Presbyterian Church, and Pleasant Ridge Baptist Church.

A special thanks to Pleasant Ridge Baptist Church for the donation of a piano and Thompson & Son for the donation of a sewing machine. Both of these contributions have greatly enriched the social activities at the Senior Citizens Center.

Mayor John Bowen's interest and concern have been a great asset to the Nutrition Program.

As the year comes to a close the Council on Aging wishes to thank everyone for their support. +

Nutrition program has support

Dear Editor:

Mayor John Bowen, the Charlestown Council, Russell Johns, James McDonald, Pauline Johnson, Robert Robinson, Rev. Joseph Stanley, Jane Roberts, Rev. James Casey, Title VII Volunteers and the other nice people in Charlesown have not only given verbal support to the Nutrition Program, but have spent many hours in actual labor to keep the Nutrition Program at High Street Community Site operating.

The services include keeping the sidewalks clean, providing transportation, telephoning, delivering meals to the homes, and providing programs of interest to the Senior Citizens.

The South Central Indiana Council for the Aging would like to extend a special "thank you" to Mayor Bowen. His interest and concern to assist the Senior Citizens is an inspiration to continue and expand the programs for the elderly.

Charlestown has been given funding to include more senior citizens to the programs. People 60 years old and older are invited to take advantage of the many services available to them.

Special luncheon held

The Title VII Nutrition Program presented a special luncheon at the Christian Church in Corydon, Monday with over 58 senior citizens participating. "I am thrilled with the response and hope each person will return often and bring a friend," stated Jewell Conrad, Hospitality Hostess. "We hope to serve that many people every day."

The Nutrition Program in Clark, Floyd and Harrison Counties serves one hot meal at noon five days a week to Senior Citizens at a nominal fee of 50c. Lancaster Catering Service prepares the meals that must meet Federal standards for high nutrition. Any person 60 years old or older may participate by making reservation by noon the day before he or she wishes to attend, 738-3334.

"The people are enjoying the warm friendly atmosphere and the fellowship," sites Mark Lukemeier, Project Director. One woman had to beg her husband to go to the center the first time, but now they go every day. He also reports feeling better physically.

"Social Security is considered income security for Senior Citizens whereas the Nutrition Program can be considered health security, an additional benefit offered to all senior citizens", states Mrs. Lukemeier.

The Nutrition Program is a program of the South Central Indiana Council for the Aging and Aged, Inc. which is administered by the State Commission on Aging.

Volunteers are needed to transport Senior Citizens to and from the meal site and to help serve. If you would like to donate a few hours one day a week, call Jewell Conrad, (738-3334). +

Rotary Club notes

Warm meals prove stimulation for renewed activity

Warm meals are appreciated, but the meals are only a center point for friendship and renewed faith and activity for senior citizens. This was brought out Tuesday noon in addresses by Mrs. Thelma Bertram and Mrs. Mary Leukemeier at the Rotary luncheon Tuesday at the Corydon Country Club. Mrs. Bertram is coordinator of the South Central Council for the Aging and Aged. Mrs. Leukemeier is nutritionist in charge of the Title VII program for warm lunches five days per week for senior citizens in Clark, Floyd and Harrison counties. A minimum of 51 senior citizens 60 years of age and older is required daily at the lunches, now being served in the Corydon Christian Church Fellowship Hall, for the project to be continued. Average so far has been about 30, although 58 persons were present Monday of this week. In the three counties a total of 288 lunch patrons are required to meet the guidelines of the government. Average so far has been between 150 and 169. Although a 50-cent charge is made for those who can afford it, some meals are provided free, while more than 50 cents is paid by some of the senior citizens.

As Social Security now provides for older persons' financial needs, the nutrition program is designed to take care of health and fellowship needs. Aside from the warm meals, as well as partially because of them, the project has proved to be the means for "getting some elderly people out of their shells" and taking a renewed interest in living, the speakers said.

Mrs. Bertram said that volunteer help is needed by the Council. Transportation needs, it is hoped, may be met more fully by persons offering to provide automobile services to take senior citizens to the church, and possibly to fulfill other needs. Also some additional help could well be used at Fellowship Hall in preparing for serving the meals, which are provided by Lancaster Catering Service of New Albany. There is only one paid employee for the meals service, Mrs. Leukemeier said. Whatever assistance Rotarians may be in a position to provide will be welcome and appreciated, Mrs. Bertram said.

Joe E. Stepro, program chairman, introduced the speakers.

Hot lunch menu

Here is the menu for the nutrition (hot lunch) program for the elderly, Jan. 21-25, at the Corydon Christian Church.

Monday: Fried chicken, cauliflower, buttered carrots, bread, orange cake;

Tuesday: Roast loin of pork, escalloped potatoes, green beans, corn bread, fruit jello;

Wednesday: Swedish meat balls, cottage cheese and peaches, spinach, bread, pudding;

Thursday: Liver, mashed potatoes, mixed vegetables, bread, pineapple chunks;

Friday: Baked buttered fish, broccoli, creamed potatoes, bread, lemon pudding;

The hot lunch program for persons 60 and older, is sponsored by the South Central Indiana Council for the Aging and Aged, Inc.

RSVP Workshop Is Friday

Residents over age 60 who have a little time to spare are sought for a Retired Senior Volunteer Program workshop Friday, Jan. 18, from 10 a.m. to 3 p.m. in Ekin Ave. Recreation Center, New Albany.

RSVP is sponsored by South Central Indiana Council For The Aging and the Aged, Inc., for anyone 60 or older, to involve senior citizens in volunteer opportunities of service to the community.

The workshop is planned to make items and perform services for local nursing homes, children's homes and agencies.

Anyone interested in attending may bring a sack lunch. Further information is available from the RSVP office, 948-8330.

58 senior citizens at special luncheon here

Fifty-eight senior citizens made reservations and attended the special luncheon-and-games program Monday noon in the Corydon Christian Church Fellowship Hall. The luncheons are provided under Title VII Nutrition Program for the Aging and Aged.

"I am thrilled with the response, and I hope each person will return often and bring a friend," Hospitality Hostess Jewell Conrad of Corydon said.

The Nutrition Program administrators serve one hot meal at noon five days a week to senior citizens at a nominal fee in Harrison, Clark and Floyd counties. The meals, prepared by Lancaster Catering Service in New Albany, must meet federal standards of high nutrition, Mrs. Thelma Bertrand, of New Albany, administrator of Aging and Aged programs, said.

Any person 60 years of age or older may participate by making reservations by noon on the day preceding the luncheon he or she wishes to attend, Mrs. Conrad said. Reservations may be made by phoning number 738-3334.

"The people are enjoying the warm friendly atmosphere and the fellowship," Mary Lukemeier, project director, said.

"One woman had to beg her husband to go to the luncheon the first time," Mrs. Lukemeier said, "but now they both attend every day. The husband reports feeling better physically."

Mrs. Lukemeier pointed out that "Social Security is considered income security for senior citizens, whereas the nutrition program can be considered health security. It is an additional benefit offered to all senior citizens."

Next Monday the senior citizens are expected to go to New Albany and attend the special day at the Silver Street United Methodist Church. Area Conference on Aging is scheduled to open at 9:30 a. m. There will be a luncheon served at noon, again just 50 cents for each person. The conference is expected to adjourn at 2:30 p. m.

Volunteers are needed to transport senior citizens to and from the meal site, five days per week in Corydon, and also next Monday to New Albany. Volunteers are needed, too, to help serve.

Anyone who is in a position to donate a few hours one day a week is invited to call Jewell Conrad, at phone number 738-3334.

Dear Thelma:

We are looking carefully into our insurance situation for Title VII, and all that good information you had in Omaha has escaped me! Could you tell me how you are handling property liability and food product liability insurance? Also, I would appreciate knowing the name of the man from Travelers Insurance company you talked to in Cincinnati.

I sure hope all is going well, Thelma. All those ice storms didn't help any of us! Please give a warm hello to Mary and Ora Lee. I hope we can all get together in the spring!

Sincerely,

Dear Abby

She Paid Tuition For Painful Lesson In Love

By ABIGAIL Van BUREN

DEAR ABBY: I fell in love with a guy I'll call Motorhead. All he loved was his car. He lost his job and I finished making his car payments. I also paid some other bills for him, and even paid back some money he owed. My friends told me I was crazy, but I was stubborn and wouldn't listen.

Motorhead got a job, and now that he is working he is going with another girl and people say he is going to marry her. I feel like a fool but what can I do: How can I get my money back without my parents knowing? I don't want to go to court, and I don't have any kind of written "I.O.U." from this guy.

A FOOL

DEAR FOOL: Unless you have something in writing, you can't prove that Motorhead owes you anything. Call it the "tuition" you paid for your education and try to learn from it. Sorry.

DEAR ABBY: I have lived here for 30 years and my husband is a respected member of the community, so I am unable to explain why I should have this problem.

I first noticed it in the department store where I shop regularly. The minute I enter, a buzzer goes off, and the store detectives appear and start watching me. Also, I notice the salespeople look at me suspiciously, so I don't dare even handle any merchandise.

I went to the dime store and noticed the same thing happened there, so I called for the manager and asked him why I was being watched. He very sarcastically said I wasn't, but if I had a clear conscience I had nothing to worry about. I left immediately without buying what I came for.

I now get the same feeling when I go to the supermarket. I've never stolen anything, but people keep watching me as though I were a thief.

Should I bring suit against these people who are harassing me? I now order everything on the telephone because walking into a store is so humiliating.

INNOCENT

DEAR INNOCENT: It's entirely possible that you are not being harassed, but that your imagination is working overtime. If you haven't discussed this with your doctor, you should. An imagined harassment is as damaging as a real one.

CONFIDENTIAL TO "62 AND NOWHERE TO GO": The Retired Senior Volunteer Program (R. S. V. P.) acts as a nationwide referral service to men and women who have experience, time, talent or skills to volunteer, but do not know if they are needed, where they are needed or whom to contact to find out. Libraries, schools, hospitals, nursing homes and other health agencies need volunteers. If R. S. V. P. isn't listed in your phone book, write to ACTION: 806 Conecticut Av., N.W., Washington, D. Mrs. Charles Manley,

don't mind in the least. I'm glad that this much-needed praise has been written.

But I'm troubled by it too. Sinclair writes a manifesto for isolationism. He wouldn't blame us if we said "the hell with the rest of the world..." Why? Because we have shared our wealth with the rest of the world and they have not been grateful. Now we are being taunted by the French, and others, when our dollar is less valuable. Now, although we have sent aid to sufferers in floods or earthquakes, nobody is sending money to us to alleviate our flood-suffering. So, because people we have bankrolled seem ungrateful, we would have a right to retire to a self-sufficient, suspicious continent crying "the hell with the rest of the world".

Sinclair is wrong about their ingratitude. I have heard Filipino kids singing a popular song: "I Give My Thanks to America."

need only the courage to plunge in there also. So you receive and you argue, and we all come out ahead.

THE NUTRITION PROGRAM is growing. More eaters are on hand to take advantage of the better-food meal available to over-60 folks every weekday at noon. Now that means that volunteers are still needed, and a few more, in fact. Can you sling hash? Then you can also serve food, and enjoy the whole thing. Call the office, at 282-9868, and tell Friendly Mrs. Manley when you can come. (Roses to Our Director Ann Akhurst, who has been working hard at building up the project and succeeding.)

Dear Pastor:

We trust you are familiar with the Retired Senior Volunteer Program in Clark and Floyd Counties. RSVP is for any person 60 or older. The philosophy of the program is Senior Citizens sharing their time through volunteer work in our community.

Many New Albany folks are already enrolled in the program. At the same time, there are many we would like to reach.

I would like for you to know that I am available to speak to any groups in your church who might be interested in knowing more about RSVP. Even if the people are not over 60, it is beneficial to RSVP for people to understand it and know about it.

RSVP is sponsored locally by the South Central Indiana Council For The Aging and Aged, Inc. Nationally it is a part of ACTION.

Over 100 people in Floyd and Clark Counties are already enrolled in RSVP and finding real satisfaction in their experience.

Please feel free to call me, 948-8330 with any questions or for further information.

Sincerely,

Robert J. Maze
RSVP Director

NLC People Contribute to Professional Publications

Two NLC staff members recently made contributions to publications in their special areas of expertise.

REBA LOWREY, Activities Director for Pavilion and Fairview Nursing Homes, submitted her idea for "Personal Touch Day" to the new publication Activities Director's Guide. The very first issue contained Reba's contribution!

A recent Continuing Education publication of the Texas Pharmaceutical Association reported the proceedings from their seminar Updating The Pharmaceutical Consultant held August 24-25, 1973. HAZEL J. RYDELL, R.N., National Living Centers Nurse Consultant, was one of the speakers and her contribution "The Consultant's Role in Patient Record Systems" has been printed in the manual which will serve as a valuable reference for all pharmacists acting as Consultants to nursing homes.

Darcy Schindewolf Named NLC Chief Accountant

Darcy Schindewolf has been named Chief Accountant of National Living Centers.

Initially, Darcy joined the NLC Accounting Department in October 1970 on a part time basis. In August 1972, he took on the full time responsibilities of handling all accounting for NLC subsidiary companies as well as corporate tax and Medicare accounting.

As Chief Accountant, he now manages the complete general ledger for both nursing home operations and other subsidiary companies. His efforts result in the production of the monthly Operating Reports. Much of his time is spent reviewing the detailed entries to assure that charges are made to the proper account and nursing home.

PRESIDENT'S CORNER

It's All About PEOPLE ...

National Living Centers, Inc. is a company devoted to "People Care." We are people working together to serve other people and PEOPLE is what our new corporate newsletter is all about.

We hope this initial issue and the forthcoming issues which will be published on a bi-monthly basis will be informative, interesting, timely and hopefully at times amusing and entertaining, but most of all we hope National Living Centers NEWS will reflect the individual personalities that make up our company.

That's why I personally encourage each of you to contribute to our newsletter. Send us your news - your achievements, ideas, the funny and human things that happen to you and at your nursing home - news that you would like to share with us. It doesn't have to be a monumental occurrence, but if you are proud or happy or excited about it, we will be too. We would also appreciate any suggestions for topics that you would like to see discussed or reported in our newsletter.

I would also like to

take this opportunity to thank each of you for the efforts you contributed in making 1973 a most successful year for our company, and to wish each of you the best of luck in 1974. Each new year presents its own challenges, achievements, and because we are human, disappointments too. I am confident that working together and sharing our dedication to "People Care" we will meet the challenges of 1974 and next December look back on a year of exceptional achievement and service.

Quote of the Month

Being very community minded, Elaine Addlespurger, Administrator of Blalock North Shores, brought up the critical shortage of blood in Houston hospitals during a recent Divisional Meeting. She suggested that all area homes might want to contact the Blood Center and have the Bloodmobile come out for donations from employees, relatives, and community members.

This suggestion caused one Houston Division administrator to come up with what we think is undoubtedly the quote of the month:
"I knew the company would figure out a way to get our blood!"

Construction Report

New 152 Bed Blalock-North Shores Going Up In Houston

Facility Features Latest In Modern Design

Construction is under way on the new Blalock-North Shores Nursing Home. Lester Epstein, head of the NLC Construction and Maintenance Department, reports that the ultimate in modern nursing home design has been incorporated in the plans for the 152 bed, 35,000 square feet facility.

Radiating around a central rotunda which houses the nurses station, are 6 wings of patient rooms all featuring individually controlled heating and air conditioning units. Ancilliary service rooms, such as a Beauty Shop, Arts & Crafts workshop, TV viewing room, medication rooms and offices, form an outer ring around the rotunda. The dining room located immediately behind the rotunda features a stage at one end for entertainers and programs.

Located on a heavily wooded site, the new facility's architectural style is reminiscent of a resort or country club. A covered porte-cochere leads into a veranda over looking a lovely patio court.

Inside, the lobby-living room area features brick columns, a fireplace, and the interior design planned by Mike Morken of ARA Services, Inc. Facilities Planning Department carries out the "country-club" feeling of the architecture.

ARA Services' Facilities Planning Department also contributed the very modern kitchen lay-out designed by Bill Grant for the facility.

Patio doors opening onto garden courts between four wings of the facility and glass-walled solariums overlooking the street from the other two wings bring the lovely wooded outdoors into the facility and create a spacious open-air feeling.

Schindewolf Promotion

(continued from page 1)
Darcy is also called upon to prepare reports for our new parent company ARA Services, Inc.

In his new position, Darcy has assumed many of the responsibilities formerly handled by John Stump who has accepted a position in the tax department of a large oil company.

Attending night classes at the University of Houston, Darcy is currently working toward his Business Administration Degree in Accounting.

Congratulations to Darcy Schindewolf on his promotion. He's the man we will be looking to for assistance in general accounting matters now.

"Grapes From The Vine"

...Just in case you've been wondering - that pretty new voice on the WATTS line these days belongs to DIANE ROCHE who joined the NLC home office staff as receptionist on Feb. 1st. and we'd like to officially welcome Diane. P.S. Hey Fellas, she's single...

...Sure sorry to hear that Colonial Oaks' SID BAUMSTEN had to spend some time in the hospital recently... hope you're back in tip top shape, Sid...

...Congratulations on several outstanding achievements go to LEE ROY MARTIN, Hillcrest Administrator. Lee Roy was recently elected to his 2nd term as a member of the Board of Directors of the Indiana Nursing Home Assc. Lee Roy is also in his 2nd term as VP of District 6 of the state association. Lee Roy's laurels don't rest with these honors either. He also recently received word that he has been named by the Governor of Indiana to the Advisory Comprehensive Health Care Planning Council. Lee Roy is also a member of the Board of Directors of the regional Retired Senior Volunteer Program (RSVP). Hillcrest Activities Director MARY ANN KRUER is the regional secretary of RSVP...next time you enter an election, we would suggest you contact Lee Roy on the technique of winning! Seriously, we are very proud of you, Mr. Martin!

...Congrats are in order for Houston VP DEE SMITH and husband DAVID, Administrator of Blalock Northwest, on the birth of their newest image - it was a girl! Arriving after 3 boys (and we might add 3 hours after Mrs. Smith left an NLC Officers Meeting) DEANN MARIE, born December 3rd, tipped the scales at 8 lbs. 9 oz. We hear Dee has her on a strict diet guaranteed to limit her growth to a petite 5'9"!

...Houston bachelors are in mourning since two of NLC's Fairest have retired from the Swinging Singles Set... A/R's PHYLLIS WILHELM became Mrs. Jerry Mahoney on December 29th and on December 9th, PSI's MIRL DENN became Mrs. Ronald Cohen. Mirl says she can't get too far away from the office, though, since she only lives ½ block away...guess that means she's still half married to her job...

..."Welcome back" to VIRGINIA PATTERSON, former Activity Director for the Waco area homes...Virginia is now Activity Director at Big Town and we're all glad to see her rejoin NLC family...

...Did you know...that MARIE WYMAN of Blalock Northwest is the mother of Bill Wyman, center on the University of Texas football team who was recently drafted by the New York Jets?

...And a bit belated, but no less sincere, congrats to LOIS BISHOP and RUTH SPRADLING. Lois took over the post of Administrator at Colonial of Levelland which Ruth vacated when she went to Autumn Leaf Lodge in Hurst...hope both ladies are enjoying their new positions...

...New arrivals to the Houston Corporate Offices include FRED KOTZEN, La Hacienda Pres, and FRANK FRECH, Director of Quality Control for NLC...

Creative Problem Solving

Even people can become too automated! We recently had a family call one of the NLC homes to discuss a most exasperating problem, and ask for our assistance. It seems that the caller's father, a former patient of the home, had expired and his daughter had been trying for some time to cancel his hospitalization insurance. However, every time she called the insurance company she was told that her father would have to cancel the policy in writing-even after she had repeatedly explained that he was deceased.

True to form, our Administrator came up with a solution. Together the daughter and Administrator typed a letter and taped on an old signature of the deceased man to the bottom of the letter. The letter read, "I am dead. Please cancel my policy."

Meals For The Elderly Program Begins At NLC Facilities

PROVIDING PEOPLE CARE has taken on a new dimension at Rest Haven Nursing Home and San Augustine Nursing Center. Acting as county-wide sponsors of the MEALS FOR THE ELDERLY PROGRAM, these facilities are reaching beyond the circle of their residents to provide nutritional and social services to other older citizens in their communities.

THE PROGRAM began in Henderson and San Augustine counties in January and both Marguerite Adams, Rest Haven administrator, and Don Plummer, administrator of San Augustine Nursing Center, report tremendous community response and enthusiasm for the program.

INITIALLY the program is to benefit 100 older citizens in the Athens area and 140 in the San Augustine area. The immediate goal of the program is to provide nutritionally satisfying hot meals to older citizens who, regardless of income level, do not eat adequately. However, in addition to the meal service, provided Monday through Friday, for a maximum contribution of 25¢ per meal, the program also involves community volunteers and supportive services such as recreational activities, nutritional and educational counseling, welfare information and referral assistance, escort and transportation services and shopping assistance.

IN INDIANA, Hillcrest Nursing Home is involved in the Meals for the Elderly Program in a different way. Administrator Lee Roy Martin explains that Hillcrest is acting as a caterer of "special diets" required by some participants in the program. This is a service which Hillcrest, experienced in preparing physician prescribed diets for residents, can handle with ease.

ESTABLISHED with funds available under the 1965 Older Americans Act, Title VII, the Meals for the Elderly Program is coordinated in Texas by the Governor's Committee on Aging. Local Councils of Government are also involved as well as many community organizations who recruit local volunteers and act as members of the local steering committee.

"A LOT OF PEOPLE are involved and concerned with the success of the program and we are proud to be among these people," says Bob Hargrave, Personnel Training and Community Services Director and coordinator of the program for NLC. "The Meals Program is an opportunity for us to share with others our concern for the well being of the older generation and to take part in a truly community wide project. We hope that more NLC facilities will be able to participate in the near future."

NURSES NOTES

① MEDICATION AND TREATMENT RECORDS must have the signatures of the nurses giving the medications.

An efficient way to assure signed records might be to compile these Medication & Treatment Records the last week of each month and leave them at each nurses station with a reminder that they must be signed. This way all the nurses could sign them prior to placing them on the charts.

Are you cutting the flap portion of this record just above the printing to make them easier to turn?

② Encourage your personnel to discuss the LIST OF PROHIBITIVE ITEMS with the patients and their families. This will reduce the number of items that must be removed from patient rooms.

③ Have you checked with your CONSULTANT PHARMACIST regarding the medications which were placed on the CSA Schedule II in December? If not, be sure to do so.

THERE'S THIS CLASS, see, this Sunday School class. Only it isn't quite a class. Just a bunch of young adults, in their 20's or their 60's maybe, and Marvelle Holbrook named them. She said they're just like a class she was in back in her former church and they were called The Stragglers.

Well, the Stragglers. They straggle in, into the preacher's Office, whenever they arrive. Most of them are on time, usually. And they chat and they fix themselves coffee and preach likes to think he teaches them the lesson. Only thing is, of late preach hasn't been here, has been upstairs with his confirmation class, and the Stragglers, bless 'em, have kept on coming, and coffeeing, and teaching one another.

Materials? Sure, they use materials. It's a version of the old Lesson Leaflet, updated, and called Cross-Talk. It's published by Cokesbury, and each session's materials are complete, and the folks in the Office seem to think it's pretty good. Leastways, they keep on straggling!

HER NAME IS Ida Riley, and she's 90 and number 91 will occur next Monday, the 11th. Only maybe you shouldn't tell her or she might start acting her age. As it is, she is no stranger

SPEAKING OF VOLUNTEERS. Have you given thought to volunteering help with the Nutrition Program? We have had from the beginning good and faithful helpers from several local churches, including Wall Street. But the program is growing, and some of the regulars are wanting some time off, and the good folks led by Ann Akhurst could use some help. Will you?

AND BOB MAZE writes: You have by now, we hope, heard of the Retired Senior Volunteer Program (RSVP) in Clark and Floyd Counties. RSVP seeks to involve persons 60 and older in meaningful volunteer opportunities. The forms of service are many and varied, in fact, as varied as the individual interests of the volunteer.

One way we would like for you to emphasize, is the RSVP Workshop. We meet at the First Church of God ANNEX, 909 East 9th Street, the first Thursday of each month. Our next workshop will be February 7. We are there from 10 A.M. to 3 P.M. You may come for as long as you like. Bring a sack lunch if you stay all day. Coffee will be provided. Transportation too will be provided if you need it. Please feel free to call our office, 948-8330, if you have questions or

Over 500 hot meals have been served

The "Nutrition Program" sponsored by the Council for the Aging and Aged reports that from the period of January second through February first, 1974 they have served 509 hot meals to those participating in the program at the Elderly Community Building on High Street and have delivered 218 hot meals to the homes of those that were confined to the home and unable to come to the Community Building.

The Program has grown to the extent that the location has been moved to the larger Community Building at 214 McCampbell Street in order to accommodate more participants. Anyone wishing to take part in the program if 60 years of age or older may come to this address or call 948-8873 for more detailed information.

A vote of thanks should be extended to all those assisting and giving their time to promote the program, and especially Jane Roberts, Pauline Johnson, Mayor John Bowen, and the members of the Board of Commissioners of the Housing Authority.

Project meeting place changes

Due to the increase in the attendance at the Nutrition Project 'Hot meals for the Aging and Aged', the meeting place has been changed back to the McCampbell Street Community Building, beginning Monday, February 4.

According to Jane Roberts, Site Director, the project, which began in October with six people has grown to an average attendance of 28 persons daily.

Those who attend this daily gathering are finding much pleasure in doing handcrafts, and fellowship with people of their own generation as well as a balanced, nutritive meal. The food is cooked by Tommy Lancaster and served by volunteers of this area, who enjoy every minute of their time spent with these wonderful people.

This project is a government funded project, there is no set charge for the meal, you pay only what you feel you are able to pay, which is put into a sealed individual envelope and you should feel no embarrassment if you can not pay.

All persons 60 years of age and older are urged to take part in this worthwhile project. If you are a couple and just one of you have hit the 60 year mark the other can attend with you.

The doors will be open at 9:30 a.m., come and bring your handwork or help someone with theirs— Try it, you'll like it. +

Open New Hospitality Center For Old Folks

A new hospitality center for Senior Citizens will be opened Tuesday at the Beechwood Community Center, according to Mary Lukemeier, project director of the Title VII Nutrition Program. One hot nutritious meal will be served at noon Mondays through Fridays. The food is catered by Lancaster Catering Service at a suggested fee of 50 cents and participants may pay all, part or none of the cost if they are unable to do so. The income received for the meals will be used to increase the number of recipients that can be served. The envelope system is used to insure privacy in giving.

This service is not in competition with Social Security or any other Senior Citizen benefit according to Mrs. Lukemeier. It is an additional program being offered to all Senior Citizens over 60 years of age.

A schedule of social activities will be planned from ideas submitted by the participants. Included in the service will be trips to groceries, shopping centers and points of interest on Thursdays. Entertainment and crafts will be provided. One Hospitality Hostess will coordinate all activities, but the participants will plan their own programs.

Anyone age 60 or older who would like to join in the fellowship of eating with friends and others may call the nutrition office before noon the day before they wish to attend, 948-8873 or the Hospitality Hostess Mary Carmickle, 246-2333.

Transportation will be provided to and from the meal sites whenever necessary.

A bingo party will follow the Tuesday opening.

PACE To Expand

Public Action in Correctional Effort (PACE), a private correctional service agency with headquarters in Indianapolis, has decided to expand into Floyd and Clark counties.

Dr. John N. Fox, executive director of PACE, said the decision to expand into Southern Indiana was made Jan. 31 when the board of directors reviewed a report on the unmet criminal justice needs in the two counties.

The report, which took three months to prepare, was submitted by Mrs. C. B. "Tiny" Barthold, a research consultant for PACE and a former Clark County chief probation officer.

Mrs. Barthold said the report suggests that "jail visitation" programs, similiar to one already established by PACE in Evansville, be implemented at the Floyd and Clark County Jails.

"There is a need," Mrs. Bartnold said, "to provide direct services and-or a liason between offenders lodged in local jails and their families, employers and the community — such as making telephone calls to family, to the attorney, to the employer to help to secure jobs and to help to make bonds so the offender will not lose his job."

After surveying local law enforcement officials, the courts, schools, churches and civic and service organizations, Mrs. Barthold said she also determined that:

—Full-time academic and vocational programs should be established at the Clark County Youth Camp.

—A volunteer corps should be established in both counties to help existing social service agencies.

—A "drop-in" center for youths, like the one in New Albany, should be opened in Clark County.

—A half-way house and work-release program should be developed for offenders confined in local jails.

Mrs. Barthold said she will now begin a similiar survey to determine the unmet criminal justice needs in Bartholomew County.

The local PACE office will continue to be located in the American Red Cross Building, 332 Spring St., Jeffersonville.

List Senior Citizen Activities And Needs

The Southern Indiana Council for the Aging and Aged has asked The Tribune to run a listing of senior citizen activities as well as needs of the group which the public may be able to provide.

Here is their first series of items:

NEED SUPPLIES & SERVICES

RSVP (Retired Senior Volunteer Program) needs:

Fabric, yarn, foam rubber, hose and summer blankets to make lap robes, pillows and walker bags for nursing homes and shut-ins;

craft materails, such as construction paper, beads, sequins, ceramic supplies, etc., to make tray and table favors for orphanages, hospitals and nursing homes;

the loan of an 8 mm movie camera and the assistance of a camera expert to film the activities of local senior citizens with synchronized sound and movie together, if possible.

Title VII Nutrition Program needs:

volunteers to serve as hostesses at Parkview Towers, Culbertson Avenue Baptist Church and Beechwood Community Center.

Volunteers to transport older people to and from the meal centers.

Volunteers to deliver meals to shut-ins.

SERVICES OFFERED

RSVP will provide lap robes for wheel-chair patients, walker bags for people using walkers, and tray favors. They will do mailings for non-profit organizations (fold, stuff and stamp envelopes)

Telecare — a phone call a day to someone living alone. (If you are alone or if you have a relative or friend in need of this service, call Bob Maze, RSVP Director, 948-8330.

Visits to shut-ins.

ACTIVITIES

Parkview Towers — Fischer Dr.; Wednesday — Bingo; Thursday — Shopping trip; Friday — ceramics class.

Beechwood Community Center — 210 Kelley Dr., Tuesday — Bingo; Thursday & shopping trip. Culbertson Ave. Baptist Church — 1739 Culbertson, Thursday — crafts or shopping trip.

A hot nutritious meal will be served at the meal centers Monday through Friday to people 60 years old and older. Phone reservations in before 2 p.m. the preceding day. Cost — suggested fee 50 cents. Contribution is confidential. — No person who is eligible will be turned away because of his inability to contribute.

The South Central Indiana Council for the Aging and Aged would like to serve as a clearing house. For Example; if you need a whee chair or other equipment, or if you have one to loan, please call us.

It is the council's intent to work with DNC, Red Cross, Family Service and all other non-profit organizations, to help meet the needs of the community.

Readers are urged to participate — either by being a recipient or supplying the services and - or supplies.

Volunteers needed at hot lunch site

The Title VII nutrition (hot lunch) program, sponsored by the South Central Indiana Council for the Aging and Aged, Inc., needs volunteers to serve as hostesses at the Corydon Christian Church.

The volunteers are needed to transport people to and from the church and deliver meals to shut-ins.

Those who are interested should call the hospitality hostess, Jewel Conrad, at 738-3334, or the Corydon Christian Church, 738-3939. Meals are served each weekday at noon for persons 60 and over. Participants pay according to financial ability. (Arts and crafts activities are held on Wednesdays.)

Meanwhile, Thelma Bertrand, executive director of the Council, said the council would like to act as a clearing house. For example, if a wheelchair is needed or if you have one to loan, call the council at 948-9161 or 948-8873. The council plans to work with the Red Cross, Family Service and other non-profit organizations to help meet community needs.

NEW HOSPITALITY CENTER—Pearl Martin, left, goes through the food line at the opening of the new hospitaliy center at the Beechwood community center. Serving from left are, Anabell Burdette, Mary Stroud, Charlotte Bill and Mary Carmickle, hospitality hostess. The new center is part of Title VII Nutrition Program. At the opening 38 persons were served. Senior citizens wishing to participate in the program should contact Mrs. Carmickle, 246-2333 or the Nutrition office, 948-8873. Transportation will be furnished. Activities planned for the future include shopping assistance, crafts, games, escort service and nutrition education. (Tribune Photo)

Dear "Mr R S V P"

Thank you so much for your Valentine. Quite a cute idea that cheered many an 'aging heart' was this Valentine.

And thank you for your thoughtfulness. This treat and many others that you have arranged are tributes to your success in this phase of the work of the Council.

Bill - you're just a nice person guy.

Senior citizens need place for meetings

The senior citizens of Harrison County met Feb. 20 in the Old Capitol United Methodist Church basement. A reading on taxes was given by Mrs. Leora Miller, followed by a reading by the president, Miss Dora Faith. Roll call found 48 present. Report was given by the treasurer and the ways and means committee.

A talk was made by Mrs. Thelma Bertrand of New Albany on buying a house to hold senior citizens meeting and for social activities and a dining room to serve the aged and aging. Also a discussion on transportation for both organizations.

A social concluded the meeting. The next meeting will be March 20 at 1 p. m. in the Old Capitol United Methodist Church basement.

Set Public Hearing On The Aged

The Indiana Commission on the Aging and Aged will conduct a public hearing at 2:30 p.m. April 5 in the 3rd floor Assembly Room of the New Albany City-County Building to receive opinions regarding the designation of an area agency and the development of an area Plan for Area 14 covering Clark, Floyd, Harrison, Scott Counties. Mrs. Edna Troth Walker of Orleans, commission representative from the 8th Congressional District, will be presiding. Max Wright, past president, Maurice Endwright, executive director, and Larry Powell, planner, of the Indiana Commission on the Aging and Aged will also participate. All interested persons are invited.

The Area Agency on Aging is a new concept in the development and administration of social services to the elderly. First, the state is divided into planning and service areas small enough to be responsive to local needs. Then an agency is designated in each area that can study the area, coordinate the development of the area, and selectively fund locally needed programs.

The South Central Commission on Aging, 1721 Ekin Ave. New Albany has been tentively selected to be the Area Agency in Area 14 because of the leadership it has taken in the development of programs for the aging.

Commission on Aging to hold public hearing

The Indiana Commission on the Aging and Aged will conduct a public hearing at 2:30 p. m. on April 5 in the third floor assembly room of the New Albany City-County Building to receive opinions regarding the designation of an area agency and the development of an area plan for Area 14 covering Clark, Floyd, Harrison, Scott counties.

Mrs. Edna Troth Walker of Orleans, commission representative from the 8th Congressional District, will be presiding. Max Wright, past president, Maurice Endwright, executive director, and Larry Powell, planner of the Indiana Commission on the Aging and Aged, will also participate. All interested persons are invited.

The area Agency on Aging is a new concept in the development and administration of social services to the elderly. The state is divided into planning and service areas small enough to be responsive to local needs. An agency is designated in each area, that can study the area, coordinate the development of the area, and selectively fund locally needed programs.

Eighty senior citizens gather for noon luncheon at Speed Memorial Church

Eighty senior citizens and five guests were seated for the noon luncheon at the Speed Memorial Church on Wednesday, March 27. The pre-lunch session featured an old fashioned hymn sing in preparation for the Easter Season.

One especially gifted singer in the group made this observation after about six old hymns had been sung. "Well, that's about the best hymn singing I ever heard".

Six members celebrated their March birthdays. They were Mona Merry, Laura Lee, Dean Arnold, Bessie Kahl, Raymond Dougherty and Charles Schaffer. Together their ages totaled 431 useful years, or an average of 71+. Their ages ranged from a youthful 66 to a mature 76, but not an oldster in the lot.

Rev. Harold L. Morrical, pastor of the United Methodist Church in Charlestown, was the devotional speaker at the luncheon. His timely thoughts centered around "Things that Grow"..

He said, Jesus though trained as a carpenter, was very much aware of things that grew, including humans. He often referred to growing things in his ministery, such as the tiny mustard seed and the seed that was sown on several types of soil and the result of that sowing.

The Bible also tells of how Jesus grew from boyhood to manhood. Rev. Morrical said several decisions had to be made before you could have a backyard garden. First there would have to be the decision you really wanted a garden. Then you would need to decide on the best seeds to buy. You would have to decide to prepare the ground, plant the seed and cultivate the plants as they grew.

Another important decision would be the exact best time for the harvest.

Rev. Morrical likened the growing of a life to the growing of a garden. Planning today, for your tomorrow is essential. In summing up his thoughts he read the following little four line verse:

Life is like a garden fair
With sun and water and seeds,
But if you don't really care,
It will grow nothing but weeds.

Robert Maze, director of R.S.V.P. in Clark and Floyd Counties was the after lunch speaker.

He is a personable young man, who is going all out to promote the federally funded Retired Senior Volunteer Program a part of the overall program for persons over 60 sponsored by the South Central Indiana Council for the Aging and Aged, Inc.

Mr. Maze explained the purpose of the RSVP and exhibited a film titled, "What You Do Speaks So Loud". The film shows in a very graphic and entertaining manner the many things senior citizens are doing of a constructive nature on a volunteer basis in their communities.

Mr. Maze is trying hard to recruit senior citizens for volunteer work in Clark County. He is also busy finding places of service for volunteers in non profit agencies and activities.

In addition to those already mentioned the following members were present: Mr. and Mrs. Floyd Himebaugh, Mr. and Mrs. Everett Couch, Mr. and Mrs. Allen McPherson, Mr. and Mrs. Tom Pinckley, Mr. and Mrs. Stockdell, Mr. and Mrs. Victor Huneryager, Mr. and Mrs. James T. Mathley, Mr. and Mrs. John VanWingen, Mr. and Mrs. Clifford R. Leap and Mr. and Mrs. Roy Jackson;

Mr. and Mrs. Hascal Pinckley, Mr. and Mrs. Lester Townsend, Odessa Seibel, May Smith, Ethel Swartz, Lizzie Richardson, Anna Richey, Esther Stouffer, Rose Ashabranner, Katie A. Amos, Myrtle Amos, Marie Schafer, Flora Schafer, Goldie Hinton, Dora Ehringer, Lillie Couch, Bertha Walker, Dora Gray, Martha Vest, Lillian Rogers,

Maude Riley, Georgia Phillips, Alice Beck, Hazel Hecker, Geraldine Brasher, Doris Dean, Helena Bridgewater and Maxine Lasley; Chris Henderzahs, Paul Dilger, Jesse Dorsey, Edward Johnson and William Jones.

The following ladies from the church prepared and served the luncheon: Bea Popp, Helen Cowling, Betty Jean Riggle, Rita Caldwell, Goldie Doughty, Eunice Brasil, Avis Schilling, Margaret Briner, Margaret Snodgrass, Shirley Beyl, Alice Martindale, Lana Rogers, Sandy Nunn and Sally Miller. +

Nutrition Program has increase in attendance

The Nutrition Program celebrated its largest week of attendance March 25 through 29 with 2,167 meals served. Wednesday was a record breaker with 550 Senior Citizens joining in the fun, fellowship and food offered at seven hospitality centers in the three county area. "We are happy to announce that more than 100 people a day are being served than required by the Federal Government," Mary Lukemeier, Project Director, explained.

The increased attendance was due to an extensive outreach effort conducted by Mrs. Lukemeier and a core of volunteers from the three county area.

The nutrition program is planned to meet the nutritional and social needs of people over 60 years of age. Many lonely senior citizens are finding the fellowship their lives have been missing through group activities at the Hospitality Centers. Mr. Joe Rhodes of Corydon, Indiana, comments, "The Nutrition Program has become a regular part of my life. It just makes my day."

RED BUD TOUR

Something for our Senior Citizens -- The Chamber's Annual Redbud Tour sponsored by our Tourist and Convention Committee, chaired jointly by Paul Lipps and Ruth Cole. This year's tour on April 27th will leave Providence Retirement Home at 9:30 am and will include exciting side tours and shopping time. A special lunch with Col. Sanders at The Colonel's Lady Restaurant has been provided at Shelbyville. Colonel Sanders has promised to meet with the group if he is in town on that day. Tickets are $9.75 -- which includes all expenses. They will return to New Albany at 5:00 p.m. Three Greyhound busses, holding a total of 117 senior citizens will make the trip. Financially, your Chamber doesn't make a penny on this one -- in fact we always lose a little, but the excitement and good times that reflect on the faces of those who go make it all worthwhile. Paul, Ruth, Thelma Bertrand, and Linda Baumgart will be bus captains in charge of the tour.

YOU'LL BE PLEASED TO know that our Nutrition Program did some helping, too. They served meals to two women whose house blew away. And they sent out home deliveries to two others.

And the Weekly thanks a whole big bunch of folks who gave good clothing and bedding. So many, so much that the collection station is swamped and hollering Uncle. Well, if you have stuff, and still wish to give, bring it here and tell us whether you want to get the goods to the Mountain Mission, our regular collector, or to local folks. If it's the latter, we will get it to the Salvation Army, or the Volunteers of America, or Goodwill Industries, and it will stay local.

Senior Citizens To Tour Festival

Over 100 senior citizens from Harrison, Scott, Clark and Floyd Counties will be guests in Orleans Saturday attending dogwood festival activities. Mrs. Louis Lukemeier, the former Mary Sleight of Orleans, has planned the senior ciitizen excursion.

Mrs. Lukemeier is director of the Title VII Nutritional program for the South Central Indiana Council for the Aging and Aged, Inc. The program, originating in New Albany, provides free hot nutritional lunches for senior citizens in the four county area. The hot meal program began in Oct., 1973 and serves senior citizens at designated stations throughout the counties. Meals on Wheels, a facet of the nutritional meal program delivers noon lunches to persons who are unable to come to the serving centers.

Mrs. Lukemeier has invited any senior citizen in the program to visit her hometown's annual festival. They will travel by bus to Spring Mill State Park to tour the old village and enjoy a picnic lunch. Arrving in Orleans in the afternoon, members of the group will be visiting the antique display, bazaar booths and the art show. Following the parade, the group will return home.

What a difference a year makes

Senior citizens' council me

By HENRY HAMMAN
Louisville Times Staff Writer

Less than a year and a half ago, the South Central Council for the Aging and the Aged consisted of a volunteer steering committee and a newly hired executive director.

Today, the New Albany-based council runs a growing program that routinely touches the lives of more than 500 elderly persons in Clark, Floyd, Harrison and Scott counties.

The biggest of the council's projects, a nutrition program, serves an average of 350 hot meals a day to old people, as well as providing recreation and transportation.

And now the council is launching a project to provide senior citizens' centers in all four counties and a small bus line to give urban and rural old people greater mobility.

Mrs. Thelma Bertrand, the council's executive director, is excited about the work the council and its subsidiary agencies have done.

Some people weren't expecting much from the council when it first formed, but now they are becoming convinced, she believes.

Numbers tell the story of what the council is doing.

The nutrition program, financed by a federal grant, was set up to serve 288 lunches daily, but on occasion serves as many as 400. The program routinely provides more meals than plan the old people many times meals.

Tom Wills to speak to Senior Citizens

The next meeting of the Senior Citizens will be held at the Speed Memorial Church at 11:30 a.m. on Wednesday, April 24.

The guest speaker will be Tom Wills, the WAVE-TV weather man and a teacher of meteorology at the University of Louisville.

Mr. Wills is an extremely likeable young man and well qualified to talk about the weather and the science of forecasting.

His visit is a timely one coming so soon after the very serious blast of tornados that hit the central states last week.

No doubt the audience will have many questions they would like to ask and he will be happy to answer.

It would be helpful if questions could be written out in advance and handed to the program chairman before the noon luncheon.

However, he will answer questions from the floor as time allows. +

Senior citizens tour Orleans' Dogwood Festival

res growth in new projects

The Retired Senior Volunteer Program (RSVP) started last August with the hiring of Robert Maze as its director.

Maze said the program now has more than 160 active volunteers, working in schools, nursing homes and social service agencies.

Maze said cooperation among the elderly has been excellent. Volunteers are currently making hundreds of paper bag puppets for the New Albany-Floyd County Consolidated School Corp. The puppets will be used in the elementary school instructional program.

Establishing centers for senior citizens in the four counties is one of the biggest projects undertaken by the council.

In Clark County, the center is to be located in Clark Arms, a high-rise housing project for the elderly in Jeffersonville.

In New Albany, the city has purchased a building at 317 Fifth St. for a center, while in Harrison County, a local man has given $44,000 for construction of a new center in memory of his wife. No site has been found in Scott County.

The centers will have recreation equipment for the elderly.

The same program also aims to establish a bus line with regularly scheduled routes that will provide transportation for the elderly.

When in operation, there will be three small buses in service, operating in all four counties.

Money for one of the buses is being partially supplied by the Floyd County Economic Opportunity Corp., which has given the council $4,500.

The council also wants to set up a referral service for the elderly that will tell them where they can get services they need. The council is seeking money to hire a staff member to establish and operate that program.

This week, Mrs. Bertrand was off to Madison, Ind., for instructions on how the council can spend another small grant it received recently to aid elderly victims of the April 3 tornadoes. And all the time she is on the lookout for new sources of financing for a widening scope of projects for the area's old people.

Despite what has been done so far, Mrs. Bertrand thinks the council's program is just beginning.

Senior Citizens attend festival

Over 160 Senior Citizens from Clark, Floyd, Harrison and Scott Counties attended the Dogwood Festival Saturday in Orleans, Indiana. Mrs. Louis Lukemeier, Project Director of the Title VII Nutrition Program for the South Central Indiana Council for the Aging and Aged, Inc. planned the excursion.

The Senior Citizens traveled by bus to Spring Mill State Park to tour the old village and enjoy a picnic lunch. Arriving in Orleans in the afternoon, members of the group visited the antique display, bazaar booths and the Art Show. The day's activities were topped off by a parade, after which the groups returned to their respective homes.

The Title VII Nutrition Program began out of a need established by the White House Conference on Aging to promote good eating habits among Senior Citizens, and to end the isolation of senior years. "The program is as vital to Older Americans as the School Lunch Program is to the children in our community" states Mrs. Lukemeier.

Persons over 60 years of age wishing to join in the activities and enjoy a hot nutritious meal at noon may call the Nutrition Office 9:00 a.m.-4:00 p.m. (948-9973), or Scottsburg Site Director Dorothy Linzay-752-4345 or Corydon Site Director Jewell Conrad-738-3334.+

Purchase of house for use of aged gets board approval

The New Albany Board of Public Works and Safety has approved the purchase of a house at 317 E. 15th St. for use by the South Central Council for the Aged and the Aging.

The house, which costs $17,000, will house the administrative offices and several programs for the council. The council coordinates a number of nutrition, hobbies and crafts, and volunteer workshop programs for senior citizenss in Floyd, Clark, Harrison, and Scott counties.

Mayor Warren V. Nash said the money for the center will come from revenue-sharing funds, the expenditure of which will have to be approved by the New Albany City Council.

To Buy Senior Citizen Center

The New Albnay Board of Public Works and Safety this morning approved the purchase of a structure to house a Senior Citizens group representing four counties.

Price tag for the structure, located at 317 E. 15th St., was $17,000 to be drawn from revenue sharing funds.

It will house the administrative offices and a number of activities of the South Central Council for the Aged and Aging. The group coordinates a number of nutrition, hobby, craft and volunteer workshop programs among Senior Citizens in Floyd, Clark, Harrison and Scott Counties. Directed by Thelma Bertrand, the Council now operates out of the old New Albany Parks and Recreation building at 1721 Ekin Ave.

Mayor Warren Nash said use of revenue sharing funds for Senior Citizen activities had been earmarked as one of the recommended top priorities of the fund program. Final approval for the funding will be tought at the July meeting of the New Albany City Council.

OTHER ACTION

In other Board action, Parks director Sam Peden said last week's rains forced another delay in the expected opening of the Oasis Swim Club. He added that workmen would attempt to complete repairs this week.

The Board approved locations for six new fire hydrants. Three hydrants each will be placed in the Village Pines subdivision nad in the Industrial Park.

No changes other than site improvement at an intersection will be made along Colonial Dr. near the Colonial Club Pool. This decision was announced by the Board in response to the latest request of a resident, Anthony Hughes, 1687 Colonial Club Dr., for traffic control signs in the vicinity.

City workmen will be asked to check the request of Roy Boes, 718 W. Cottom, for removal or trimming of trees in an alley behind his address. Boes also asked the Board to check a hedge obstructing the view of traffic at the West St. - Cottom Ave. intersection.

I am wondering when the city and county governments will return to home rule? It seems that all existing ideas within these governments has to depend on Federal Revenue Sharing. Is it worth the time and effort to explain the money being spent, against the real improvements? I can think of only two worthwhile projects with this federal revenue sharing money. The new sewage plant and the Senior Citizens Building on East Fifth Street. It seems the heads of both governments could do better in overseeing the money wasted. This would add up to more than the Federal Revenue Sharing money. A few examples: how many cars are assigned to unauthorized personnel? How much of this driving is on government business? How about a few answers for the citizens for a change?

Voice Of The People

Congratulations

Dear Editor

In the past I have been very critical of our mayor, city council and board of works. But the time has come for me and the people of New Albany to offer our hand in congratulations for the proposen purchase of a center for our Senior Citizens.

This is an area of thinking that has just begun to be important to us it seems, and I for one feel it is none too soon.

These people (senior citizens) do not want to be put on a shelf and cared for like an antique 'what not." They must be made not only to feel useful but to be allowed to help and be useful.

Some of the sharpest minds and the keenest wit has been shown to the world by our senior citizens. It is very possible that if this segment of our society were consulted they might just have an answer to some of our seemingly impossible problems.

After some of the suggestions for spending revenue sharing money that I have heard in the last few years, I could not help but marvel that this was really being done and I would like to suggest that you the people of New Albany join with me and let your mayor, councilmen and board of works know that you are proud of them.

Grant will be used to assist elderly

"We have been given a small grant to be used to assist older people affected by the recent tornado" announced Thelma Bertrand, executive director of the South Central Indiana Council for the Aging and Aged Inc.

"The money is to be used to contact everyone 60 years old and older in the tornado area in Harrison County and see if their needs are being met. We can offer transportation to agencies geared to provide these services. Maxine Spurgeon, our Outreach worker, can make the contacts for the elderly. In such instances, where there is no source available to obtain the service, the council may extend the necessary funding."

The council is coordinating its services with the Lincoln Hills Development Corp. and has been given office space in their facilities.

Persons 60 years and older who need eye glasses, hearing aids, dentures or other items can call Maxine Spurgeon at 364-6397 or 738-4292, or The South Central Indiana Council for the Aging and Aged, Inc.

Giving Senior Citizens A Boost

This community has taken a far greater interest in the welfare of its senior citizens than most others in the nation.

The success of the South Central Council for the Aged and Aging, the high rise for the elderly under construction and a number of other public and private programs emphasize this fact.

The New Albany Board of Public Works and Safety has added to this fine record by their recent approval of a building to house Senior Citizens activities at 317 E. 5th St.

At a cost of $17,000 taken from Revenue Sharing Funds, the building will be turned over to the South Central Council for the Aged and Aging and will provide administration offices and space for senior citizen activities as well.

Although final approval still must be given by the New Albany City Council there is little doubt it will be approved.

In these days $17,000 is hardly a princely sum, but it certainly will do an enormous amount of good in this situation.

The Council for the Aged is doing a fine job of revitalizing our senior citizens with nutritional programs, fellowship and special activities of all kinds.

The city has realized this and acted to cooperate. It will make life much more pleasant for these people who have contributed a great deal to their community and to the nation.

Whatever we do for them now will be but a small symbol of our appreciation for what they have done for us.

SCOTT COUNTY JOURNAL, SCOTTSBURG, INDIANA Thursday, August 1, 1974

Mrs. Edna Stace (center) was chosen as Scott County's Senior Fair Queen in the first annual contest, which was held at the fairgrounds Saturday under the combined sponsorship of the Austin and Scottsburg Jaycees. With the new queen are Mrs. Nellie Jones (left), second runnerup, and Mrs. M. Katherine Long, first runnerup.

Mrs. Edna Stace Is First Senior County Fair Queen

A diminutive, white-haired senior citizen of Scottsburg was crowned Queen in the first Senior Fair Queen contest to be held at the Scott County Fair Saturday afternoon.

Mrs. Edna Stace, of 342 North Main St., declared in an interview following the ceremony, "I was so excited that I couldn't talk, and that's unusual for me."

A lifelong resident of Scottsburg, Mrs. Stace is active in the Scottsburg Bowling Club, the Title VII Nutrition Program, and is a Sunday School teacher at the Scottsburg United Methodist Church. She is president of both the Scott County Senior Citizens Club and the Older Ladies Association. In her spare time, she enjoys quilting and crocheting. Recently, her peanut butter cookies won a blue ribbon at the Fair. She is the mother of three sons, and is the widow of Owen Stace.

The new queen was awarded a dozen red roses, her crown, and a trophy by the Scottsburg and Austin Jaycees.

Mrs. M. Katherine Long of Austin was named first runnerup from among the six competitors. Mrs. Long is a Board member of Ohio Valley Opportunities, Inc. and is active in the First Baptist Church at Austin. She serves as the clothing chairman of the Scott County Senior Citizens Club of which she is a member, and also belongs to the Scott County Senior Citizens Arts and Crafts Club and the Title VII Nutrition Program.

Second runner-up was Mrs. Nellie Jones of 217 North First in Scottsburg. Mrs. Jones is the second vice-president of the Scott County Senior Citizens Club and belongs to the Lexington Christian Church. She and her husband, George, recently celebrated their 60th wedding anniversary. They are the parents of Charlie Jones of Fishers and Estill Jones of Portage. Mrs. Jones' activities include some crochet work and for three years she has been an member of the Senior Citizens Bowling League.

Other entries in the contest included Mrs. Bertha LaMaster, Mrs. Bessie Cartwright, and Mrs. Marguerite Williams, all of Scottsburg.

Sponsored by the South Central Indiana Council for the Aging and Aged and the Scottsburg and Austin Jaycees, the Senior Queen Contest proved a popular event at the 26th Scott County Fair.

L.L. Lowry, president of the Scottsburg Jaycees and emcee of the contest, commented "We are now planning for next year's contest. We hope to have it bigger and better."

Mrs. Stace, according to Lowry, will now enter competition against three other senior fair queens from Floyd, Clark, and Harrison Counties, on August 10 in New Albany. The winner of that contest will go on to the State Fair contest, to be held on August 15.

Salute to the senior citizens

Harrison County's senior citizens were spotlighted by two different organizations on the same day last week.

On Thursday, the Harrison County Agricultural Society held its first "Old Timers' Day" at the county fair, while the Corydon Optimist Club, in conjunction with the South Central Indiana Council for the Aging and Aged, Inc., sponsored a "Senior Queen Contest."

Mrs. Edith Miller of Corydon (at right) was judged queen from 10 eager contestants interviewed by Master of Ceremonies John Feiock before a small crowd at the Harrison County Farm Bureau Insurance building in Corydon. Runners-up were Ola Brandenburg and Rebecca Ramsey of Corydon. Other contestants were Rosa Cunningham of New Salisbury, Ora Leigh Walter of Elizabeth, and Charlotte Shireman, Elizabeth Bussabarger, Pearl Mauck, Thelma Miller Sherrill, and Jewell Conrad, Corydon. Judges were Mrs. David Dukes, Frank Ordner and Charles Walte Jr. Mrs. Miller will now compete in a regional contest on Aug. 10 in New Albany.

Old-timers invited to the fair saw an exciting afternoon of harness racing, had an opportunity to exchange some tall tales and were honored in several categories. Alva Wiseman of Corydon, 94, (bottom photo) received special recognition for being the oldest person present and attending the most fairs, 93. Talmage Windell, secretary-manager of the agricultural society, presented certificates.

Maze Named VP Of State RSVP Group

At a training session for Retired Senior Volunteer Program directors last week in Indianapolis, an organizational meeting of the state directors was held. The RSVP directors organized in an effort to unite all RSVP directors into one effective statewide organization. The purpose of the organization is to interpret to state and local communities the place of senior volunteers in our society.

An additional effort will be made to co - ordinate senior volunteer programs with other existing volunteer programs. One important aspect of the group will be to align the Retired Senior Volunteer Program more closely with the Indiana State Commission on Aging and the Aged.

Mrs. George Elliott of the Knox County RSVP was elected president of the newly formed organization. Other officers are: Bob Maze, New Abany, vice president; Mrs. Ann Muessel, Madison, secretary; and Mrs. Jeanne Poole, South Bend, treasurer. Mrs. Ann Curry of Elkhart, Mrs. Jane Harrington of Valparaiso, and Al Inglis of Richmond were elected directors for the group.

Maze is the program director of the RSVP serving Clark, Floyd, and Harrison Counties. This local program is sponsored by the South Central Indiana Council for the Aging and Aged, Inc.

Nutrition Program To Change Format

A new nutrition program has been instigated in Scott County for area senior citizens recently, revealed the office of the Title VII Nutrition Program, locatedin n New Albany.

According to Mrs. Mary Lukemeier, the nutrition director, senior citizens have rented a building at 183 South Second Street in Scottsuurg, and have christened it the Scott County Senior House. Meals will be catered by Red's Smorgasbord and tentative menus will be released each week for publication. Previously, senior citizens had eaten their noonday meals at the restaurant on the east side of the Scottsburg downtown square.

Each meal will contain three ounces of cooked meat or an alternate, one 2½ cup serving each of a vegetable and a fruit, one serving of bread with butter or fortified margarine, a ½ cup of dessert, and a ½ pint of milk.

The projected menu plan for the week of September 16 through 20 is as follows: MONDAY: Meatloaf, scalloped potatoes, green beans, white bread, and cherry cobbler; TUESDAY: Spare ribs in barbecue sauce, mashed potatoes, corn, whole wheat bread, and apricots; WEDNESDAY: Pork steak, mashed potatoes, sauerkraut, corn bread, and banana pudding; THURSDAY: Baked chicken, dressing, broccoli with cheese sauce, white bread, and fruit salad; and FRIDAY: Surf-o-patty with tartar sauce, peas, cole slaw, corn bread, and cake.

"Anyone over the age of sixty can participate in the program," explained Mrs. Lukemeier. "We will serve anyoneand no one will be turned away."

Reservations for the lunch program must be made a day before the persons wishes to attend, Mrs. Lukemeier said. To make reservations, senior citizens must call the Senior House at 752-4134 or Mrs. Dorothy Lindsey, site director for the program, at 752-4345.

The cost of each meal to the Title VII Nutrition Program is $1.25, but participants are asked to pay "only according to their ability", according to Mrs. Lukemeier. "We have a suggested fee of $.50 a meal, but anyone can pay above or below that price," she added.

The Title VII program is considered a nutrition program as well as a social outlet for many of the area's elderly. "It's an opportunity for senior citizens to get out and meet other people in the community and have a good time," stated the nutrition director. "We hope to attract many participants at our new location."

Set Seminar On Aging

The City-County building in Jeffersonville, will be the site of an informational seminar on Aging Thursday, Sept. 26. Registration and coffee is from 12:30 to 1:30 p.m. with the meeting at 1:30. Anyone interested is invited to attend and participate. Gene Purlee of Salem, who is executive director of Area 15 Agency on Aging, Inc. is seminar chairman.

Similar meetings, which are an outgrowth of a State Commission on Aging and Aged sponsored consortium of last May, are being held throughout the State by Congressional districts. The Jeffersonville seminar is for district nine. The purpose of the conference is to bring together Older Americans, Commission on aging members and staff, area agencies, county councils on aging, elected officials, candidates, service delivery organizations and interested citizens to become acquainted, exchange information and ideas and discuss the needs of the elderly.

One unique but appropriate feature of the program will be presentations by older Americans on how the elderly themselves view the needs and problems of the aged. Another presentation will provide an overview of area agencies on aging. U. S. and state candidates will briefly express their views on the subject of aging. A panel made up of candidates, elected officials, commission on aging members and staff and area agency directors will respond to both verbal and written questions.

The State Commission sponsored consortium in May defined several issues relevant to the field of aging such as income maintenance, transportation, housing, health care, tax relief, employment and park admission. Chairman Purlee speculated that all of these issues and more would emerge for discussion during the seminar.

The cost of each meal to the Title VII Nutrition Program is $1.25, but participants are asked to pay "only according to their ability", according to Mrs. Lukemeier. "We have a suggested fee of $.50 a meal, but anyone can pay above or below that price," she added.

The Title VII program is considered a nutrition program as well as a social outlet for many of the area's elderly. "It's an opportunity for senior citizens to get out and meet other people in the community and have a good time," stated the nutrition director. "We hope to attract many participants at our new location."

It's been ten years since Hook's began sponsoring the official program of the Indiana State Fair. This tradition and our other participation at our State's "annual meeting" become more enjoyable each year, especially when we realize that the Fair is unique as the only continuous, indestructible, living link to our Hoosier Heritage over the past one and a third centuries.

As the years have passed, our life styles have changed greatly, making the continued success and growth of each succeeding Fair a remarkable achievement. Yes, it is a reflection of the "Good Ol' Days", but with it are new techniques in agriculture and industry. There are new accomplishments in the arts—not just cultural, but those of the family and home, too. The contemporary programs displayed by our state universities are always impressive. Yet through all of it comes the shining, exemplary participation of thousands of wholesome, energetic young people who give our big Fair solid footings for the future. The Fair is just like it's always been, but always changing, always different, stimulating and fun.

We hope you will go home with many happy memories, but realize our good fortune to live in a nation where such a free exchange is possible. Most important, let's resolve to make a conscious day-by-day effort to help preserve our precious natural environment that gives us our Fair.

We've enjoyed our part here and look forward to serving you any or every day of the year at your hometown Hook's Drug Store.

Sincerely,
HOOK DRUGS, INC.

Norman P. Reeves

Norman P. Reeves, President

It is a great pleasure for me to welcome you to our Indiana State Fair.

As the song goes . . . "our state fair is a great state fair" . . . this is especially true in Indiana. This is due to the efforts of the Board of directors and all the Hoosier citizens who contribute their time, talent, and products to give our fair something extra.

I hope that your visit to the Indiana State Fair will be both a pleasant and memorable occasion.

Kindest personal regards,

Otis R. Bowen

The Board of Directors and the entire staff bid you a cordial welcome to the 119th Indiana State Fair.

Nearly a year has been spent in presenting this giant exposition providing a panoramic report of progress and achievements of this great state.

The 1974 State Fair offers a multitude of events, exhibits and entertainment to please the entire family. Your Indiana State Fair Board of Directors constantly strives to present agricultural, industrial and youth programs that frame Indiana as the "heart" of America.

To each and everyone, both Hoosiers and our out-of-state friends alike, I extend a personal welcome from each of us to each of you.

Set Seminar On Aging

The City-County building in Jeffersonville, will be the site of an informational seminar on Aging Thursday, Sept. 26. Registration and coffee is from 12:30 to 1:30 p.m. with the meeting at 1:30. Anyone interested is invited to attend and participate. Gene Purlee of Salem, who is executive director of Area 15 Agency on Aging, Inc. is seminar chairman.

Similar meetings, which are an outgrowth of a State Commission on Aging and Aged sponsored consortium of last May, are being held throughout the State by Congressional districts. The Jeffersonville seminar is for district nine. The purpose of the conference is to bring together Older Americans, Commission on aging members and staff, area agencies, county councils on aging, elected officials, candidates, service delivery organizations and interested citizens to become acquainted, exchange information and ideas and discuss the needs of the elderly.

One unique but appropriate feature of the program will be presentations by older Americans on how the elderly themselves view the needs and problems of the aged. Another presentation will provide an overview of area agencies on aging. U. S. and state candidates will briefly express their views on the subject of aging. A panel made up of candidates, elected officials, commission on aging members and staff and area agency directors will respond to both verbal and written questions.

The State Commission sponsored consortium in May defined several issues relevant to the field of aging such as income maintenance, transportation, housing, health care, tax relief, employment and park admission. Chairman Purlee speculated that all of these issues and more would emerge for discussion during the seminar.

The Title VII program is considered a nutrition program as well as a social outlet for many of the area's elderly. "It's an opportunity for senior citizens to get out and meet other people in the community and have a good time," stated the nutrition director. "We hope to attract many participants at our new location."

Set Seminar On Aging

The City-County building in Jeffersonville, will be the site of an informational seminar on Aging Thursday, Sept. 26. Registration and coffee is from 12:30 to 1:30 p.m. with the meeting at 1:30. Anyone interested is invited to attend and participate. Gene Purlee of Salem, who is executive director of Area 15 Agency on Aging, Inc. is seminar chairman.

Similar meetings, which are an outgrowth of a State Commission on Aging and Aged sponsored consortium of last May, are being held throughout the State by Congressional districts. The Jeffersonville seminar is for district nine. The purpose of the conference is to bring together Older Americans, Commission on aging members and staff, area agencies, county councils on aging, elected officials, candidates, service delivery organizations and interested citizens to become acquainted, exchange information and ideas and discuss the needs of the elderly.

One unique but appropriate feature of the program will be presentations by older Americans on how the elderly themselves view the needs and problems of the aged. Another presentation will provide an overview of area agencies on aging. U. S. and state candidates will briefly express their views on the subject of aging. A panel made up of candidates, elected officials, commission on aging members and staff and area agency directors will respond to both verbal and written questions.

The State Commission sponsored consortium in May defined several issues relevant to the field of aging such as income maintenance, transportation, housing, health care, tax relief, employment and park admission. Chairman Purlee speculated that all of these issues and more would emerge for discussion during the seminar.

AMERICAN ASSOCIATION OF RETIRED PERSONS
PRESIDENTS MESSAGE

The August meeting, the end of summer, was privileged to hear Thelma Bertrand, head of the South-Central Council on Aging and the Aged, 1721 Ekin Ave., New Albany, Ind., speak on the origin, nature and work of the Council. Mayor Richard Vissing spoke of this at my suggestion during the inauguration meeting last April. Mr Bob Maze represented the Council to us in the June meeting, presenting the many avenues of the Volunteer Services program. Mr. Bertrand offered our AARP Chapter a seat on the Council. No one volunteered to represent us at the time. Since then I have informed Mrs. Bertrand that the Chapter accepts the seat and that I shall fill it, at least until I can appoint another member permanently. Our membership in the Council I think will be mutually beneficial. I hope we can cooperate with them. And I am assured of their cooperation with AARP. Jeffersonville Chapter.

Mrs. Rose White inquired of AARP INSURANCE PLAN concerning discounts on paying premiums by the year. No discounts are allowed, but one may pay by the year or any fraction of the year they find convenient-e.g. every 3 or 6 months.

Purdue University Dept. of Agriculture Extension Service has notified us of the Extension Home Economics meetings scheduled for Fall. They meet as the OPEN DOOR EXTENSION HOMEMAKER CLUB, New Albany City-County Bldg., Room 331, 10:00 a.m. till noon on the fourth Friday of each mo. Subjects: Sept. 27, "Does My Vote Count"? Oct. 25, "Christmas Ideas" Nov.22, "Patchwork Vests". Other TRAINING MEETINGS at New Albany Public Library Auditorium 10:00 a.m. till noon. Sept. 26 "Accesserizing new fabrics for clothing, Oct. 24, "Quick and Easy Meals".

Senior Citizens Meals noon weekdays at Wall Street Methodist Church, Gilt Edge Baptist Church, and Clark Arms. Catered by Tommy Lancaster. Balanced meals to meet federal requirements. Only qualification: person must be 60 years of age. No financial or other consideration. This is another of the Council for the Aging and aged projects, with federal aid. An evenlope is at each place. The meal cost $1.15, but there is no charge. A guest places in the envelope whatever he or she wishes to give. Those of better means can give any amount they wish. Those who cannot afford a contribution need give nothing. The envelopes are collected at the end of the meal. The meals are designed as an opportunity for a hot nutritional meal and socialiization with old and new friends. This is a real help to people living alone, as well as to others who need to get out with other people. It is an opportunity for other older people who perhaps have adequate meals and social schedules to extend their activities to include these others who have not the advantages of extensive social contacts. Thelma Bertrand of the SC Council told us of these programs.

Another thing the Council has received some help for is the bus service for Senior citizens. I understand it is operating on a limited scale in Corydon and Scottsburg. The planning for here is not yet implemented. Thelma Bertrands's talk last meeting told us of the plan.

Conference focuses on problem of medical care for the elderly

By SANDRA EARLEY MARSH
Louisville Times Staff Writer

Medical-care problems of the elderly dominated a seminar on aging yesterday in Jeffersonville as a number of senior citizens said they are having difficulty finding doctors who will treat older patients.

As a result of the discussion, the seminar recommended that the State Commission on the Aging and Aged investigate charges that doctors refuse to treat elderly patients because of the requirement to fill out medicare and Medicaid forms for payment.

The recommendation was the only one adopted by the seminar which was attended by about 20 senior citizens and a dozen incumbent state and national elected officials, their challengers, and representatives of area agencies serving senior citizens.

This seminar was the third of 11 to be held in the state's congressional districts. Jeffersonville is in the 9th District. The seminars are the result of a recommendation from a May meeting of the state commission. The purpose of the meetings is to exchange information and discuss problems of the elderly.

Mrs. Georgia Bushau, of Jeffersonville, focused the seminar's attention on the difficulty senior citizens have in finding a doctor.

She described her efforts to find a doctor after her family doctor died. She told of being refused an appointment when a doctor's staff member found she was over age 60.

Mrs. Catherine B. Richardson, 78, of Jeffersonville, one of the seminar's panel members, said "Letters (from doctors) have been circulated in this community about this. They have said something like, 'I will treat you free but I will not fill out forms for medicare. The doctors' excuse is that they don't want to fool with the red tape," she said.

Staff Photo by Sandra Earley Marsh

Mrs. Catherine Richardson, 78, has her say at the aging conference.

"Suffice it to say medicare in general needs to be restudied and we need to have better relations with doctors," Mrs. Richardson said.

After other senior citizens commented on similar medical-care problems, David McFall, administrative assistant to 9th Dist. U.S. Rep. Lee H. Hamilton, said he has heard similar complaints throughout the 9th District.

"It's hard to pass a law just to make doctors treat a certain group of people. Our frustration is (over) what you do about this problem," he said.

During a formal talk at the beginning of the seminar, Mrs. Richardson focused on the problems of senior citizens living on fixed incomes, a group she called "the people with too much, but too little."

She said these elderly people are often ineligible for federal housing or medical-care programs because their incomes are too high, but their incomes are not enough for them to live comfortably.

"We need to study this thing of eligibility — what we've got is good, but we need more," she said.

Political candidates present at the seminar spoke during its opening segment. Many said they thought property-tax relief is needed for senior citizens.

Maurice McDaniel, of New Albany, a lawyer and Republican state representative from the 68th District, told the conference about an elderly client whose property-tax bill several years ago was $231 a year. "But by 1972, it was $1,300 and about all he could do was sell his property, rent a little apartment, and try to live on what he got for his land," McDaniel said.

Robert McIntosh, of Jeffersonville, Democratic candidate for the 67th District seat in the state House of Representatives, said more property tax relief is needed.

"Much of the property tax goes to education and senior citizens don't have children in the schools. They are paying for other people's children," he said.

McIntosh's opponent, incumbent state Rep. Richard B. Wathen, of Jeffersonville, said the last session of the General Assembly removed the state sales tax from grocery store food and "that was a good thing." He also said the next session will consider a state program which would provide free medicine to tuberculosis patients.

Other candidates and incumbents attending the seminar were: Delson Cox Jr., Democratic candidate for 9th District U.S. representative; District 46 state Sen. Frank O'Bannon, D-Corydon; Dale W. Mitsch, of Georgetown, Republican candidate for 46th District state senator; and Merwyn T. Fisher of Pekin, Democratic candidate for 64th District state representative.

THE COURIER-JOURNAL, FRIDAY, SEPTEMBER 27, 1974

Some doctors reject elderly, conference told

By JOE HOLWAGER
Courier-Journal Staff Writer

Southern Irdiana doctors who experienced an unexplained call to conscience yesterday afternoon can blame it on a seminar on aging held at Jeffersonville.

Some of the elderly attending that conference openly scorned a seemingly discriminatory practice carried out by certain physicians.

Georgia Bushau, Jeffersonville, opened the dialogue when, during a question-and-answer session, she stood up in the audience and related that on seeking the services of a physician in her community recently she was turned down because the doctor was not accepting new patients past age 60.

Mrs. Bushau's problem apparently is not an isolated one among the aged, and those at yesterday's seminar felt strongly enough about the problem to recommend that the State Commission on the Aging and Aged investigate the practice.

A resolution on the matter was the only recommendation adopted during the seminar, which was one of 11 being held throughout the state, in each of the U.S. congressional districts. Yesterday's session was sponsored by area agencies on aging.

Several political candidates in the fall elections participated in a panel discussion as one feature of the program.

The afternoon's key speaker, Mrs. Catherine B. Richardson, 78, Jeffersonville, agreed with Mrs. Bushau that the aged sometimes have unusual problems in getting adequate medical care.

Mrs. Richardson, who is active in the Retired Senior Volunteer Program (RSVP) and an adviser to the Title VII nutrition program for the elderly in a four-county area, said a better relationship between the aged and doctors has become a "crying need."

She said some doctors refuse to take elderly patients because they do not want to have the bother of attending to the paperwork and "red tape" involved in processing Medicare claims.

"There has to be between the profession that treats people . . . a meeting of the minds where they agree to take their fair share of old people — red tape or no red tape," Mrs. Richardson said.

The resolution adopted by the group asks that the problem be investigated and action taken against doctors following a practice of refusing or discouraging elderly patients.

It was suggested that grievances could be filed against offending physicians with the state licensing board for physicians or the state Medical Society.

Asked at one point in the discussion by the seminar chairman, Gene Purlee, Salem, if other persons were aware of incidents similar to that reported by Mrs. Bushau, Sister Mary Loyola said she knows a Floyd County doctor who will not accept senior citizens as patients.

The sister, who is administrator of the Providence Retirement Home in New Albany, said the doctor said there was "not much that can be done about them (the elderly); they are going to die anyway."

C. Luther Bostrom, a staff representative of the State Commission on the Aging and Aged, said after the seminar that he was surprised by the issue, which differs from key aging issues defined during a May legislative consortium sponsored by the commission.

He said, however, that perhaps the problem cited during yesterday's seminar deserved to be lifted in priority above some of those already defined. The recommendation will be forwarded to the state commission for its consideration, he said.

Mrs. Richardson said the inadequacy of retirement incomes to meet the rising cost of medical care is one of the most pressing problems faced by the elderly.

Those persons living today on fixed incomes perhaps suffer the most, she said. Since they have some financial resources, they don't qualify for the extra assistance programs beyond Medicare for which poor persons quality, she said.

Mrs. Richardson referred to this middle class of the elderly as "the people of too much, but too little."

Mrs. Richardson said the Medicare program, with its current eligibility requirements, doesn't go far enough in helping enough of the elderly. She suggested that eligibility be broadened.

About 40 persons, including panelists and speakers, attended the seminar.

Congressional and state legislative candidates participating in a panel discussion on needs of the elderly were Delson Cox Jr., D-Salem, candidate for 9th District U.S. representative; David McFall, an administrative assistant for 9th District Rep. Lee H. Hamilton, D-Columbus; state Sen. Frank O'Bannon, D-Corydon, of state Senate Dist. 46; Dale W. Mitsch, R-Georgetown, candidate for the District 46 seat; state Rep. Richard B. Wathen, R-Jeffersonville, of state House District 67, and Robert McIntosh, D-Jeffersonville, candidate for the District 67 seat; state Rep. Maurice McDaniel, R-New Albany, of state House District 68; and Merwyn T. Fisher, D-Pekin, candidate for the House District 64 seat.

Seeking Talented Senior Citizens

Thelma Bertrand and Wanda Whitaker are looking for talented Senior Citizens to sing, dance, or play an instrument on stage — Saturday, Oct. 12, at 2 p.m. for Harvest Homecoming. Mrs. Bertrand says that the Senior Citizens are anxious to show the Homecoming crowd just what they can do and that they aren't going to let the youngsters show them up.

This event promises to be an afternoon of fun again this year with many of Golden Age Citizens showing their talents. Those 60 years or older who want to be, a part of the excitement, may contact the Homecoming office, Thelma Bertrand 945-9161, or Wanda Whitaker 945-6134.

Hear About Meals Program

Falls of The Ohio Woman's Club met recently at the home of Mrs. Walter Shine, where members heard Thelma Bertrand, executive director of the South Central Indiana Council for the Aging, speak on the successful program of providing hot meals each day to senior citizens. Following the introduction by Mrs. Harry Stover, Mrs. Bertrand informed the group of eight locations where these hot meals are served each day.

The meeting was called to order by president, Kathleen Donohoe with a pledge to the flag.

Devotions were giver by Mrs. Elizaebth Burns, followed by the club collect by Mrs Walter Shine.

Also as part of the program, Mrs. Bertrand demonstrated puppet sacks with pictures of animals to represent the letters in the alphabet, given to first graders in the schools, and made by senior citizens with help from teenage girls from the downtown council.

She also displayed interesting drawings made by fourth grade students and papers written by them on what they think of senior citizens.

Also at the meeting, ways and means committee reported on a dinner party held recently to make plans for the booth at Harvest Homecoming.

Announced at the meeting was the Indiana Federation of Clubs third district meeting to be held Thursday, Oct. 17 at the Old Capital Inn, Corydon. Mrs. John Nolan will preside.

Dear Thelma Bertrand

Each of the Area Queens owe you a great vote of thanks for the way the State Sr. Queen Contest was conducted. I have told many people who asked and all are most impressed! Thank you for all you did for each of us and especially all you did for me after the contest.

It was truly a most memorable week and a fantastic experience! A "once in a lifetime" one!!

Have been busy every minute it seems since coming home and have more engagements coming up! It is fun though!

Please excuse my slowness in writing. I have been snowed with so many cards, gifts etc. It is so great to have the love of people who care! I am humbly thanking all for this privilege!

Rest assured I shall do all in my power to forward the causes of all Sr. Citizens. If you see or know of more I should be doing - please do let me hear from you about it! Thank you, again

Sincerely
Alice M. Bird

Estimate 100,000 Saw Festival Parade

By JACK POWERS

Police today estimated that up to a hundred thousand persons were "sidelined" in the New Albany Uptown and Downtown last night to watch the big parade, an extravaganza believed to be the biggest of all such Harvest Homecoming affairs.

With some two hundred units in the line of march, some of them still were forming in the area of the New Albany High School on Vincennes St., as the first units were disbanding at Bank and Elm Sts.

There was a dazzling array of floats, augmented by dazzling young baton twirlers, martial music by half a dozen bands, clowns to bring sparkle to the eyes of youngsters who stood with bated breath as the parade went by, politicians and numerous novel entries, from an ancient train to minibikes ridden by Shriners. There were balloons of all shapes and sizes, giving the appearance of something like Macy's Parade at Thanksgiving.

HARD TO PICK

The judges, at their reviewing stand on the big "front porch" of Providence Retirement Home on E. Spring St., at 7th, had a difficult task to pick out the bestest when there were so many of the mostest, and all well qualified for a prize.

The selections came down to the following:

The New Albany Mayor's trophy, to the Senior Citizen Queen entry; the trophy of the Harvest Homecoming president Clarence (Bud) Ettel, the Pillsbury Mills entry; Commercial trophy. the Union National Bank; Junior Citizens float, the Salvation Army; the Henry Ramiser trophy, the Floyd County Education Association; the Theme trophy, the Rebels Square Dance team; the best commercially built float, to Frisch's restaurant, and the Sweepstakes float, to the Head Start organization.

The Kosair Shriners mechanized unit won for its "precision."

SPECIAL AWARDS

Special recognition awards went to the Suzanne School of Dance; Golden Knights; Skyline Lakes; Chamber of Commerce; Robert E. Lee; Banana Splits; Circle J. Square Dance Club; Campers and Hikers Association; Indiana Bell Telephone; Fraternal Order of Police. These trophies can be picked up at the Ekin Avenue Recreation Department on Monday.

For more than an hour prior to the formation of the first units off Vincennes St., the throngs were arriving in New Albany "at about all entrances." Harrison Counitans were pouring in from 111, those from the areas of Sellersburg, Scottsburg and Pekin, over 31-W, and the Minton and Kennedy bridges were unloading the visitors from Louisville and Clarksville and points in-between and beyond.

The parade was spearheaded by a car carrying the representatives of both the City of New Albany and Floyd County, Mayor Warren Nash and Circuit Judge Paul J. Tegart.

The line of march was from the high school building south on Vincennes to Spring St. and thence west on Spring to Bank, the units disbanding at the Elm Street interseciton.

Ideal weather was a vital factor in bringing out what is believed to be an unprecedented crowd for such a night of nights, and the entries in the parade measured up entirely to the performance of the weatherman.

Senior citizens mark anniversary of meals program

Senior citizens in four Southern Indiana counties had lunch together yesterday and celebrated the first anniversary of the Title VII nutrition program, administered by the South Central Indiana Council for the Aging and Aged.

Thelma Bertrand, council executive director, said nearly 600 persons had reservations for lunch at eight sites in Clark, Floyd, Harrison and Scott counties. About 200 participated in opening day of the program a year ago.

Title VII is a federally funded program, which provides one nutritious meal at nominal cost, five times a week to persons over 60.

According to Mrs. Bertrand, following is the number of persons who ate meals at each of the centers during the last year and the total number of meals served:

Charlestown, 142 and 9,432; Corydon, 200 and 11,436; Gilt Edge in Jeffersonville, 65 and 7,577; Parkview in New Albany, 265 and 12,499; Wall Street in Jeffersonville, 244 and 9,672; Clark Arms in Jeffersonville, 179 and 10,083; Beechwood in New Albany, 286 and 15,207, and Scottsburg, 179 and 3,862.

* Beechwood picked up most of the Meals on Wheels recipients from Floyd County when their funding ran out. These recipients were not requested to pay under Meals on Wheels. Therefore, it was virtually impossible for us to re-educate these people on Title VII guidelines.

* Scottsburg: Prior to our administration of the program the cost of the meals at the restaurant was set up at $1.50, which reduced our income from sale of meals. The cost of the meals served at the Center is now $1.25.

Charitable

Corydon man giving away his, deceased wife's savings – $200,000

By JOE HOLWAGER
Courier-Journal Staff Writer

CORYDON, Ind.—Every community ought to have a Joe Rhoads.

Rhoads, 79, is in the process of giving his life savings and that of his deceased wife, May,—about $200,000—to charitable purposes here.

The only guideline for distribution of the money is that it be used to assist the young and the elderly.

Of his efforts, Rhoads simply says: "What I am trying to do is be an example."

The first concrete evidence of his giving is taking shape in the form of a senior citizens' center due to be opened Nov. 21.

A two-story house near downtown Corydon is being remodeled for this purpose and will be named the Harrison County Senior Citizens Center.

The center will become a meal site for the federally funded Title VII nutrition program for the elderly. Corydon-area residents now participating in the program meet for lunch five times a week at the Christian Church.

The new center also will contain a lounge area for television viewing and other activities. There are plans to build a woodworking shop and possibly a sewing center adjoining the back of the building.

On the rear of the lot, a rectangular, concrete block building is being remodeled for use as a meeting place for area civic and fraternal organizations.

Rhoads already has spent $45,000 for the purchase and improvement of the property, according to Joe Stepro, a retired Corydon man whom Rhoads tapped to attend to practical matters.

Most of Rhoads' money will be channeled through a nonprofit foundation established earlier this year—the May and Joe Rhoads Memorial Fund, Inc. A separate foundation — the Harrison County Senior Citizens Center, Inc.—is being formed to manage the new center.

Stepro said the foundation formed to manage the center will be endowed with about $55,000. Revenue from the investment of the endowment will be used to maintain the center buildings.

The center will be dedicated to the memory of May Frank Rhoads, who died on Thanksgiving Day last year—nearly 15 months after the couple came to Corydon to live out the remainder of their lives.

They came to Corydon after spending 34 years in Washington, D.C., where Rhoads was employed by the U.S. Department of Commerce for 21 of those years.

Mrs. Rhoads was a Harrison County native who once taught school in Corydon, and in later years was known to the community through the weekly column, "Round and About Washington," she wrote for The Corydon Democrat.

Staff Photo by Joe Holwager

JOE RHOADS, 79, of Corydon, said it's not just his and his deceased wife's money he's giving —"We giving a slice of our lives."

Mrs. Rhoads' health began declining after she suffered a heart attack in 1953, and she was bedridden when they came to Corydon in August 1972. The couple never had any children.

"This money, you see, is really the distribution of my estate and her estate," Rhoads said last week in an interview.

Before dying, May Frank Rhoads instructed her husband to keep busy after her death and be of some service to the community.

A man with amazing energy for his age, Rhoads talks of the senior citizens center project as the first of several he has in mind to benefit the Corydon community.

"We're not going to stop here. We're going to go on," he said.

Although the senior citizens' center is being developed entirely with his money, Rhoads indicated that he will seek community support for future projects while providing seed money from his funds. Matching funds from government agencies and nonprofit foundations also will be sought, where appropriate.

None of the future projects has been defined yet, but Rhoads mentioned a civic auditorium and public swimming pool as community needs that might be explored.

So far, the Corydon community appears to have reacted with only mild interest to Rhoads' philanthropy. But some in town believe the opening of the senior center may generate some enthusiasm and excitement about what is happening.

One of those is Robert O'Bannon, a former state senator and retired publisher of The Corydon Democrat and Mrs. Rhoads' cousin.

"I think people still take a Missourian attitude of 'show me,' " O'Bannon said.

"As a whole, we think that it (Rhoads' philanthropic plans) will be a fine thing for the community," O'Bannon said.

He added that what Rhoads is doing could "become a perpetuating thing in the community."

Nothing could please Rhoads more.

Rhoads, the son of a Montana cattle-brand inspector, has led a frugal, hard working life.

In St. Paul, Minn., where he spent most of his youth, Rhoads worked cleaning out stalls at the stockyards while attending Macalester College, where he earned a bachelor's degree in social science and mathematics.

He later received a master's degree in agri-business from the University of Minnesota, only to find he couldn't get a job in that field and had to settle for a timekeeper's positon at a packing house.

In 1920 he took a teaching position in Rochester, Minn., that paid $1,800 a year. His work teaching senior high school and junior college launched an association with the academic life that lasted 18 years.

Later, he moved on to Northern State Teachers College, Aberdeen, S.D., and to the University of Oklahoma, where he met his wife, May, who was a journalism instructor there.

Rhoads said they delayed marrying for five years, because they were both devoting much of their financial resources to supporting other members of their families.

In the meantime, he studied summers at the University of Iowa, and in 1931 received a doctorate degree in business administration. From 1932 to 1938 he directed the Department of Business Administration at the University of Omaha in Nebraska.

The couple went to Washington, D.C., in 1938, and Rhoads held a number of temporary jobs there before joining the marketing division of the Department of Commerce. There he edited bulletins for general distribution on a number of topics, including wholesaling, retailing, advertising, shopping centers and community development. He retired in 1964 at the age of 69.

Rhoads will live in an apartment on the second floor of the senior citizens center. Due to a restriction on the center's non-profit status, he will have to pay rent to the foundation—which he set up with his own money—while living at the center.

Being able to use the money that he and his wife accumulated over a lifetime to meet community needs in Corydon is a source of great satisfaction to Rhoads.

But then, as he points out, it's not just their money that he is giving.

"Do you suppose the money we're giving is the only thing we're giving" he asked.

"No, it isn't. We're giving a slice of our lives," Rhoads answered.

Business Women To Honor '74 Woman Of Achievement

This year as in years past, the New Albany Business and Professional Women's club will select a "Woman Of Achievement" at their annual achievement luncheon this year being held at the New Albany Country Club, Oct. 19, beginning at 1 p.m.

Nominees for this year are Thelma Bertrand, sponsored by the Falls of the Ohio Woman's Club of New Albany; Betty Brock, sponsored by the Pilot Club of New Albany; Norma O. Goodwin, sponsored by the New Albany Business and Professional Women's Club; Mary Ann Morrison, sponsored by Alpha Sigma chapter of Beta Sigma Phi sorority; and Jo Ann O'Rear, sponsored by Altrusa Club of New Albany. Other activities to kick off National Business Womens Week, Oct. 20-26, include in addition to the achievement luncheon, an 8:15 a.m. BPW church service at DePauw Memorial United Methodist Church, followed by a breakfast at the home of Helen and Thelma Coleman, 606 Woodrow, New Albany.

Guest speakers for 17th annual award luncheon Oct. 19, will be Dr. Claudia Disman Crump, associate professor of Elementary Language Arts and Social Studies Methods at Indiana University Southeast; and co-director of the Grant Line project, a field-based teaching experience for methods students.

Dr. Crump recently visited schools in the Soviet Union and England and has just returned from a conference on peace education sponsored by the World Council for Curriculum and Instruction at Keele University, England.

THELMA BERTRAND

Director Named Nominee

Nominated by the Falls of the Ohio Woman's Club of New Albany, Thelma Bertrand has worked in a number of positions, each of which being filled with more responsibility.

At the present time she is Director of the South Central Indiana Council For The Aging and Aged, Inc.

As director, she has the responsibility of writing proposals for federal grants. This includes the Title 7 Retired Service Volunteer Nutrition program and the program known as RSVP. These programs were written by her.

By being interested in PEOPLE, she has reached this high point in her career whereby she is instrumental in providing programs as well as nutrition for senior ctizens.

Through her leadership and personal concern for Senior Citizens, Mayor Warren V. Nash and the New Albany City Council purchased a building and gave it to the South Central Indiana Council for the Aging and Aged, Inc. to be used as an office and a Senior Citizens Center.

In less than two years, Mrs. Bertrand has developed a program whereby many Senior citizens have become healthier and happier active citizens.

She began her career at DuPonts in Charlestown during World War II, worked for the Union National Bank for eight years. She was secretary to Max Mason at the Southern Abstract Company, later became office manager at Robinson Nugent Company and worked at the Employment Security Division, hiring and training young people, before becoming director of the council for Aged and Aging.

Rhoads Foundation sponsors Senior Citizens Center here

"Let's do nice little things for people," was the admonition of Mrs. May Frank Rhoads to her husband Joe, before her death last year.

On Tuesday of last week, Mr. Rhoads, 79, chose the first anniversary of the Title VII nutrition program to announce some of the "little changes" that are planned.—A Senior Citizens Center for Harrison County with a related meeting room for civic groups.

The Center located on South Mulberry Street in Corydon (Former home of Jay Curts) begins with a $200,000 endowment from Rhoads estates. $100,000 established the May & Joe Rhoads Foundation and $100,000 established the Harrison County Senior Citizens Center.

Dr. Rhoads (he is a retired government worker and college professor) told his fellow Senior Citizens the new Center was their's and would offer them the opportunity to "engage in projects that are of economic as well as practical bebenefit."

The May & Joe Rhoads Foundation will be the "planning or thinking arm of the Center" says the founder, while the "Senior Citizens Inc. will be the doer or managing part of the project."

The new Center has already cost Rhoads about $45,000 for purchase and remodeling.

Slated to be open about November 21st, the Center will become the meal site for the Nutrition Program now being served in the Corydon Christian Church.

There will be a lounge for all types of group entertainment for the Senior Citizens that will include lectures, song fests, movies and guest speakers.

Rhoads who believes that oldsters should engage in "projects that are substantial" plans a wood working shop and a sewing machine shop at the center. "Why should our talents be shelved in their prime," questions Dr. Rhoads.

On the rear of the lot a concrete block building is also being remodeled for use as a meeting place for small groups of civic and

fraternal organizations.

"The Center and related buildings will be completely air conditioned for summer," says Center Manager Joe Stepro, "and carpeted and heated for winter."

Rhoads has named Stepro as president of the Senior Citizen Center, himself as treasurer and Mrs. Robert O'Bannon, secretary.

Stepro was also one of the first to receive a plaque from the Rhoads Foundation in recognition of his "ability to get things done" as Dr. Rhoads told the Senior Citizens last Tuesday.

The Center itself will be dedicated to the memory of Mrs. Rhoads, who died 15 months after the couple came to her native county to live out their lives.

They had spent 34 years in the nation's capital where Rhoads was employed by the U.S. Department of Commerce.

Mrs. Rhoads was the daughter of Mr. and Mrs. Cliff Frank of Mauckport and had taught school in Corydon.

The Rhoads met at the University of Oklahoma, where Mrs. Rhoads was an instructor in journalism. They delayed marrying for five years says Mr. Rhoads, because they were both devoting much of their resources to supporting other members of their families.

Rhoads says of the Foundation and Center, he is merely putting into practice the things he studied and taught in classrooms since 1918. He says he would still advise young men to "seek their fortunes"in the same way as he did. Living in St. Paul, Minnesota, his parents were unable to afford college but he worked cleaning stalls at the stockyards and earned enough to attend MacAlester College. Here he earned a bachelor's degree in social science and mathematics.

Later he secured a master's degree in agri-business from the University of Minnesota only to find the depression had depleted that field. Undaunted he took a job as time keeper in a packing plant and taught math at the University.

A friend secured him a teaching position in the Minnesota public schools and continued to work on his Doctorate in economics.

He studied summers and taught winters and from the public schools he went on to the University of Iowa to head the Department of Business at the University of Omaha, Nebraska.

Another friend advised that if "he came to Washington there would be a good paying job for him." Rhoads took a number of civil service positions before receiving a permanent appointment with the Department of Commerce. There he edited bulletins for government distribution on a number of topics, including retailing, advertising, direct mailing, shopping centers and community development. He retired in 1964 at the age of 69.

"They didn't give me a farewell party," says the energetic Mr. Rhoads, "because I wouldn't let them—you see I loved my job and I didn't want to retire."

And "retiring" is what he is refusing to do yet today—"I've other plans for projects in Corydon," says Dr. Rhoads, "substantial projects like a civic center, special school for health careers and all kinds of things—waving his hands in an anticipating of getting on the move. +

Nutrition Project celebrates anniversary

The Nutrition Project for the Elderly, which is held daily at the Friendship Center in Charlestown is now one year old.

The project which provides hot meals for the elderly once each day, as well as recreation and handwork, began last October 8 with less than 10 in attendance.

On their first anniversary there were 66 present, there is an average attendance of 35; however one day there were over 100 present.

This project which is one of the better things to come to Charlestown, provides these people, some of whom are alone with a well balanced meal, fellowship with people of their own circumstances and something to look forward to each day.

There have been several bus trips to places of interest such as Brownstown, Santa Claus Land, a trip on the Belle of Louisville, and a festival at Orleans.

One member, Bessie Stricker, was named Senior Citizen Queen not only for this area but for the district; she also competed at the Indiana State Fair.

A cookie baking contest was also held, in which several members participated. Mrs. Beulah Cook and Mrs. Thelma Sweeney, who were winners in the local contest also had entries in the Clark County 4-H Fair as well as the Indiana State Fair, and were winners. There were several other members who had entries in each of these events.

Mrs. Sweeney was a first place winner and Mrs. Mabel Cissel placed second in the pumpkin baking contest at the recent Harvest Homecoming at New Albany; their entries were cakes.

This is one of the many government projects which we hope will not end, as it provides many hours of enjoyment to those who partake of it.

Much of the help is volunteer and much of the success of the program is due to these dedicated people who give of themselves and their time so freely.

Here is a run down of the annual statistics for Area 14.

Charlestown Hospitality Center served 9432 meals to a number of 142 participants.

Corydon Hospitality Center served 11436 meals to a total of 200 different participants.

Gilt Edge Hospitality Center served 7577 meals to 65 people.

Parkview Hospitality Center served a total of 12499 meals to a total 265 different participants.

Wall Street Hospitality Center served 9672 meals to 244 participants.

Clark Arms Hospitality Center served 10083 meals to 179 people.

Beechwood Hospitality Center served a total of 15207 meals to 286 different participants.

Scottsburg Hospitality Center which opened April 29, 1974, served 3862 meals to 179 different participants.

There was an increase of 390 reservations from October 8, 1973 to October 8, 1974. +

Wallpapering Won't Stop Meal Program

Wallpapering of some rooms in the Scott County Senior House will not interrupt the Title VII Nutrition program, advised Mrs. Dorothy Lindsey, site director for the house.

"We're just starting to get ready for our grand opening," she explained, requesting that visiting senior citizens have patience with the cluttered condition of some areas in the house.

No date had been set as yet for the grand opening of the house, located at 183 South Second Street in Scottsburg, Mrs. Lindsey stated.

Meals planned for the week of October 28 to November 1 include: MONDAY: Roast beef, mashed potatoes, green beans, rye bread, and a banana; TUESDAY: Meat loaf, cauliflower with cheese sauce, spinach, white bread, and coconut cream pie; WEDNESDAY: Sauteed liver, mashed potatoes, mixed vegetables, white bread, and ice cream; THURSDAY: Fried chicken, baked potato, cole slaw, rye bread, and apricots; and FRIDAY: Fried fish with tarter sauce, broccoli with cheese sauce, diced carrots, corn bread, and a cup cake.

Those wishing to attend meals at the house are asked to contact Mrs. Lindsey at 752-4345 or the Senior House at 752-4134 one day in advance for reservations. Participants in the Title VII program must be over 60 years of age.

Attendance last week at the house was 130 persons.

Job requires getting the hang of paperwork

By JOE HOLWAGER
Courier-Journal Staff Writer

One of the first things Anna Jane Ollis does as she prepares for the workday ahead is to set her aluminum stepladder outside the door of her home in rural Greenville of Floyd County.

The stepladder is a sign to neighbors that she is starting a new job.

However, Mrs. Ollis, who is 64, doesn't hurry off every morning to work. Instead, she waits for her employer to chauffeur her to work.

And that's not the only thing that distinguishes Mrs. Ollis from most of us who work for a living. She has a job that has traditionally been left to men.

Mrs. Ollis is a professional wallpaper hanger, and has been for the last 49 years.

Mrs. Ollis works with a speed and efficiency that seem to belie her age. She says she sleeps soundly at night, and doesn't suffer from muscle aches and pains, which often effect homeowners who try their hand at a job that can be very frustrating for the unskilled.

The woman, who has always worked alone, gets a simple satisfaction from her work.

"I just don't know of anything that makes a place look better than wallpaper," she said in an interview. She looked around a pleasant room that had been transformed in a matter of hours from a scarred, ugly chamber.

"Just look at those walls," she said with a sense of accomplishment.

The house she was working in is being refurbished as a senior citizens center in Scottsburg. She papered the walls and ceilings of three rooms there in 1½ days. Probably, she could have finished sooner had she not taken time to answer the questions of this reporter.

Mrs. Ollis began wallpapering in 1925 at the age of 15 when, during a cleaning session for her mother, she decided to paper their home, near Galena.

"After I got done there, there was a neighbor lady that wanted me to do her house, and then her sister, until it just kept on," she recalled, as she swished a large seven-inch brush back and forth, applying paste to the back of a strip of wallpaper.

She wore a suit of workman's coveralls with blue vertical pin stripes. A 12-inch long wall brush protruded from a rear pocket. A ceiling brush with a long handle rested against the aluminum ladder nearby. A hole had been cut in the top of the ladder and her scissors were stuck in the hole — a precaution to prevent them from being knocked off, possibly causing an injury.

Mrs. Ollis grew up in the Galena area and attended grade school in the nearby community of Navilleton. Her schooling ended after grade school, because, as she explained, "in those days there weren't any buses and unless you could afford room and board or knew someone you could live with in New Albany, you just didn't go to high school."

During the depression, she married. Her husband, Dallas, worked on a farm near Stewart-Newton in southwestern Orange County for $9 a week. She helped out with domestic chores, so they got their room and board free.

Her husband later took up carpentry, a profession that he continued in until he died of a heart attack nearly nine years ago.

Twice during World War II, Mrs. Ollis worked at the Indiana Army Ammunition Plant near Charlestown. But these were the only times she ever held jobs besides paperhanging.

She also reared three children — two sons and a daughter — and now has 11 grandchildren.

Much of Mrs. Ollis' work comes from independent building contractors in northwestern Floyd County. A decade ago wallpaper was seldom considered in new houses, she said, but now many homes are finished with colorful wallpaper.

Mrs. Ollis also contracts for a number of one-time jobs, such as the Scottsburg senior citizens center and the new administrative offices of the South Central Council for the Aging and Aged in New Albany.

Thelma Bertrand, executive director of the Council for the Aging, said Mrs. Ollis papered the offices — also in a refurbished old house — for $175 less than the next lowest bid received on the job and supplied her own wallpaper. The other bidders submitted proposals for labor only and would have charged additional for wallpaper.

She completed the New Albany job in four days, papering walls and ceilings in nine rooms, two large halls, two bathrooms and a deep stairwell that had Mrs. Bertrand and others concerned for Mrs. Ollis' safety.

Mrs. Ollis shook off the concern with a toss of her head. "As long as I've got a good ladder and a board, I don't care how high I get," she said.

Contrary to the experience of most novice paperhangers, Mrs. Ollis says the walls — rather than ceilings — are the hardest to hang. She explained that ceilings involve straight hanging, while walls require measuring and cutting to fit the paper around door casings, windows and light fixtures.

And what about stairwells?

"Well, they are just a little harder to get to. That's all," Mrs. Ollis said.

In a day and age when the automobile seems so important to the happiness and well-being of so many people, Mrs. Ollis gets along comfortably without one. She doesn't drive and has never felt a compulsion to learn.

The prerequisite for hiring Mrs. Ollis is that you pick her up at her home—preferably by 7 a.m.—and you drive her home in the evening.

Also, if she is working in the home of a family she knows, she may consent to have lunch with them.

This may seem like an unusual employment arrangement, but it works very well. Persons who know Mrs. Ollis and the work she does don't hesitate to arrange her transportation.

Also, she sweetens things by charging less for her services than most professional paperhangers in the Louisville metropolitan area.

During her four days working in the New Albany offices of the Council for the Aging, everyone "just fell in love with her, because she is so colorful," Mrs. Bertrand said.

During the interview in Scottsburg last week, Mrs. Ollis gently poked fun at herself and traditions of society, displaying a keen wit.

Here are some samples of her responses to questions:

Q. Do you have any plans to remarry?

A. Oh. Goodnight, no. That's for young folks.

Q. Was your late husband from a large family?

A. My husband was one of three sons. He was the only one to get married. I guess the others saw what a mistake he made and didn't want to try.

During a break in the questions, as she climbed her aluminum step ladder for about the 50th time that day, Mrs. Ollis smiled: "I always say there are a lot of ups and downs in my job. And there are."

Q. How long do you plan to continue hanging wallpaper?

A. As long as I feel like it. If I get so I don't feel like it, I'll just sit and let the world go by."

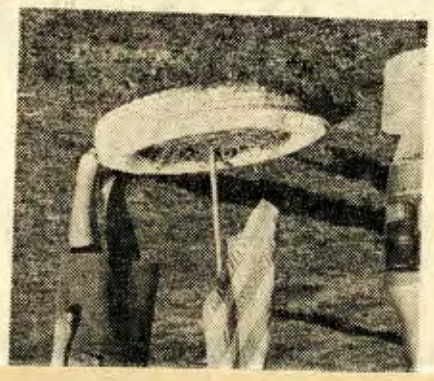
entered the service in 1939, there were almost 160 post offices in Pulaski County. Now there are only 31, including 27 fourth-class operations.

"The postal service policy is that after a postmaster is appointed, no effort is made to pull his job out, even though the need for the office deteriorates," said Tohill.

"If they turned me loose, there'd be half as many as we have now. There's no customers at Drum. Walnut Grove is in not much better shape. We could probably get rid of Poplarville, Stab and Trimble.

"But, on the other hand, some of these fourth-class offices still perform important jobs. They get mail to people that we couldn't, because the cost would be prohibitive to try to drive up there. So I wouldn't want to cut 'em all out.

"I think the unofficial policy ...



Squib, Ky., that we're tryin' to shut down. But I know some of those people will complain, maybe to their congressman, 'cause now they're gonna have to walk two-tenths of a mile to their mail box every day.

than 40 families to serve. Since then, however, the number has dwindled to virtually nothing. When she's called on at all by the other three families, it's mostly to help wrap packages, write a money order or help those who can't read or write with their letters and Social Security forms.

"This office was supposed to be closed in 1962," said Mrs. Bullock, "but the Delbert Sears family, which got an awful lot of mail, went to the county judge and told him how much this meant to them. Well, the judge went to (then U.S. Sen.) John Sherman Cooper. A few days later, we were notified that the office would stay open — and that's the last we heard about it."

Like the Conrard office, the Drum post office served many rural families years ago — almost 100 at peak. Started around 1910, the office fell to Retha Sears' husband in the 1940s.

Paperwork is an integral part of the job of Anna Jane Ollis. Mrs. Ollis, 64, of Greenville, has been hanging wallpaper since 1925. She recently finished a job at a senior citizens center in Scottsburg.

New Hospitality Center At Vance Ct.

A new Hospitality Center for the title VII nutrition program will open Monday at Vance Court recreation center.

The federal government is offering the program as a result of a survey on the needs of older people. Results indicate that some do not eat adequately because they lack the knowledge or skills to select and prepare nourishing and well balanced meals, have limited mobility, have feelings of rejection or a restricted income.

This is not a poverty program but rather an enrichment program for people 60 and older. People in all income brackets are encouraged to come and enjoy the fellowship of eating together and the other supporting services.

Lancaster Catering Service is charging $1.25 for each meal; however, the cost to the recipients is determined by their ability to pay. They may pay all or any part of the $1.25. The income received for the meals will be used to increase the number of recipients that can be served. For example, for every two people who pay, another person can be added to the program. Each recipient will be given envelopes in which to put the amount they can afford to pay.

A schedule of social activities will be planned from ideas submitted by the participating recipients. Included in the service will be trips to groceries, shopping centers and points of interest. Entertainment and crafts will be provided. One paid hospitality hostess will coordinate all activities, but the participants will plan their own programs.

Anyone 60 years old or older who would like to join in the fellowship of eating with friends and others may call the hospitality hostess, Martha Brown 944-8580, or the nutrition office 948-8873 before 12 noon the day before they wish to be served.

Speakers Scheduled For Senior House

Scott County Senior House Director Dorothy Linzay advised recently that two speakers have been scheduled to talk at the house next week.

On Tuesday, November 19, a Mrs. Eicholz will relate to senior citizens her experiences traveling in the Holy Land. Mrs. Eicholz is from New Albany, the site director stated.

The second speaker will be (Dutch) Struck from Hanover College in Hanover. Mr. Struck, she said, has not advised what the subject of his talk will be on November 21 but "he always keeps us laughing," she related.

A bingo party is planned for Wednesday, November 20, and the regular devotions service on Friday featuring Father Stan Herber from the American Martyrs Church in Scottsburg will be held.

All the programs will begin around 1:30 p.m., Mrs. Linzay stated.

The scheduled guests will also be welcome to partake of meals planned for the week of November 18 through 22. Dinners will include: MONDAY: Fried chicken, cooked cabbage, mixed vegetables, white bread, and apricots; TUESDAY: Pork Roast with gravy, sauer kraut, mashed potatoes, corn bread, and chocolate pudding; WEDNESDAY: Beef and vegetable stew, baked apples, white bread, and sherbet; THURSDAY: Turkey, sweet potatoes, orange-cranberry salad, dressing, and pumpkin pie; and FRIDAY: Fried fish, with tartar sauce, broccoli, buttered corn, corn bread, and a cup cake.

Persons interested in attending the Title VII nutrition program at the Senior House, located at 183 South Second St. in Scottsburg, should contact Mrs. Linzay at 752-4134 for reservations. Participants are asked to pay only according to their abilities and must be over sixty years old.

Senior house hours are from 9:00 a.m. to 4:00 p.m. Monday through Friday.

Jacqueline Cox named director

Jacqueline Cox has been named Director of the Retired Senior Volunteer Program (RSVP) for the South Central Indiana Council for the Aging and Aged according to Mrs. Thelma Bertrand, Executive Director. Miss Cox will assume the position previously held by Bob Maze who has been appointed Southern Field Representative for the Indiana State Commission on the Aging and Aged.

The RSVP Program, which is open to persons 60 and over in Clark, Floyd, Harrison and Scott Counties, is financed by a government grant under the ACTION Program supplemented by local funds. The Program is designed to provide a more meaningful life in retirement through significant volunteer service. Specific assignments arranged for Senior Volunteers offer varied types of opportunities for them to serve people of any age. Examples include schools, libraries, museums, hospitals, nursing homes, day care centers, institutions and programs for shut-ins.

A native of South Bend, Indiana, Miss Cox received her education at Ohio Northern University and was formerly employed as media director for a Louisville, Kentucky advertising agency. She has also worked on various newspapers throughout the tri-state area. Additional information on the RSVP Program may be obtained by contacting the South Central Council for the Aging and Aged, 317 E. Fifth Street, New Albany, 948-8330. +

'Superstar' Has Special Senior Citizen Night

Tonight has been designated as "Senior Citizens' Night" at a special performance of the play, "Jesus Christ, Superstar." The presentation by the New Albany High School cast will be free and open to any resident of Clark, Floyd, Harrison or Scott Counties age 55 or older.

The special performance will be sponsored by the Superintendent of the New Albany-Floyd County School Corp. and by the South Central Indiana Council on Aging and Aged, Inc.

The play will begin at 6:30 p.m. at the New Albany High School auditorium. Additional information may be obtained by contacting the South Central Council on Aging, 948-9161.

Senior Citizens Invited To Attend New Albany Play

Scott County senior citizens have been invited to attend a special performance of the play "Jesus Christ, Superstar" to be held at the New Albany High School on Monday night, November 25.

There will be no admission charge to senior citizens, advised a spokesman, and the play will start at 6:30 p.m.

A bus will leave the Scott County Senior House at 183 South Second St. in Scottsburg at 5:30 p.m., and all persons wishing to attend the play must make reservations by contacting House Site Director Dorthy Linzay at 752-4134 or 752-4345 before noon on Monday.

125 Senior Citizens See 'Superstar'

The rock opera "Jesus Christ Superstar" made a hit with an unlikely audience last night—125 senior citizens from Floyd, Clark and Harrison Counties saw a free performance of the production at New Albany High School.

Prewarned that a "rock" treatment of a religious subject required "an open mind" in observers, the elderly residents came from Parkview, William O. Vance and Beechwood housing complexes in New Albany and from Corydon, Charlestown and Jeffersonville. Only two left before the curtain fell, said James Plummer of the New Albany-Floyd County Schools.

The Southern Indiana Council for the Aging and Aged and school superintendent Robert L. Holmes co-sponsored the event. The senior citizens were reached through the Title IV Nutrition Program, which provides hot meals to them in the REA group.

Members of the NAHS student theatre-presented the rock opera. Remaining performances will be today and tomorrow for students and tomorrow night, Nov. 27, at 7:30 p.m. for the general public.

Holiday Dinner Is Planned At House

Thanksgiving dinner will be served at the Scott County Senior House next Wednesday, advised Site Director Dorothy Linzay this week.

"We know that a lot of our people will have family dinners on the holiday itself so we decided to have our turkey dinner the day before," she explained. Mrs. Linzay added that a sack lunch will be handed out to all those attending the holiday dinner Wednesday, as the house will be closed on that Thursday. That sack lunch will include a roast beef sandwich, a banana, potato chips, and a twinkie for dessert.

Attendance for the Title VII Nutrition program last week was 128, the site director said.

Special programs planned for next week at the House, located at 183 South Second Street in Scottsburg, includes bingo on Wednesday afternoon and a short prayer session on Friday afternoon officiated by Reverend Norman Ponder of the Grace Baptist Church in Scottsburg.

Projected meals for the week of November 25 through 29 will include: MONDAY: Fried chicken, cauliflower with cheese sauce, buttered carrots, rye bread, and fruit jello; TUESDAY: Liver, mashed potatoes, green beans, corn bread, and ice cream; WEDNESDAY: Turkey, sweet potatoes, cranberry sauce, dressing, and pumpkin pie; and FRIDAY: Fried fish, mixed vegetables, cole slaw, corn bread, and pudding.

Reservations for all meals must be made a day in advance by calling Mrs. Linzay at the Senior House at 752-4134. All persons over sixty years of age are invited to participate in the program.

House hours are from 9:00 a.m. to 4:00 p.m. Monday through Friday. The building is closed on weekends.

Senior Citizens Center opens

Seniors citizens dedicate new center in Corydon

Over 215 people were on hand Thursday for the dedication of the new Harrison County Senior Citizens Center at 123 S. Mulberry in Corydon. The much-needed center, which is tentatively scheduled to open Saturday, was made possible through the financial generosity of Joe Rhoads and the capable planning of Joe Stepro.

The center, which will eventually include three buildings, will provide a place for the Title VII nutrition program for the elderly each weekday at noon, recreation, social gatherings, workshops for woodworking and sewing, and a free meeting place for other organized groups from throughout Harrison County.

It will be open, tentatively from 9 a. m. to 4 p. m. Monday through Friday and weekends whenever it's needed. Stepro, the managing director of the center, who has masterminded the project along with Rhoads' "sidewalk supervising," said, "It'll develop as we go along." Before too long, they expect the center to be open on weekends.

Rhoads established the center as a non-profit corporation, and Mrs. Jewell Conrad has been named site director. The center leases, for $1 a year, the buildings from the May and Joe Rhoads Memorial Fund Inc. Rhoads has put about $200,000 into the project through his two foundations.

At the dedication ceremonies last week Rhoads and Stepro were spotlighted and praised for their unselfish efforts to establish the center, and both received plaques which will hang in the remodeled buildings (formerly the Jay Curts residence and heating and air-conditioning shop). Ms. Jackie Cox, the new RSVP director, said to the many elderly people in attendance, "You have so much to give. I hope you'll share it."

Mrs. Velda Wolfe, who presented an American Flag from the VFW Ladies Auxiliary, summed up the attitude of the large crowd there when she said, "I think it's a wonderful, wonderful thing" for Harrison County. The center also received gifts from the Old Capital Bank and Trust Co. and The Corydon State Bank.

Rhoads, who a couple of years ago contemplated "doing something for Corydon" with his late wife, May said, "This complex is just one of the things we can do. We hope to start other projects later." He and Stepro were given a standing ovation.

JOE RHOADS (left) who provided the financial support for the Harrison County Senior Citizens Center, and Joe Stepro, who did the planning and administrative work, were honored with plaques at the dedication ceremonies Thursday afternoon.

Senior Citizens Center to be dedicated

Maurice Endwright, executive director of Indiana Commission on Aging, will be the special guest of the new Harrison County Senior Citizen Center dedication on November 21st.

The new center at 124 S. Mulberry will be officially dedicated at 2 p.m. on that date.

Made possible by Joe and Mae Rhoads, the new Center will be the first such development in Harrison County.

Joe Stepro, also of Corydon, will supervise the Center that will eventually house work rooms for crafts, games, and Senior Citizen entertainment.

Also to be located in the Center are the Title VII Nutrition Program and the RSVP program.

Mr. Rhoads told The Press that first will come the dedication of the Center and then when all facilities are located, there will be an Open House.

Also on the grounds of the Center is a meeting room that is being made available for various other Civic and Fraternal group meetings.

A group of volunteer workmen under the direction of Mr. Stepro have been working long hours to get the Center ready for the November 21st opening day.

Thelma Bertrand, Executive Director of the South Central Council for the Aging and Aged, Inc., Area 14, told The Press that along with Mr. Endwright, the Center has extended invitations to State and Federal Congressmen and Senators and to Governor Otis Bowen.

She noted that at the recent Governors' Conference at Purdue, Harrison County was singled out by Governor Bowen as "setting an example for the entire State of Indiana."

Dedication set for senior citizens' center at Corydon

CORYDON, Ind. — The Harrison County Senior Citizens Center, 123 South Mulberry St., will be dedicated in a program beginning at 2 p.m. Thursday at the center.

Maurice Endwright, executive director of the State Commission on Aging and the Aged, will participate in the dedication.

The center, a remodeled two-story house in Corydon's near downtown area, was purchased and will be operated by a local foundation endowed by Joe Rhoads, 79-year-old Corydon man. It will serve as a meal site for a nutrition program for tht elderly, and as a center for other activities.

Senior Citizens Center opening celebrated

Harrison County Senior Citizens Center opened last Thursday afternoon with the assistance of some three hundred "well wishers."

The Corydon Central Freshman Band under the direction of Suzanne Banister provided the music along with Senior Citizen Hurley Conrad.

The day was cold and the interior too small to allow space for a whole band, so the young musicians braved the cold and played their concert from the curbside in front of the new home on Mulberry Street in Corydon.

Mistress of ceremonies was Thelma Bertrand, Executive Director of the Title VII program. Major speaker was Maurice Endwright Executive Director of the State Commission on Aging.

Judge Scott Tower Miller of the Crawford-Harrison Judicial Circuit assisted Mr. Joe Rhoads in cutting the ribbon to open the new center.

The center, first of its kind for

Harrison County, has been made possible by the Joe and May Rhoads Foundation. The Center was dedicated last Thursday in memory of the late Mrs. May Frank Rhoads.

Two engraved plaques noting this were installed on the building during last week's dedication.

The new Center at 123 S. Mulberry will be the site for the Title VII Nutrition Program (Where those who no longer feel like preparing a hot meal for themselves alone will find fellowship among friends and a hot meal prepared by others, says Benefactor Joe Rhoads.)

The Retired Senior Volunteer Program (RSVP) will also originate from the Senior Citizens Center, as will many other planned projects.

Other dignataries at last Thursday's dedication included Rev. John Taylor of the Corydon Christian Church, Rev. Stanton Lightfoot of the Corydon Methodist Church; Joe Stepro, the Center's Director; Mary Lukemeier, Title VII Area Director; Jackie Cox, Area RSVP Director; Hal Simmonds, Co-ordinator of Area centers; Bob Maze, Field Representative; Jewel Conrad, Local Site Director; Jewell Conrad, Site Director Title VII.

Velda Wolfe, Junior Vice President of the District 8 VFW Auxiliary, presented the Center with a specially dedicated flag to fly over the Center.

Acknowledgment was also made of various gifts from the two Corydon Banks and from other well wishers.

Mr. Stepro says the Center is "still being readied and that plans call for an Open House later in the year." +

Wednesday, Nov. 20, 1974, THE CORYDON DEMOCRAT, Corydon, Ind.-

Senior Citizens Center

Quite a number of people — of varying ages, from middle-aged to aged and aging — have spoken to us in complimentary terms for Joseph H. Rhoads concerning the Senior Citizens Center which is opening tomorrow.

The Center is the fulfillment of the dreams of a new resident of the county. Joe Rhoads, with his wife, the late May Frank Rhoads, had talked many times of returning to Corydon, where Mrs. Rhoads had lived and taught school, and using their savings for establishing something of benefit which was needed here. Before Mrs. Rhoads died, and since her death two years ago, the subject of a useful memorial in Harrison County had been in Joe Rhoads' thoughts.

In addition to providing a building especially for use of the county's senior citicens, the plans call for useful activities as well as games. Rhoads talks of having classes in knitting, crocheting, ceramics, coinage, musical programs, movies, games and other entertainment, and pursuit of hobbies.

The project has received the cooperation of the Indiana Commission on the Aged and Aging. The RSVP (Retired Senior Volunteer Program) which in this area is directed by Mrs. Thelma Bertrand of New Albany, has been conducting a very successful and much-appreciated Nutrition Project with noon meetings and luncheons five days per week in Fellowship Hall of the Corydon Christian Church. The kindness and generosity of members of the Corydon Christian Church congregation in their providing use of the church's kitchen and dining area are appreciated. Now the new Joe and May Rhoads Senior Citizen Center will provide the facilities. The building at 123 South Mulberry Street which is being opened Thursday is expected to be used in an even more valued and far-reaching way.

Joe Rhoads has had the splendid assistance of Joe E. Stepro, who has done much of the planning and supervising of the Senior Citizens Center during the past few months. Jewell Conrad, who has served as director and manager of the Nutrition luncheons at the Christian Church Hall, will continue her directing and managing of the Title VII hospitality center in the new location on South Mulberry Street just two blocks away on the same street, across the street from the Jay C Store.

No doubt a number of citizens in addition to the senior citizens will want to see the new center at 123 South Mulberry Street during the open house Thursday afternoon. And information as to how to make use of the new center, for senior citizens who have not so far made use of the Nutrition Luncheons Program and also possibly sons and daughters of senior citizens, may be obtained by contacting Mr. Rhoads or Mr. Stepro or by calling the South Central Council for the Aging and Aged at 317 E. Fifth Street, New Albany. The phone number is 948-8330.

On Thursday Maurice Endwright of Ellettsville, executive director of the State Commission on the Aged and Aging, will be present at 123 S. Mulberry Street for the opening of the new center.

154 People Attend Title VII Nutrition Program At House

One hundred and fifty-four persons were served by the Title VII Nutrition program at the Scott County Senior House during the last week of November, advised Site Director Dorothy Linzay recently.

Approximately 20 ladies also enjoyed a special crafts session held at the center Thursday afternoon. Scott County Extension Agent-Youth Judy Scott and two members of the Harmony Chapel Homemakers' Club, Mrs. Fay Sweany and Mrs. Jenny Henry, demonstrated easy decorations to make for the Christmas season.

For the coming week, a bingo session will be held as usual on Wednesday afternoon, Mrs. Linzay said, and Reverend Don Dempsey of the First Presbyterian Church in Scottsburg will hold a short devotions period on Friday, December 13.

All senior citizens are invited to attend.

The projected menu plan for the coming week includes for MONDAY: Meat loaf, scalloped potatoes, green beans, white bread, and pumpkin pie; TUESDAY: Beef barbecue, carrot and raisin salad, cooked cabbage, hamburger bun, and fruit cocktail; WEDNESDAY: Pork steak, mashed potatoes, sauer kraut, corn bread, and chocolate pudding; THURSDAY: Baked chicken, dressing, broccoli with cheese sauce, white bread, and pineapple chunks; and FRIDAY: Surf-o-patty with tarter sauce, peas, slaw, corn bread, and ice cream.

Condiments and ice cold milk will be served with all meals.

The Senior House, located at 183 South Second Street in Scottsburg, is open weekdays from 9:00 a.m. to 4:00 p.m. All senior citizens are invited to participate in the Title VII Nutrition program under which nutritious meals are served to persons over 60 years of age.

Participants are asked to pay only according to their abilities, and to call Mrs. Linzay one day in advance for reservations. The site director may be reached at 752-4134.

Wallpapering To Start At Senior House

Wall-papering of several rooms at the Scott County Senior House is scheduled to begin Tuesday next week, stated Site Director Dorothy Linzay recently.

A co-coordinator of Centers and Transportation for the South Central Indiana Council for the Aging and Aged, Hal Simmonds of Jeffersonville, will be bringing a woman wallpaperer who will attempt to finish the job by Wednesday, Mrs. Linzay said.

Other activities planned for next week at the house include a bingo session on Wednesday afternoon, and Thursday, Area Extension Agent-Youth Judy Scott will bring Mrs. Fay Sweeny to the center. Mrs. Sweeny will conduct classes in making Christmas decorations and other crafts. The session will start at approximately 12:30 p.m., Mrs. Linzay advised.

Devotions will be conducted by Reverend David Simpson of the Austin Church of God Friday afternoon, the site director said.

Projected menus for next week include MONDAY: Breaded veal cutlet, whole kernel corn, broccoli, white bread, and apricots; TUESDAY: Fried chicken, German potato salad, spinach, rye bread, and apple pie; WEDNESDAY: Salisbury steak, peas, lettuce and tomato salad with dressing, white bread, and orange sherbet; THURSDAY: Liver with onion gravy, mashed potatoes, green beans, whole wheat bread, and pineapple chunks; and FRIDAY: Tuna casserole, cole slaw, lima beans, corn bread, and a brownie.

Persons over 60 years of age may participate in the Title VII Nutrition program, advised Mrs. Linzay, and persons are asked to pay only according to their abilities.

The house, open from 9:00 a.m. to 4:00 p.m. Monday through Friday, is located at 183 South Second Street in Scottsburg.

Kiwanis Giving Party For Senior Citizens

Kiwanis Club of Historic New Albany is carrying out a number of projects that relate to the program of Kiwanis International, called "Mission Fulfillment," a program that emphasizes "work with learning disabled children and service to older citizens."

Thus, the club is concerned with two major projets, working with senior citizens and making opportunities for children with learning disabilities.

The club's Senior Citizens party is slated for tonight, Tuesday, at Parkview Towers, when some 75 guests will be feted, and there will be the distribution of gifts by Santa Claus. Tom Weatherston, of the Student Theater, will present a one-act musical, followed by a social hour and refreshments. Several parties for the Senior Citizens group have been scheduled for January.

The club currently is donating $400 to the Rehabilitation Center at Clarksville, diagnostic section, for children with learning disabilities. It is sending a news letter to all elementary teachers of Floyd County explaining the Center program.

The club provides transportation to the Center where needed, and those in need of it may contact Larry Plummer, member.

Box Lunches To Be Given To Meal Participants

Box lunches will once again be given to Title VII meal participants at the Scott County Senior House as that facility will be closed Christmas Day, advised Site Director Dorothy Linzay.

Those attending the Tuesday meal will receive the lunches which will consist of a roast beef sandwich, potato chips, banana, a twinkie, and milk, she said.

The house, located at 183 South Second Street in Scottsburg, will reopen December 26 at 9:00 a.m.

Mrs. Linzay also announced that Reverend Frederick Mildenberger from the Austin Lutheran Church will be present for the brief devotions service to be held Friday, December 27.

Projected meals for the four days the center will be open next week will include MONDAY: Beef noodle casserole, beets, green beans, and sherbet; TUESDAY: Fried chicken, baked potato with sour cream, spinach, whole wheat bread, and pineapple chunks; THURSDAY: Pork with gravy, mashed potatoes, sour kraut, corn bread, and coconut cream pie; and FRIDAY: Tuna casserole, broccoli, carrot and raisin salad, corn bread, and a cup cake.

Condiments and milk will be served with all meals.

To attend the meals at the Senior House, persons must be over 60 years old and must make reservations one day in advance by calling Mrs Linzay at 752-4134.

Senior Citizens Invited To Attend Movies In Clarksville

Starting January 24, Scott County senior citizens are being invited to attend a "special selection" of movies at the Trans-Lux Theatre in Clarksville once or twice a month, according to Title VII Nutrition Director Mary Lukemeier

The movies, she said, would be selected from among those senior citizens expressed a desire to see, and will be shown at a special matinee every other Friday.

Admission will cost $.75 , and transportation will be provided by the Scott County Senior House bus.

A social hour will be held for an hour preceding the movie with cookies and punch being served. All movies will begin at 2:00 p.m.

"We hope all senior citizens in Scott County will join us on these trips," Mrs. Lukemeier commented, adding that interested persons should contact Senior House Site Director Dorothy Linzay at 752-4134 for further information.

Low-Keyed Life Of Elderly Couple Has Its High Points

By VICKIE GOHMANN

On the night before Christmas last year, George Nail now 79, suffered a heart attack. Since he and his wife lack any means of transportation except what is offered by friends, George had to walk to the doctor's office.

From their small home at 817 West 8th St. the trip to East 10th and Spring was a long one.

George spent a week in the coronary care unit of Memorial Hospital and then he shuffled home.

From beneath plastic-covered nativity figurines in their tiny living room-bedroom George pulled out a small transistor radio. "A lady uptown fetched it to me when I was in the hospital. She fetched me up a plate of fruit too." George's green eyes are nearly expressionless and his stooped figure would find it difficult to 'jump for joy' but a happy air surrounds him and his wife

HOME SWEET HOME . . .

This past summer she fell and broke her hip and had a pin put in the joint. When Mrs. Nail was brought home after nearly a month's stay in the hospital she sighed a tearful "home sweet home."

Their "home sweet home" is a three-room shingled house that is usually very warm, smells of Glade and white powder that trims the edges of the floor to keep the bugs away. On the walls of their living room are hung plaques reminding one that "God is Love" and "Prayer Changes Things" which Mrs. Nail "bought from some little children."

A wire fence and gate enclose the little home surrounded by greenery and a concrete block walk leads up to two front steps. Now that Mrs. Nail has a broken hip and is forced to walk with a walker, she has difficulty navigating these steps.

Usually she is content to stay home and crochet. When I asked her what she was crocheting she said, "Oh that's the Lord's Supper. I've crocheted The Lord's Supper, The Good Shepherd, The 23rd Psalm, and the Our Father. All the others she had given away and she quickly offered to make me one.

On one occasion however, Mrs. Nail would like to get out. She was dismayed last week when her doctor said she couldn't go up and down the steps in front of the 18th St. Mission where she had planned to take the Lord's Supper. Every year we don't go to church 'til 9 at night before the New Year. The children sing up front and the preacher preaches 'til about 10 minutes to 12 and then we take the Lord's Supper and when everybody else is shootin' off fire crackers and guns we're praying in the New Year and out the old." "Honey," she calls me, "the pastor and his wife come and pick me up and he gets on one side and Pop (as she fondly refers to George) he gets on the other and they help me down the stairs."

DOES ERRANDS

Since his wife is confined, George does all the outside errands and most of them by foot. Retired now after 16 years as fireman at Silvercrest Hospital and many years before that as a laborer, George shuffled to and from the grocery and downtown New Albany. He eagerly awaits the minibus that picks him up around 10:30 every morning to take him to the senior citizens dinner held at the housing project on Beechwood.

Yesterday they had 83 all together — 53 inside and 30 meals outside." The outside meals are those which are taken out to persons such as his wife who can't get out. Daily George brings a specially-prepared diabetic dinner home to her.

Despite her diabetes, the pin in her hip, and the painful arthritis, Mrs. Nail is optimistic and retains a very simple Christian philosophy.

Before she and George were married, she cared for George's mother whom he had promised not to leave. She worked at Silvercrest Hospital for over 21 years. One night "Pop took sick and I went up there with him and told him to sit down on the bench and I shoveled coal for him . . . I don't know how much I got in the hopper . . ."

George was in charge of the boiler room and recalled his first night with a spark of animation "I kept having to pull my hat down; what little hair I had was standin' up." He described his initial fear of the furnaces. During his years at Silvercrest, George's only major accident were first degree burns on his arms and face that resulted in blood poisoning. His boss suggested he go to the hospital, but George was adamant: "I'm not going to the hospital. God's going to take care of me." And He did.

FUNRAMENTALISTS

George then shuffled to the bureau and dug through a mass of socks and t-shirts until he found a picture a Tribune photographer had taken of him with his response to what he thought of sending men to the moon. "I think the whole program is nuts," read the caption, "if God had meant for us to be on the moon He'd have made a way for us to get there." Mrs. Nail agreed with this, saying, "He gave us the animals and everything here to rule over — He didn't ask us to rule over His heavenly host," she said referring to the moon.

"Now Honey, don't mind my friends there," she motioned to the door jamb beside my head, interrupting my moon meditations. I caught sight of one of her four-legged, tentacled friends that crawl out of their baseboard homes onto the walls just to bug strangers. "Smack him, go on smack him with your hand," she encouraged.

Without thinking. Squish!

"I put out that white powder around the edges of the floor so they eat it then they die," she said.

Obviously it had lost its flavor like the chewing gum left on the bedpost overnight. George didn't get excited by the bug either.

The first time I saw George, he was shuffing down Cherry St. clutched in the arms of a chilling winter wind and pulling a small silver cart behind him. I pulled over and asked him where he was headed. "Krogers" was the one-word reply. "Would you like a ride?" I asked. "I don't care," and I'm sure he didn't since he seems to enjoy his walks. He loaded his collapsible grocery cart into the back of my small Honda couple and climbed into the front. His green eyes were soft, not the least bit demanding or curious. Yet I was curious about him. To most of my inquiries he responded with a polite, soft-spoken, "Yes ma'am, yes ma'am." When we arrived at the Kroger parking lot, he grew more talkative as the line of waiting cars grew behind me. That's a cute little "baby buggie" he teased about my car.

FAVORITE PATRON

George goes to Krogers at least three times a week where he is a well-known and loved patron. "They hit me on the back . . . there's a blond lady there . . . she hits me on the back" he said describing their affection for him. "No matter where it is, I can go anyplace in the building."

The Nails have no pets, except the ones God sends to their yard to sing. When funds permit, George shuffies to the store for bird feed and throws the seeds out to his litte feathered choir. "I feed the birds — redbirds, doves, that poor lil' ole' starling and the spatsies. I get tickled at the little doves, the one that doesn't have a mate — they chase him off."

Meals available to Senior Citizens

Hot meals at noon time are available to any citizen of Harrison County who has reached the age of 60 and who perhaps does not desire to cook for himself. It is also an opportunity to have dinner with friends, old and new, in a pleasant home atmosphere.

If you are unable to travel to the Corydon Center please call 738-3065 or 738-3334 and your noon meal will be delivered to you.

Price of the meal is whatever you are able to pay. Receiving the meals, either in your own home or at the Center, does not in any way affect any other benefits such as Old Age Assistance, Blind, Social Security, Pension, or any other type of program.

Mrs. Jewel Conrad, Site Director, asks that those who desire to take advantage of this hot meal program, call either her or the Center on the day prior to the meal day, which is Monday through Friday.

Call 738-3065 or 738-3334 in Corydon, Indiana.

Monday, December 30—Fried Chicken, creamed potatoes, stewed tomatoes, bread, drink and cake.

Tuesday, December 31—Meat Loaf, cauliflower with cheese, spinach, pineapple chunks, steak, drink.

Wednesday, January 1, 1975—Roast Beef Sandwich, potato chips, banana, Twinkies, drink.

Thursday, January 2—Sauteed Liver, mashed potatoes, mixed vegetables, corn bread, ice cream.

Friday, January 3—Fried fish, chopped broccoli, carrot slices, corn bread, lemon pie.

Please make reservation for meals the day before by calling 738-3065 or 738-3334. +

Mrs. Kathryn Eicholz of New Albany entertained persons gathered at the Scott County Senior House in Scottsburg with a Christmas story of her own making recently. The local senior center is open to persons 60 years of age or older and features guest speakers as well as bingo games, craft sessions, and delicious, well-balanced meals from the Title VII Nutrition program.

Site Directors To Meet At Scott Center

Site Directors from four counties will meet at the Scott County Senior House in Scottsburg Tuesday afternoon for their quarterly meeting, it was announced this week.

Approximately 12 persons connected with the South Central Indiana Council for the Aging and Aged in New Albany will attend the meeting, according to Scott County Site Director Dorothy Linzay. The purpose of the tri-monthly get-together is, she said, to evaluate the last quarter at all southern Indiana senior centers and to turn in reports and paperwork to Council supervisors.

Representatives from Scott, Harrison, Clark, and Floyd counties will attend the meeting.

Knitting, Crocheting Lessons To Start On Thursdays

Knitting and crocheting lessons will be started at next Thursday's crafts session at the Scott County Senior House, announced Site Director Dorothy Linzay.

"We held off on starting anything new like this until the holidays would be over, but now we'll be ready to start," advised Mrs. Linzay. "Anybody who wants to come can just come right over. They'll be welcome," she added.

The house is located at 183 South Second Street in Scottsburg.

Also in next week's schedule will be Reverend Stanley Thomas from the Zoah Christian Church who will preside over devotions Friday afternoon.

One hundred forty-four persons attended the Title VII Nutrition program during the week of December 16 through 20, Mrs. Linzay said.

The proposed menu plan for the week of December 30 through January 3 will be: MONDAY: Fried chicken, creamed potatoes, stewed tomatoes, white bread, and cake; TUESDAY: Meat loaf, cauliflower with cheese, spinach, rye bread, and pineapple chunks; THURSDAY: Sauteed liver, mashed potatoes, mixed vegetables, corn bread, and ice cream; and FRIDAY: Fried fish with tarter sauce, chopped broccoli, carrot slices, corn bread, and lemon pie.

Wednesday's meal, Mrs. Linzay said, will be a box lunch given to meal participants Tuesday afternoon and will consist of a roast beef sandwich, potato chips, a banana, and a twinkie.

Reservations to attend the meals program must be made a day in advance by contacting Mrs. Linzay at 752-4134.

'Operation Santa' Is Biggest Success

"This year's sixth annual "Operation Santa Claus" was by far the most successful of all," according to Mrs. Virginia Mills, the Downtown Neighborhood Council's coordinator for "Operation Santa." "It provided gifts for 565 deserving children and had a total value of slightly over $6,000. This included cash contributions of $4,500 and 'in kind' contributions of more than $1,500.

"Cash contributions ranged in size from $2 to $300, with the largest single contribution coming from the Fraternal Order of Police of Floyd County. Several other organizations and business firms also contributed, but the bulk of our money came from families and individuals who simply wanted to make Christmas a little brighter for these youngsters. We thank each and every one of them," she said.

"The 'in-kind' contributions included one couple's giving of gift certificates from a local department store to 50 children, another couple who took 12 children shopping and bought them gifts worth approximately $200, and a woman who gave a family $48 worth of groceries and spent another $55 on gifts for the children.

"We also had several people who took one or two children shopping, many who went out and purchased gifts for specific children and brought them to our office, and some who simply wanted the name and address of someone they could help.

"There is no way that we can adequately thank everyone who contributed toward making our campaign a success," continued Mrs. Mills, "but there are a few people that we would like to thank publicly.

"First of all, we would like to thank our two 'partners' in "Operation Santa Claus." They are the local school system and The Tribune. Without the schools to refer the children's letters to us, or without The Tribune to carry our message to the public, there could be no "Operation Santa."

THANKS POLICE

"Next, we would like to thank the New Albany Police Department and the Floyd County Police Department (Sheriff). Not only were they generous with their money but also with their time and efforts. The New Albany Police aided us in many ways, including helping children to safely cross the streets to and from our Christmas parties, and the Sheriff's men helped us in finding addresses out in the County and, in some cases, they delivered the gifts for us.

"Then there are the ladies of the Retired Senior Volunteer Program who made outfits for 42 undressed dolls that we sent them. Thanks to them, there are children in this community who have Barbies with outfits unlike any others in the world.

"We would also like to thank the two classes at Our Lady of Perpetual Help School who raised money and purchased several lovely gifts for our children, and the students at IUS who came in the Friday before Christmas with at least $200 worth of toys and gifts they had purchased.

"Finally, we wish to thank Mrs. Gloria Johnson, chairperson of our "Operation Santa Claus" committee, and our committee members, John "Santa Claus" Flynn, Roger Wiggs, Rita Moncrief, Ralph Dooley, Isadore Pineur, and Tom McLarty. They and members of their families gave countless hours of their time to help in shopping, wrapping, and delivering gifts for 565 children.

"This year was a learning experience for us," said Mrs. Mills, "because we tried several new ideas. Naturally, we made a few mistakes and for those we apologize but, overall, the whole thing went off very well. We made this a happier Christmas for 565 children, and that is what "Operation Santa Claus" is all about.

Senior Citizens have guests

Franklin Senior Citizen Club met November 13 at the Otho Hogue residence for a carry-in Thanksgiving turkey dinner. Father Mazzola played several numbers on the organ.

Another guest was Mrs. Helen Pearson of New Albany from the South Central Indiana Council for the Aging and Aged. She told of the work for the aged being done in the southern Indiana district. She also played several selections on the organ.

The next meeting will be Wednesday, December 11, at 10 a.m. at the Girls Club for the annual Christmas party.
